

# KBBI Equipment Rental Rates

3/1/22

Equipment rented by the production day. Equipment is picked up from 3-5PM the day before production and returned by 11AM the day after production.

Rental available to anyone who has completed KBBI's Volunteer Producer Program, and is considered to be a Volunteer Producer in good standing.

Rental only available to non-Volunteer Producers with an accompanying engineer on the staff of KBBI, at an additional rate of \$100/hr, 2 hour minimum.

Microphones are supplied with one cable. Various lengths are available.
