

KBIA Capital Campaign to Raise \$692,335 to Purchase a New Transmitter, Antenna and Other Related Equipment

KBIA is reaching out to you today because you have demonstrated your commitment and are important to the success and longevity of the station. Your support validates the necessity of KBIA as a resource for informing, enlightening and deepening listeners' understanding of the day's most critical events across Mid-Missouri.

But if KBIA is to continue in its mission, once every couple decades or so, there are some absolutely essential investments that must be made. Please help usher in the next 50 years of KBIA on the airwaves in Missouri as a part of KBIA's Capital Campaign.

KBIA truly appreciates your generosity and support, and this Capital Campaign is, out of necessity, above and beyond. KBIA is unable to sacrifice your ongoing support to divert funds to the Capital Campaign costs. KBIA's day-to-day operations rely on this support. We are asking you to go further than your annual support over the next three years.
