

4. Do you find that the evidence establishes it is more likely than not that Saddleback, Peter Tsetsilas, and/or Beverly Tsetsilas are legally at fault for any portion of the injuries sustained by Kristy Gesse?

Yes X No

(If your answer to Question #4 is "Yes", please answer Question #5. If your answer to Question #4 is "No," then move to answer Question #6.)

5. Using 100% to represent the total fault for this case, please state the percentage of fault which you attribute to each of the following:

DHHS	<u> 25 </u>	%
Saddleback	<u> 5 </u>	%
Peter Tsetsilas	<u> 60 </u>	%
Beverly Tsetsilas	<u> 10 </u>	%

(Please make sure the total adds up to 100%)

(Please answer Question #6)

6. Do you find that the evidence establishes it is more likely than not that Ms. Gesse is entitled to enhanced compensatory damages from DHHS? (Note that these are additional damages not reflected in any award set out in response to Question #3. Further, this amount can only reflect enhanced compensatory damages attributable to DHHS, not any amount of enhanced compensatory damages in any way attributable to Saddleback, Peter Tsetsilas, and/or Beverly Tsetsilas).

Yes _____ No X

(If you answered "Yes" to Question 6, please answer Question #7. If you answered "No" to Question #6, please move to Question #8)

7. Please state the full amount (in words, not numbers) which you consider Kristy Gesse should receive as enhanced compensatory damages.

(Please move to Question #8).

8. An "incident" is defined as "an occurrence or event viewed as a separate circumstance" or "an occurrence of an action that is a separate unit of experience." Please state (in words, not numbers) the number of incidents for which the evidence establishes it is more likely than not that Ms. Gesse is entitled to recover from DHHS.

One hundred six
