Florida gas prices are declining again after jumping 13 cents early last week. Governor Ron DeSantis has signed the parental rights in education…which critics call the “Don’t Say Gay” bill…into law. It prohibits discussions regarding sexual orientation and gender identity through the 3rd grade, and restricts such discourse through the 12th grade. First responders employed by local governments will receive a one-thousand dollar ($1,000) bonus for the second straight year.

Federal Funding has made COVID-19 vaccines free. But that money is running out. Florida gas prices are declining again after jumping 13 cents early last week. Florida gas prices are declining again after jumping 13 cents early last week.

Amid continued calls to cut financial ties with Russia, the agency overseeing Florida’s pension fund is taking a measured approach.

Governor Ron DeSantis held a press conference at a Spring Hill school last week to sign a bill that prohibits instruction on sexual orientation and gender identity through the 12th grade. This week, Governor Ron DeSantis vetoed two different redistricting maps drafted by the state legislature.

A new survey gauging intellectual and academic freedom is causing controversy on Florida university and college campuses. WUSF’s Violet Comber-Wilen [COMB-ur WHY-lin] has more on the university's approach.

Jury selection in the deadliest U.S. mass shooting ever to go to trial has begun in Fort Lauderdale. Scott Wacholder

President Joe Biden has announced executive action on so-called ‘ghost guns.’

State Senator Jeff Brandes (BRAND-ess) tweeted MONDAY that he has more than enough responses from lawmakers to get the bill rolling on a special session to address rising home insurance rates.

A three-judge panel has declined the state’s request to put a hold on a federal lawsuit that seeks to have the court draw new congressional district lines, and have scheduled a trial for mid-May.

The Supreme Court last week reinstated a Trump Administration rule that makes it harder for tribes and states like Florida to object to building over wetlands.

The confirmation of Kentanji Brown Jackson to the U.S. Supreme Court is a first, and it holds extra significance to women of color who practice law. WUSF spoke about this historic moment with Florida St

After nearly seven years of legal battling, a Leon County circuit judge has approved a 24-hour waiting period. But some say it does not do enough to compensate longtime teachers.

On the next Florida Matters, we take a walking tour of a Tampa Bay History Center exhibit highlighting the Cuba-Tampa connection.

Governor Ron DeSantis is voicing support for St. Petersburg Republican Senator Jeff Brandes’ call for a special legislative session to address rising property insurance premiums.

Governor Ron Desantis signed a bill supporting fatherhood into effect today [Monday].

The state of Florida is taking on one of the largest pharmacy chains in the country in a trial over whether Walgreens contributed to the opioid epidemic.

Florida to object to building over wetlands

Florida is experiencing an outbreak of meningococcal [men-IN-go-COCK-al] disease.

A trial between Florida and Walgreens is underway in Pasco County. State officials accuse the pharmacy chain of knowingly fueling the opioid crisis. Other pharmacies including CVS have agreed to pay Florida a combined 870 million dollars as part of their settlement in the opioid lawsuit.

**Notes:**
- The Biden administration is asking a judge to toss out a lawsuit filed by the state of Florida over the release of undocumented immigrants.
- Governor Ron DeSantis has signed a 15-week abortion ban into law.
- Hillsborough County School district officials met Tuesday to discuss a potential new property tax referendum.
- First-time unemployment claims in Florida last week hit a number not seen since the end of January, but the state continues to have a level of claims similar to before the start of the COVID-19 pandemic.
- Democratic gubernatorial candidates have latched on to rising housing costs this week to draw a contrast with Governor Ron DeSantis.
- The lead child welfare agency in Pasco and Pinellas counties says a new law Governor Ron DeSantis signed this week could help address a shortage of foster care homes in the region.
- A Florida woman described as a bookkeeper for international “child modeling” websites that sexually exploited young Eastern European children has been sentenced to more than 12 years in prison.
- Sea urchins are dying across the Caribbean at a pace scientists say could rival a mass die-off that last occurred in 1983.
A significant sewage spill in north Tampa has seeped into a preserve owned by the University of South Florida.

The Florida Legislature will meet in a special session starting Tuesday to re-draw political boundaries after Governor Ron DeSantis vetoed earlier congressional maps. The regular Florida legislative session ended in March without a bill that would create a statewide standard for ensuring that residential buildings are safe to live in.

Thousands of flights were delayed or canceled around the state because of bad weather earlier this month. A recent survey has some interesting findings when it comes to Floridians' opinions on the U.S. response to the Russian invasion of Ukraine. A survey was conducted to gauge public sentiment on key aspects of the conflict.

A Tampa Christian school is appealing a federal judge's ruling that backed a decision by the Florida High School Athletic Association to prevent a prayer over a stadium loudspeaker before a 2015 state championship football game.

The lead child welfare agency in Pasco and Pinellas counties says a new law Governor Ron DeSantis signed this week could help address a shortage of foster care homes in the region.

The Florida Legislature will begin a redistricting special session for U.S. House seats tomorrow [Tuesday] after Governor Ron DeSantis vetoed earlier congressional maps. An attempt to spur a special legislative session on the troubled property-insurance system is drawing some support, but has few Republican backers.

Jury selection in the Parkland school shooter trial is going slower than expected. A judge has eliminated more than 5,000 potential jurors, and only about 200 remain.

A recent survey has some interesting findings when it comes to Floridians' opinions on the U.S. response to the Russian invasion of Ukraine. A recent survey was conducted to gauge public sentiment on key aspects of the conflict, with respondents providing insights on various issues related to the invasion.

The Florida Legislature will meet in a special session starting tomorrow [Tuesday] to re-draw political boundaries for U.S. House districts after Governor Ron DeSantis vetoed earlier versions.
