Ok, spoke to Karen in Dean's office...she says Dean will be spending the night with Jeffrey on the island, Sat April 13 and departing on Sun April 14 (don't know time of departure)...Dean is giving a friend a lift from Boca Raton to STT...Karen is not sure if this guy will be accompanying Dean to JE's island or if he is merely catching a flight with Dean to get to STT for his own personal reasons...I suppose it is possible this guy could go with Dean and need his own room so be ready just in case.
