

If everything was
ALIVE!

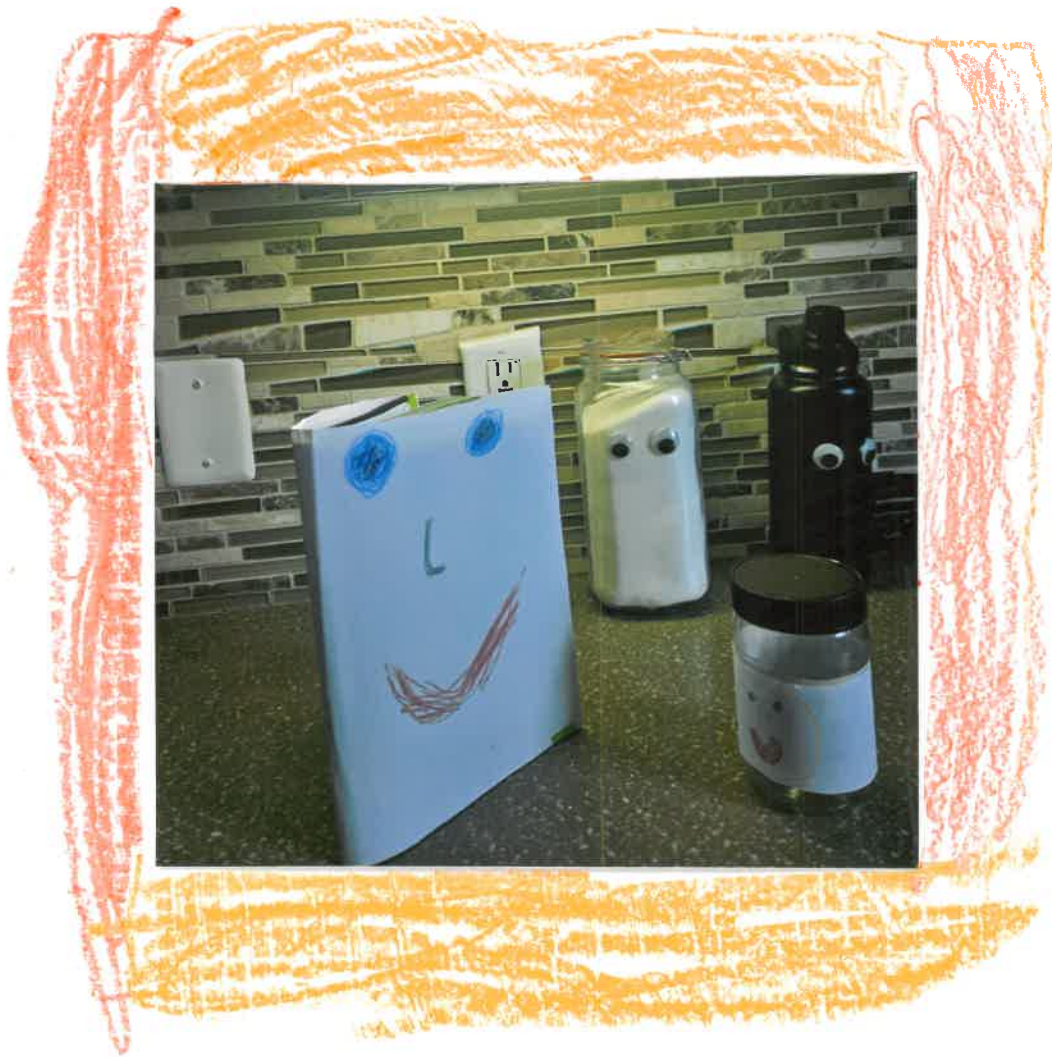

BYE!

What if every-
thing was alive?
It would be a crazy world.

Once there was a Book.
He was talking to
Jer.

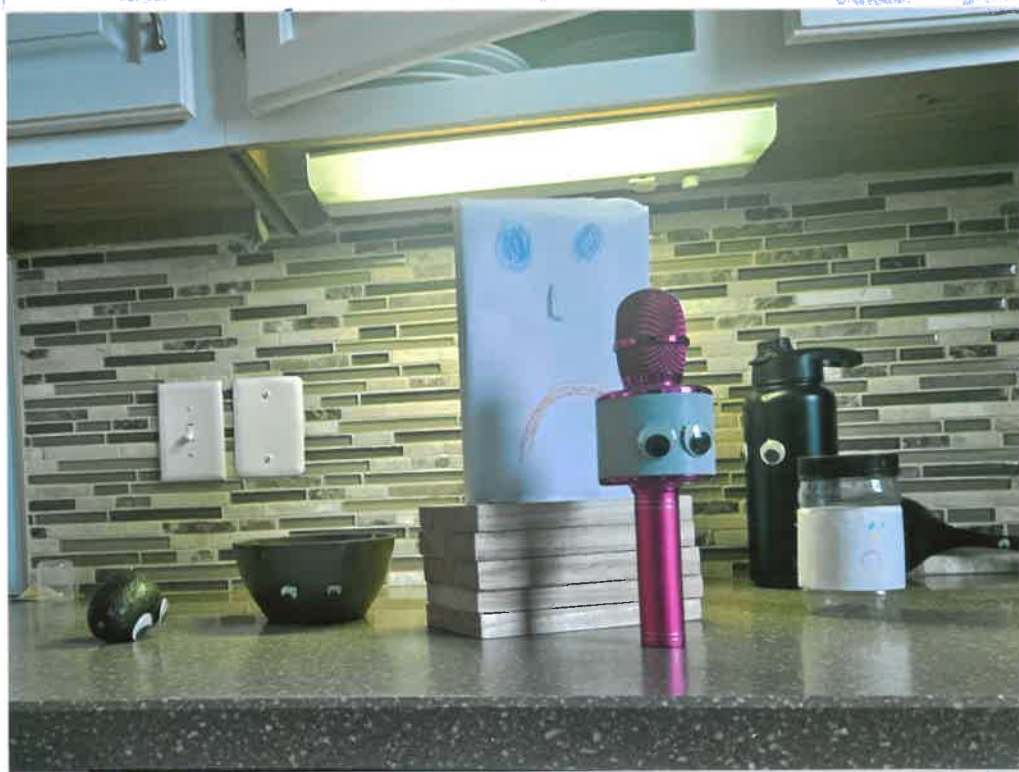

// I can not hear myself because
everyone is talking. So Book
started yelling to Jar. It
did not work because
things can not hear each other!

It Was too loud.

So Book got his
micrP hone
PoKit and out of his
Quiet So I can hear
my Self talking when I
am talking to Ja'!

And it Worked!
It Would be
Chaos if everything
were alive.
