MANAGEMENT'S DISCUSSION AND ANALYSIS (Unaudited)

For the Years Ended June 30, 2021, 2020 and 2019

WOI Radio Group ("WOI") provides this Management's Discussion and Analysis as a narrative overview of the financial performance of WOI as of and for the three years ended June 30, 2021, 2020 and 2019. This discussion has been prepared by management and should be read in conjunction with the financial statements and footnotes that follow.

WOI Radio Group is owned by Iowa State University and includes the following frequencies: KNSZ (89.1 FM), KNSL (97.9 FM), KNSK (91.1 FM), KNSC (90.7 FM), KICP (105.9 FM), KICL (96.3 FM), KICG (91.7 FM) and WOI (640 AM and 90.1 FM). Iowa State University is the licensee for these frequencies.

The Board of Regents, State of Iowa, established Iowa Public Radio, Inc. ("IPR") to manage the day-to-day operations including management, programming and technical support of the public radio operations at the three Regents' universities. This includes the WOI Radio Group as well as the WSUI Radio Group ("WSUI") owned by the University of Iowa and the KUNI Radio Group ("KUNI") owned by the University of Northern Iowa. IPR is governed by a board of directors consisting of eighteen appointees. The President of the Board of Regents appoints fifteen community directors to represent the interests of Iowa's communities. The president at each of the Regents' universities appoints a university director to represent the interests of each respective university.

The audited financial statements and footnotes of WOI should be read in conjunction with the audited financial statements and footnotes of IPR.

Iowa Public Radio enriches the civic and cultural life in Iowa through high quality news and cultural programming. IPR delivers three streams of programming statewide, bringing Iowans award-winning national programming and producing local programs that reflect Iowa's sense of place. IPR's mission will be accomplished by focusing on its goals – strengthen the impact, reach and performance of the organization in order to better serve Iowans; grow and engage audience; deliver national, international and local news and cultural programming and develop a sustainable funding model that allows the network to thrive.

Using the Audited Financial Statements

This analysis is intended to introduce the basic financial statements of WOI which consist of the Statements of Net Position, the Statements of Revenues, Expenses and Changes in Net Position and the Statements of Cash Flows. WOI prepares its financial statements in accordance with Governmental Accounting Standards Board ("GASB") standards. These financial statements provide information on WOI as a whole and present both a short-term and long-term view of WOI's financial position. The basic financial statements also include the Notes to the Financial Statements which further explain and provide detail about the financial statements.

The Statements of Net Position

The Statements of Net Position present the assets, liabilities and net position of WOI using the economic resources measurement focus and accrual basis of accounting. The Statements of Net Position represent the financial position at the end of each fiscal year. The difference between assets and liabilities – or net position – is one indicator of the current financial condition. The change in net position shown on the Statement of Revenues, Expenses and Changes in Net Position indicates whether the overall financial condition has improved during the fiscal year.

WOI - AM/FM

MANAGEMENT'S DISCUSSION AND ANALYSIS
(Unaudited)

For the Years Ended June 30, 2021, 2020 and 2019

	June 30,		
	2021	2020	2019
Assets:			
Current assets	\$ 562,634	\$ 404,680	\$ 248,950
Capital assets, net	2,709,751	2,839,787	2,968,641
Investment pool	141,420	106,341	111,290
Total assets	<u>\$ 3,413,805</u>	<u>\$ 3,350,808</u>	<u>\$ 3,328,881</u>
Liabilities:			
Current liabilities	<u>\$ 28,185</u>	<u>\$ 29,899</u>	<u>\$ 56,214</u>
Net position:			
Investment in capital assets	\$ 2,709,751	\$ 2,839,787	\$ 2,968,641
Restricted	278,031	112,136	16,043
Unrestricted	397,838	368,986	287,983
Total net position	<u>\$ 3,385,620</u>	<u>\$ 3,320,909</u>	<u>\$ 3,272,667</u>
Total liabilities and net position	<u>\$ 3,413,805</u>	<u>\$ 3,350,808</u>	<u>\$ 3,328,881</u>

Total assets at June 30, 2021 increased 1.9% to \$3,413,805 compared to total assets of \$3,350,808 at the end of the prior fiscal year. Current assets at June 30, 2021 increased 39.0% to \$562,634 compared to current assets of \$404,680 at the end of the prior fiscal year. The increase in current assets is due to increases in cash and cash equivalents and accounts receivable offset by a decrease in prepaid expenses. Current assets at the end of fiscal year 2020 increased compared to current assets at the end of fiscal year 2019 due to increases in cash and cash equivalents, accounts receivable and prepaid expenses.

Capital assets at June 30, 2021 decreased 4.6% to \$2,709,751 compared to capital assets of \$2,839,787 at the end of the prior fiscal year. The decrease in capital assets is due to the recording of depreciation and minimal capital asset purchases. Capital assets at the end of fiscal year 2020 decreased compared to capital assets at the end of fiscal year 2019 due to the recording of depreciation and minimal capital asset purchases.

Assets in the investment pool at June 30, 2021 increased 33.3% to \$141,420 compared to assets in the investment pool of \$106,341 at the end of the prior fiscal year. The increase in assets in the investment pool is due to the positive investment return. Assets in the investment pool at the end of fiscal year 2020 decreased compared to the end of fiscal year 2019 due to the negative investment return.

Current liabilities at June 30, 2021 decreased 5.7% to \$28,185 compared to current liabilities of \$29,899 at the end of the prior fiscal year. The decrease in current liabilities is due to a decrease in accounts payable offset by an increase in accrued compensation. Current liabilities at the end of fiscal year 2020 decreased compared to current

WOI - AM/FM

MANAGEMENT'S DISCUSSION AND ANALYSIS
(Unaudited)

For the Years Ended June 30, 2021, 2020 and 2019

liabilities at the end of fiscal year 2019 due to a decrease in accrued compensation offset by an increase in accounts payable.

Total net position at June 30, 2021 increased 1.9% to \$3,385,620 compared to total net position of \$3,320,909 at the end of the prior fiscal year. Capital assets, as referenced above, decreased 4.6% at June 30, 2021 compared to capital assets at the end of the prior fiscal year. Restricted assets increased at June 30, 2021 due to the stabilization funding received from the Corporation from Public Broadcasting as part of the RESCUE act. Unrestricted assets increased 7.8% at June 30, 2021 due to the change in investment in capital assets and restricted net position. Total net position at the end of fiscal year 2020 increased compared to total net position at the end of fiscal year 2019.

The Statements of Revenues, Expenses and Changes in Net Position

The change in net position as presented in the Statements of Net Position is based on the activity presented in the Statements of Revenues, Expenses and Changes in Net Position.

	For the years ended June 30,		
	2021	2020	2019
Total operating revenues	\$ 3,040,435	\$ 3,213,635	\$ 2,711,694
Total operating expenses	3,052,003	3,200,483	2,917,026
Operating gain (loss)	(11,568)	13,152	(205,332)
Non-operating revenues (expenses) - net	76,279	35,090	280,211
Change in net position	\$ 64,711	\$ 48,242	\$ 74,879

Total operating revenues for the year ended June 30, 2021 decreased 5.4% to \$3,040,435 compared to \$3,213,635 for the year ended June 30, 2020. Major components of operating revenues include:

- Support from Iowa State University for general appropriations decreased operating revenues by \$251,619;
- Support from IPR including membership and fundraising campaigns, underwriting revenue and state appropriations decreased operating revenues by \$68,391;
- Community service grants decreased operating revenues by \$2,992;
- Other revenue decreased operating revenues by \$17;
- Support from the Corporation for Public Broadcasting for stabilization funds increased operating revenues by \$139,865; and
- Support from Iowa State University for institutional, physical plant and occupancy support increased operating revenues by \$9,954.

Total operating revenues for the year ended June 30, 2020 increased 18.5% to \$3,213,635 compared to \$2,711,694 for the year ended June 30, 2019. This increase was primarily due to increases in support from IPR, institutional, physical plant and occupancy support from Iowa State University and stabilization funds.

WOI - AM/FM

MANAGEMENT'S DISCUSSION AND ANALYSIS
(Unaudited)

For the Years Ended June 30, 2021, 2020 and 2019

Total operating expenses for the year ended June 30, 2021 decreased 4.6% to \$3,052,003 compared to \$3,200,483 for the year ended June 30, 2020. Major components of operating expenses include:

- Broadcast and engineering related expenses decreased operating expenses by \$78,982 primarily due to decreases in salaries, wages and benefits, repairs and maintenance, supplies, facilities and telecommunications offset by an increase in direct expenses paid by IPR;
- Programming and production related expenses decreased operating expenses by \$64,935 primarily due to decreases in salaries, wages and benefits and programming fees offset by an increase direct expenses paid by IPR;
- Fundraising and membership development related expenses decreased operating expenses by \$6,805 primarily due to a decrease in direct expenses paid by IPR;
- Program information and promotion related expenses decreased operating expenses by \$4,994 primarily due to a decrease in direct expenses paid by IPR;
- Depreciation expense decreased operating expenses by \$2,923; and
- Management and general related expenses increased operating expenses by \$10,159 primarily due to increases in institutional support from Iowa State University and professional services.

Total operating expenses for the year ended June 30, 2020 increased 9.7% to \$3,200,483 compared to \$2,917,026 for the year ended June 30, 2019. This increase was primarily due to increases in institutional support, direct expenses paid by IPR, programming fees, facilities and professional services offset by decreases in salaries, wages and benefits, repairs and maintenance and depreciation.

Non-operating revenues (expenses) for the year ended June 30, 2021 increased 117.4% to \$76,279 compared to \$35,090 for the year ended June 30, 2020. This increase is primarily due to an increase in investment return.

Non-operating revenues (expenses) for the year ended June 30, 2020 decreased 87.5% to \$35,090 compared to \$280,211 for the year ended June 30, 2019. This decrease was primarily due to decreases in equipment grants and investment return.

The Statements of Cash Flows

The Statements of Cash Flows provides information about cash receipts and cash disbursements for WOI for the fiscal year.

WOI - AM/FM

MANAGEMENT'S DISCUSSION AND ANALYSIS
(Unaudited)

For the Years Ended June 30, 2021, 2020 and 2019

	For the years ended June 30,		
	2021	2020	2019
Cash provided (used) by:			
Operating activities	\$ 137,087	\$ 137,798	\$ (29,803)
Non-capital financing activities	36,437	33,000	36,000
Capital financing activities	(30,702)	(34,995)	(84,773)
Investing activities	4,325	4,226	5,080
Net change in cash	147,147	140,029	(73,496)
Cash beginning of year	381,017	240,988	314,484
Cash end of year	\$ 528,164	\$ 381,017	\$ 240,988

Cash from operating activities decreased to \$137,087 for the year ended June 30, 2021 compared to \$137,798 for the year ended June 30, 2020 primarily due to decreases in cash received from general appropriations from Iowa State University and from IPR for memberships offset by an increase in stabilization funds and decreases in cash payments to employees for salaries, wages and benefits and to suppliers for goods and services.

Cash from non-capital financing activities increased to \$36,437 for the year ended June 30, 2021 compared to \$33,000 for the year ended June 30, 2020 due to an increase in cash received from rental income.

Cash from capital financing activities increased to (\$30,702) for the year ended June 30, 2021 compared to (\$34,995) for the year ended June 30, 2020 due to a decrease in the purchase of capitalized equipment.

Cash from investing activities increased to \$4,325 for the year ended June 30, 2021 compared to \$4,226 for the year ended June 30, 2020 due to an increase in cash received from investment income.

The net increase in cash and cash equivalents is \$147,147 for the year ended June 30, 2021 compared to a net increase of \$140,029 for the year ended June 30, 2020.

Capital Assets

At June 30, 2021, capital assets totaled \$6,376,179, with accumulated depreciation of \$3,666,428, for net capital assets of \$2,709,751. At June 30, 2020, capital assets totaled \$6,345,477, with accumulated depreciation of \$3,505,690, for net capital assets of \$2,839,787. Depreciation charges for the year ended June 30, 2021 totaled \$160,738 compared to \$163,661 for the year ended June 30, 2020. Capital assets, net of accumulated depreciation, are as follows:

Economic Outlook

The management of IPR is not aware of any extraordinary items that would impact the viability of WOI going forward and IPR is fully engaged in its effort to assure its sustainability for the coming years.

Contacting WOI Radio Group's Financial Management

This financial report is designed to provide users with a general overview of WOI's finances and to demonstrate accountability for the funds received. Questions regarding this report or requests for additional information should be directed to the Finance and Operations Director, Iowa Public Radio, Inc., 2111 Grand Avenue, Suite 100, Des Moines, IA 50312.

INDEPENDENT AUDITOR'S REPORT

Ms. Kris Riley, Controller
Iowa State University
Ames, Iowa

We have audited the accompanying financial statements of WOI - AM/FM, a public telecommunications station operated by the Iowa State University, as of and for the years ended June 30, 2021 and 2020, and the related notes to the financial statements, which collectively comprise WOI - AM/FM's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risk of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

Society of North America

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the net position of WOI - AM/FM as of June 30, 2021 and 2020, and the changes in its net position and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matter

As discussed in Note 1, the financial statements of WOI - AM/FM are intended to present the net position, changes in net position, and cash flows of only that portion of the business type activities of Iowa State University that is attributable to the transactions of WOI - AM/FM. They do not purport to, and do not present fairly the financial position of Iowa State University as of June 30, 2021 and 2020, the changes in its financial position, or its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis on pages 1 - 6 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

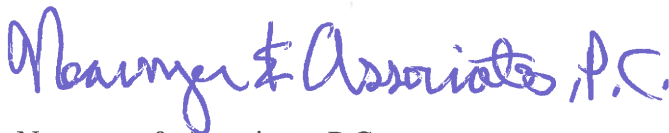

Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the financial statements that collectively comprise WOI - AM/FM's basic financial statements. The schedules of functional expenses on pages 25 - 26 are presented for the purpose of additional analysis and are not a required part of the basic financial statements.

The schedules of functional expenses are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedules of functional expenses are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated December 20, 2021 on our consideration of WOI - AM/FM's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering WOI - AM/FM's internal control over financial reporting and compliance.

Prepaid expenses	1,167	(267)
Increase (decrease) in:		
Accounts payable	(3,955)	715
Accrued compensation	2,241	(27,030)
Net cash flows provided by operating activities	<u>\$ 137,087</u>	<u>\$ 137,798</u>

Concluded.

DISCLOSURE OF NON-CASH FINANCING AND INVESTING TRANSACTIONS:

Net investment return of \$35,079 increased and (\$4,949) decreased the fair value of the Station's investments at June 30, 2021 and 2020, respectively.

The accompanying notes are an integral part of these financial statements.

WOI - AM/FM

NOTES TO FINANCIAL STATEMENTS

June 30, 2021

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Reporting Entity

WOI - AM/FM (the "Station") is a department of Iowa State University (the "University"), under the governance of the Board of Regents, State of Iowa ("Board of Regents"). Since the Board of Regents holds the corporate powers of the Station, it is not deemed to be legally separate. Accordingly, for financial reporting purposes, the Station is included in the financial report of the University and the University is included in the financial report of the State of Iowa, the primary government, as required by U.S. generally accepted accounting principles ("GAAP"). The Station is classified as a state instrumentality under Internal Revenue Code Section 115 and is exempt from federal income taxes. Certain activities of the Station may be subject to taxation as unrelated business income under Internal Revenue Code Sections 511 to 514.

Financial Statement Presentation

The Station's financial statements are prepared in accordance with accounting principles generally accepted in the United States of America as prescribed by the Governmental Accounting Standards Board ("GASB").

The Station has the option to apply all Financial Accounting Standards Board ("FASB") pronouncements issued after November 30, 1989, unless those pronouncements conflict with or contradict GASB pronouncements. The Station has elected not to apply FASB pronouncements issued after the applicable date.

Basis of Accounting

For financial reporting purposes, the Station is considered a special-purpose government engaged only in business-type activities as defined in GASB Statement No. 35, *Basic Financial Statements – and Management's Discussion and Analysis – for Public Colleges and Universities – an amendment of GASB Statement No. 34* ("GASB 35"). Accordingly, the financial statements of the Station have been prepared using the economic resources measurement focus and the accrual basis of accounting. As a result, revenues are recognized when earned and expenses are recorded when an obligation has been incurred.

Nature of Activities

The Station is dedicated to providing programming devoted to educational, informational and cultural programs suitable for general audiences. A significant portion of the Station's funding is received from Iowa Public Radio, Inc., the Corporation for Public Broadcasting and Iowa State University.

Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amount of revenues and expenditures during the reported period. Actual results could differ from those estimates.

Fair Value of Financial Instruments

The carrying amounts of cash, accounts receivable, prepaid expenses, accounts payable and accrued expenses approximate fair value because of the short maturity of those financial instruments.

The Station holds certain investments that are required to be measured at fair value on a recurring basis. The financial instruments reported at fair value are classified based on the inputs used to determine the value, as follows:

- Level 1: Valuation is based upon quoted prices for identical instruments traded in active markets.
- Level 2: Valuation is based upon quoted prices for similar instruments in active markets, quoted prices for identical or similar instruments in markets that are not active, and model based valuation techniques for which all significant assumptions are observable in the market.
- Level 3: Valuations that require inputs that are both significant to the fair value measurement and unobservable in the market.

The Station has the following recurring fair value measurements as of June 30, 2021:

- Investments held by the Iowa State University Foundation (the "Foundation") of \$141,420 (Levels 1, 2 and 3). Certain pooled investments are recorded at fair value based on values provided by an external investment manager and quoted market values. Other pooled investments include alternative investments whose fair values (net asset values used as a practical expedient) have been estimated by Foundation management utilizing information provided by the respective funds' general manager and investment managers in the absence of readily determinable fair market values.

The Station has the following recurring fair value measurements as of June 30, 2020:

- Investments held by the Iowa State University Foundation (the "Foundation") of \$106,341 (Levels 1, 2 and 3). Certain pooled investments are recorded at fair value based on values provided by an external investment manager and quoted market values. Other pooled investments include alternative investments whose fair values (net asset values used as a practical expedient) have been estimated by Foundation management utilizing information provided by the respective funds' general manager and investment managers in the absence of readily determinable fair market values.

Capital Assets

Capital assets are recorded at cost at the date of acquisition or at acquisition value at the date of donation. The Station's capitalization policy for furniture and fixtures and equipment includes all items with a unit cost of at least \$5,000 and an estimated useful life of greater than one year. Improvements to leased property are charged to operations in the year in which the expense is incurred unless the improvements are significant and determined to meet the Station's capitalization policy.

Depreciation is calculated using the straight-line method over the estimated useful lives of the assets, with useful lives ranging from 5 to 40 years. Depreciation expense charged to operations for the years ended June 30, 2021 and 2020 totaled \$160,738 and \$163,661, respectively.

Certain capital assets related to the station located in Perry, Iowa, were funded by the federal government. The federal funding requires that the Station maintain and operate this station for a period of ten years. Restrictions on the Perry station expire in the year 2023.

Through purchases, the Station has acquired broadcast licenses for KNSL in Lamoni, KICP in Patterson and KICL in Pleasantville. The broadcast licenses are renewable every eight years if the Stations provide an

average level of service and comply with the applicable Federal Communication Commission ("FCC") rules and policies. The licenses may be renewed indefinitely at little cost and renewal applications were completed October 1, 2020 for all three licenses. The Station intends to renew the licenses indefinitely and evidence supports its ability to do so, as historically there has been no compelling challenge to the renewal. Therefore, the cash flows from the licenses are expected to continue indefinitely. The broadcast licenses in connection with these acquisitions are not subject to amortization.

The Station acquired three IBIQUITY digital licenses as part of the digital conversion grants awarded by the Corporation for Public Broadcasting. The licenses have a perpetual life and can be renewed indefinitely at little cost to the Station. The Station intends to renew the licenses indefinitely. The digital licenses are not subject to amortization.

Net Position

The Station's net position is classified as follows:

Investment in capital assets - Capital assets, net of accumulated depreciation attributable to the acquisition, construction, or improvement of those assets.

Restricted, expendable - Net position subject to externally imposed restrictions on use of resources either legally or contractually.

Restricted, non-expendable - Net position subject to externally imposed restrictions in which the donors or other outside sources have stipulated the principal is to be maintained inviolate and retained in perpetuity and invested for the purpose of producing income which will either be expended or added to principal.

Unrestricted - Net position not subject to externally imposed restrictions and which may be used to meet current obligations for any purpose or designated for specific purposes by action of management.

When an expense is incurred for which both restricted and unrestricted net position is available, the Station's policy is to first apply the expense against the restricted and then toward the unrestricted asset.

Restricted net position is available for the following purposes:

	<u>2021</u>	<u>2020</u>
Restricted, expendable:		
Corporation for Public Broadcasting grant	\$ 26,030	\$ -
Stabilization funds	<u>252,001</u>	<u>112,136</u>
Total restricted net position	<u>\$ 278,031</u>	<u>\$ 112,136</u>

University Support and Grant Revenue

University support is recorded as revenue when expenditures are incurred. Grants and other support to finance capital assets are recognized as revenue when expenditures are incurred. Grants utilized to finance operations are recorded when awarded by the grantor.

In-Kind Support

Contributed services are recognized as contributions if the services received, created or enhanced a long-lived asset or required specialized skills provided by individuals possessing those skills and would typically need to

be purchased if not provided by donation. Volunteers provide a variety of tasks that assist the Station throughout the year that have not been recognized as contributions in the financial statements because the criteria for recognition was not met. No contributed services were recognized for the years ended June 30, 2021 and 2020, respectively.

Pledges and Contributions

The Station encourages individuals, businesses and other organizations to provide support for specific and general programming. Iowa Public Radio, Inc. serves as the primary fundraising entity for the Station engaging in periodic on-air, online and direct mail fundraising campaigns on behalf of the Station. A portion of the contributions are made by pledges or unconditional promises to give. Contributions, including unconditional promises to give, are recognized in the period received, net of an allowance for doubtful accounts, if appropriate. Contributions are classified as operating revenues unless restricted for non-operating purposes. Support from IPR is recognized when an allocation of support from its fundraising efforts is pledged to the Station.

Program Underwriting

Underwriting support is treated as conditional contributions, and recognized when the conditions are met based on the terms of the underwriting agreements, and are recognized primarily on a pro rata basis as the underwriters are acknowledged.

Functional Allocation of Expenses

The cost of providing program services, support services and depreciation are summarized on a functional basis in the Statements of Revenues, Expenses and Changes in Net Position and in the Schedules of Functional Expenses. Accordingly, certain costs have been allocated between program and support services on the basis of benefits received.

Operating and Non-Operating Activities

Operating activities generally result from the production of program material suitable for public broadcasting. Revenues associated with, or restricted by donors for use for capital assets, and revenues and expenses that result from financing and investing activities are recorded as non-operating revenues.

Reclassification

Certain prior year amounts have been reclassified to conform to current year presentations.

2. TRANSACTIONS WITH IOWA STATE UNIVERSITY

The Station received general appropriations from the University to help support the cost of operations. General appropriations awarded to the Station were \$0 and \$251,619 for the years ended June 30, 2021 and 2020, respectively.

The Station receives indirect support from the University, which consists of allocated institutional support, physical plant and office and studio occupancy costs incurred by the University for which the Station received benefits. The value of the indirect support is computed using the valuation method currently advocated by the Corporation for Public Broadcasting, which approximates fair value. The value of the indirect support totaled \$337,034 and \$327,080 for the years ended June 30, 2021 and 2020, respectively.

Program underwriting from various University departments totaled \$40,297 and \$47,030 for the years ended

June 30, 2021 and 2020, respectively.

Financial statements for Iowa State University can be obtained from the Controller's Department, Iowa State University, 1640 Administrative Services Building, 2221 Wanda Daley Drive, Ames, IA 50011-1004 or from the University's website at www.iastate.edu.

3. TRANSACTIONS WITH IOWA PUBLIC RADIO, INC.

The Board of Regents established IPR to manage the day-to-day operations including management, programming and technical support of the public radio stations at the three Regents' universities. In addition to the Station, IPR manages the operations of the WSUI Radio Group ("WSUI") owned by the University of Iowa and the KUNI Radio Group ("KUNI") owned by the University of Northern Iowa. IPR is governed by a board of directors consisting of eighteen appointees including one licensee director appointed by the president of each university.

IPR engages in fundraising and underwriting campaigns on behalf of the Station through the use of on-air, online and direct mail fundraising appeals. As a result of its fundraising efforts, IPR distributes revenue in the form of cash contributions and payment of expenses for the direct benefit of the Station.

IPR receives a state appropriation through the Board of Regents. A portion of the appropriation is included when IPR distributes revenue in the form of payment of expenses for the direct benefit of the Station.

The following summarizes the distributions from IPR for the year ended June 30, 2021:

	Cash Contributions	Payment of Direct Expenses	Total
Memberships and fundraising campaigns	\$ 470,000	\$ 1,119,580	\$ 1,589,580
Program underwriting	-	492,180	492,180
State appropriation	-	115,223	115,223
	<u>\$ 470,000</u>	<u>\$ 1,726,983</u>	<u>\$ 2,196,983</u>

The following summarizes the distributions from IPR for the year ended June 30, 2020:

	Cash Contributions	Payment of Direct Expenses	Total
Memberships and fundraising campaigns	\$ 598,381	\$ 979,572	\$ 1,577,953
Program underwriting	-	570,538	570,538
State appropriation	-	116,883	116,883
	<u>\$ 598,381</u>	<u>\$ 1,666,993</u>	<u>\$ 2,265,374</u>

Financial statements for Iowa Public Radio, Inc. can be obtained from Iowa Public Radio at 2111 Grand Avenue, Suite 100, Des Moines, IA 50312 or from IPR's website at www.iowapublicradio.org.

4. THE CORPORATION FOR PUBLIC BROADCASTING

The Corporation for Public Broadcasting ("CPB") is a private, not-for-profit corporation created by Congress in 1967. As the steward of the federal government's investment in public broadcasting, the CPB helps to support the operations of more than 1,500 locally owned and locally operated public television and radio stations nationwide.

Annually, qualified public broadcasting entities are eligible to receive a Community Service Grant ("CSG") distributed by the CPB. These grants are used to augment the financial resources of public broadcasting entities and thereby enhance the quality of programming and expand the scope of public broadcasting services. Each CSG may be expended over one or two federal fiscal years as described in the Communications Act of 1934, 47 United States Code Annotated, Section 396(k)(7). In any event, each grant must be expended within two years of the initial grant authorization.

According to the Communications Act of 1934, funds may be used at the discretion of recipients for purposes related primarily to production and acquisition of programming. In addition, recipients may use the funds to sustain programs initiated with CSG awards from prior years.

Certain provisions must be satisfied in connection with application for and use of the funds to maintain eligibility and meet compliance requirements. These provisions pertain to open meetings, open records, community advisory boards, record keeping and audit requirements, and licensee status with the FCC.

The CSG funds are reported on the financial statements as increases in temporarily restricted net position when the Station receives the grant. Upon satisfaction of the time and purpose restrictions, the funds are reported as a release from temporarily restricted net position and an increase in unrestricted net position.

The Station received \$252,001 and \$112,136 for the years ended June 30, 2021 and 2020, respectively, in stabilization funding from the CPB as part of the RESCUE and CARES acts to prevent, prepare for, and respond to COVID-19. These funds have no expenditure period and are unrestricted funds intended to be used as needed to sustain operations and services.

Funds received and expended from the Corporation for Public Broadcasting during the reported years include:

Year of Grant	Grants Received	Expended		Uncommitted Balance at 6/30/2021
		2020	2021	
2020	\$ 257,409	\$ 257,409	\$ -	\$ -
2020	112,136	-	112,136	-
2021	254,417	-	228,387	26,030
2021	252,001	-	-	252,001

5. CASH, CASH EQUIVALENTS AND INVESTMENTS

Cash and cash equivalents of the Station are held by the University and the Foundation and consist of unrestricted cash on hand, in checking, savings, and money market accounts, and highly liquid investments with original maturities of less than three months. Cash equivalents are readily convertible to known amounts of cash.

The Foundation, and its agents, hold the Station's investments and are uninsured and unregistered securities not held in the Station's name. The Foundation has various investment pools from which the Station may allocate investments. The Station's investment policy is to invest in the long term pool, a higher risk, higher return portfolio, which consists of 92% equities and 8% fixed income instruments.

The investment pool is reported at cost plus realized and unrealized earnings, which approximates fair value at June 30, 2021 and 2020. The investment composition as of June 30, 2021 and 2020 is as follows:

	<u>2021</u>	<u>2020</u>
Investments		
Bonds and notes	\$ 11,314	\$ 11,698
Equities	130,106	94,643
Total investments	<u>\$ 141,420</u>	<u>\$ 106,341</u>

Investment return for the years ended June 30, 2021 and 2020 is summarized as follows:

	<u>2021</u>	<u>2020</u>
Investment return		
Dividends and interest	\$ 4,325	\$ 4,226
Net realized and unrealized gains (losses)	35,079	(4,949)
Total investment return	<u>\$ 39,404</u>	<u>\$ (723)</u>

The Station's cash and cash equivalents and investments are subject to the following risks:

Interest Rate Risk

Interest rate risk is the risk that changes in interest rates will adversely affect the fair value of an investment.

Credit Risk

Credit risk is the risk that an issuer or other counterparty to an investment will not fulfill its obligations. The Foundation manages credit risk by diversification to multiple counterparties.

Concentration of Credit Risk

Concentration of credit risk is the risk of loss attributed to the magnitude of an investment in a single issuer. As of June 30, 2021, the Station's cash and cash equivalents were highly concentrated in University and Foundation cash accounts and the investments were highly concentrated in the Foundation's investments.

Custodial Credit Risk

Custodial credit risk is the risk that in the event of failure of a depository financial institution, the Station may not be able to recover deposits or collateral securities. As of June 30, 2021 and 2020, the carrying amount of deposits with the University totaled \$279,828 and \$113,933, respectively. The cash accounts of the University are FDIC insured or covered by the State of Iowa Sinking Fund.

The Station's investments held by the Foundation are held by a number of custodians. As of June 30, 2021 and 2020, the carrying amount of deposits with the Foundation totaled \$248,336 and \$267,084, respectively. The Foundation maintains deposits in various financial institutions. Deposits in excess of the Federal Deposit Insurance Corporation ("FDIC") insured limit per bank are swept into a collateralized overnight repurchase account with the same institution, eliminating the risk of uninsured cash balance. Therefore, there were no uncollateralized amounts in excess of the FDIC insured limit as of June 30, 2021 or 2020. The Foundation has not experienced any losses in such accounts and Foundation management believes it is not exposed to any significant credit risk.

Financial statements for the Foundation can be obtained from the Iowa State University Foundation at 2505 University Boulevard, Ames, IA 50010.

6. CAPITAL ASSETS

A summary of capital assets at June 30, 2021 is as follows:

	June 30, 2020	Additions	Reductions	June 30, 2021
Non-depreciable capital assets:				
Broadcast licenses	\$ 1,747,531	\$ -	\$ -	\$ 1,747,531
Digital licenses	15,000	-	-	15,000
Total non-depreciable capital assets	1,762,531	-	-	1,762,531
Depreciable capital assets:				
Transmitter, antenna and tower	4,092,422	30,702	-	4,123,124
Studio	461,934	-	-	461,934
Office furniture and equipment	28,590	-	-	28,590
Total depreciable capital assets	4,582,946	30,702	-	4,613,648
Less accumulated depreciation:				
Transmitter, antenna and tower	3,249,329	153,514	-	3,402,843
Studio	228,861	6,383	-	235,244
Office furniture and equipment	27,500	841	-	28,341
Total accumulated depreciation	3,505,690	160,738	-	3,666,428
Net depreciable assets	1,077,256	(130,036)	-	947,220
Net investment in capital assets	\$ 2,839,787	\$ (130,036)	\$ -	\$ 2,709,751

A summary of capital assets at June 30, 2020 was as follows:

	June 30, 2019	Additions	Reductions	June 30, 2020
Non-depreciable capital assets:				
Broadcast licenses	\$ 1,747,531	\$ -	\$ -	\$ 1,747,531
Digital licenses	15,000	-	-	15,000
Total non-depreciable capital assets	1,762,531	-	-	1,762,531
Depreciable capital assets:				
Transmitter, antenna and tower	4,068,098	34,995	10,671	4,092,422
Studio	461,934	-	-	461,934
Office furniture and equipment	28,590	-	-	28,590
Total depreciable capital assets	4,558,622	34,995	10,671	4,582,946
Less accumulated depreciation:				
Transmitter, antenna and tower	3,104,058	155,754	10,483	3,249,329
Studio	222,478	6,383	-	228,861
Office furniture and equipment	25,976	1,524	-	27,500
Total accumulated depreciation	3,352,512	163,661	10,483	3,505,690
Net depreciable assets	1,206,110	(128,666)	188	1,077,256
Net investment in capital assets	\$ 2,968,641	\$ (128,666)	\$ 188	\$ 2,839,787

7. COMPENSATED ABSENCES

Employees of the Station are paid through the state universities. University employees accumulate vacation and sick leave under the provisions of Chapter 79 and 262 of the Code of Iowa, and it is the policy of the State to liquidate these accrued benefits under specific circumstances. Accrued vacation is paid at 100% of the

employees' hourly rate upon retirement, death or termination and accrued sick leave is paid at 100% of the hourly rate up to a maximum of \$2,000 upon retirement. As of June 30, 2021 and 2020, the amount to liquidate accrued vacation and sick leave amounts totaled \$12,753 and \$10,512, respectively.

8. LEASE COMMITMENTS

The University has entered into the following operating leases on behalf of the Station:

1. A non-cancellable lease with Carroll Broadcasting Company to affix a radio transmission antenna on their tower for KNSC with annual rent payments of \$4,800, plus utilities. Rent totaled \$4,800 for each of the years ended June 30, 2021 and 2020. Utilities totaled \$13,170 and \$12,701 for the years ended June 30, 2021 and 2020, respectively.
2. A non-cancellable lease with Iowa Public Broadcasting Board to affix a radio transmission antenna on their tower for KNSK with rent payments increasing 3% annually, plus utilities. Rent totaled \$23,133 and \$22,460 for the years ended June 30, 2021 and 2020, respectively. Utilities totaled \$42,442 and \$40,541 for the years ended June 30, 2021 and 2020, respectively.
3. A year-to-year lease with Peter Woltz to affix a radio transmission antenna on his tower for KNSL. Rent totaled \$1,791 and \$1,752 for each of the years ended June 30, 2021 and 2020, respectively. Utilities totaled \$38,085 and \$41,355 for the years ended June 30, 2021 and 2020, respectively.
4. A non-cancellable lease with Donald S. or Judy L. Huntrods Revocable Trust to lease ground space for the purpose of operating a radio broadcast tower facility and transmitter building for KICP with rent payments increasing 2.4% annually, plus utilities. Rent totaled \$12,175 and \$11,890 for the years ended June 30, 2021 and 2020, respectively. Utilities totaled \$42,594 and \$44,046 for the years ended June 30, 2021 and 2020, respectively.
5. A non-cancellable lease with American Tower Co to affix a radio transmission antenna on their tower for KICG with rent payments increasing 3.0% annually, plus utilities. Rent totaled \$7,545 and \$7,325 for the years ended June 30, 2021 and 2020, respectively. Utilities totaled \$28,291 and \$27,275 for the years ended June 30, 2021 and 2020, respectively.
6. A non-cancellable lease with SBA Steel II, LLC to affix a radio transmission antenna on their tower for KICL with rent payments increasing 3.0% annually, plus utilities. Rent totaled \$18,391 and \$17,855 for the years ended June 30, 2021 and 2020. Utilities totaled \$7,200 and \$6,961 for the years ended June 30, 2021 and 2020.

Future minimum lease payments under all non-cancellable operating leases for the next five years and in aggregate are as follows:

<u>Year Ending June 30,</u>	<u>Amount</u>
2022	\$ 55,056
2023	40,066
2024	38,351
2025	26,037
2026	26,818
2027	27,622
	<u>\$ 213,950</u>

9. EMPLOYEE BENEFITS AND RETIREMENT PLAN

Station personnel who are employees of the University are entitled to University fringe benefit programs. This includes participation in retirement plans through the University.

Teachers Insurance and Annuity Association

The University contributes to the Teachers Insurance and Annuity Association ("TIAA") retirement program, which is a defined contribution plan. TIAA administers the retirement plan for the University. The defined contribution retirement plan provides individual annuities for each plan participant. The Board of Regents establishes and amends the plan's provision and contribution requirements. As required by the Board of Regent's policy, all eligible University employees must participate in a retirement plan from the date they are employed. Contributions made by both employer and employee vest immediately. As specified by the contract with TIAA for the years 2021 and 2020, each employee through the fifth year of employment contributed 3 1/3% of the first \$4,800 of earnings and 5% on the balance of earnings. The University, through the fifth year of employment, contributed 6 2/3% of the first \$4,800 of earnings and 10% on earnings above the \$4,800. Upon completion of five years of service, the participant contributed 5% and the University contributed 10% on all earnings.

The Station's share of employer contributions to TIAA is included in salaries, wages and benefits expense for the years ended June 30, 2021 and 2020. The Station's contributions are funded on a monthly basis therefore no liability has been recognized as of June 30, 2021 and 2020, respectively.

10. RISK MANAGEMENT

The Station is exposed to various risks of loss related to property loss, liability under tort, theft, damage to or the destruction of assets, errors and omissions, injuries to employees and natural disasters. These risks are subject to the same insurance coverage as the University, which includes catastrophic property insurance, self-insured liability losses and limited motor vehicle liability coverage. The COVID-19 outbreak of 2020 has caused business disruption. As COVID-19 continues, the related long-term financial impact and duration cannot be reasonably estimated at this time.

11. NON-FEDERAL FINANCIAL SUPPORT

The Corporation for Public Broadcasting allocates a portion of its funds annually to public broadcasting entities, primarily based on non-federal financial support ("NFFS"). NFFS is defined as the total value of cash and the fair market value of property and services received either as a contribution or a payment which meets specific criteria as to recipient, form, source and purpose.

A "contribution" is an unconditional transfer of cash or other assets given to a public broadcasting entity for general operating purposes. Support received as a contribution by a public broadcasting entity must meet the following criteria to be included as NFFS: (1) the recipient must be a public broadcasting entity on behalf of a public broadcasting station; (2) the contribution must take the form of a gift, grant, bequest, donation or appropriation; (3) the source must be an entity including state and local government agencies, not-for-profit organizations and foundations, for-profit entities or individuals and excluding the Federal government or other public broadcasting entities; and (4) the purpose must be for the construction or operation of a non-commercial, educational public broadcast station or for the production, acquisition, distribution or dissemination of educational radio programs and related activities.

The "payment" is a reciprocal transfer of cash or other assets in which each party receives and sacrifices approximately equal value. Support received as a payment by a public broadcasting entity must meet the following criteria to be included as NFFS: (1) the recipient must be a public broadcasting entity on behalf of a public broadcasting station; (2) the payment must take the form of an appropriation or contract payment in

exchange for specific materials or services related to public broadcasting; (3) the source must be an entity including state and local government agencies and educational institutions or organizations; and (4) the purpose must be for materials or services with respect to the provision of educational or instructional radio programs.

12. OTHER MATTERS

Iowa Public Radio entered into a letter of intent dated October 1, 2020 with the Board of Regents, State of Iowa, to pursue a possible transfer of the FCC licenses and certain assets related to the radio operations owned by the Station, the University of Northern Iowa and the University of Iowa.

13. SUBSEQUENT EVENTS

The Station has evaluated events and transactions for possible adjustment or disclosure through December 20, 2021, which is the date the financial statements were available to be issued.

At the date of this report, the Station does not have any outstanding construction commitments.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL
OVER FINANCIAL REPORTING AND ON COMPLIANCE AND
OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL
STATEMENTS PERFORMED IN ACCORDANCE WITH
GOVERNMENT AUDITING STANDARDS

Ms. Kris Riley, Controller
Iowa State University
Ames, Iowa

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of WOI – AM/FM (the "Station"), which comprise the statement of net position as of June 30, 2021, and the related statements of revenues and the changes in its net position and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated December 20, 2021.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Station's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Station's internal control. Accordingly, we do not express an opinion on the effectiveness of the Station's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Station's financial statements will not be prevented, or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Station's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Station's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Station's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
