

## **Career Presentation: Child and Adolescent Therapist**

Directions: In small groups or pairs, research and present on one (1) of the environments in which a Child and Adolescent Therapist can work: Schools and Educational Settings, Private Practice, Hospitals and Clinics, Residential Treatment Centers, Child protective services or family services agencies, Juvenile justice facilities, Domestic violence shelters, Teletherapy Platforms. Be informative, creative, and persuasive, while also being mindful of your public speaking skills.

This project will be graded using the Career Presentation Rubric. At least five (5) minutes should be spent presenting on this topic using at least one visual aid.

Use the following questions to guide your research and presentation.

- 1) What are the main duties of a Child and Adolescent Therapist?
- 2) What tools does a Child and Adolescent Therapist use to do his/her job?
- 3) What education is required to be a Child and Adolescent Therapist? Be specific.
- 4) What important skills are required in order to be a Child and Adolescent Therapist?
- 5) What are some interesting aspects of this specialty?
- 6) What are some challenging aspects of this specialty?
- 7) Why is a Child and Adolescent Therapist so important for the health of our community?
- 8) What do you respect most about the Child and Adolescent Therapist?
- 9) What is the average salary of a Child and Adolescent Therapist?
- 10) What are the typical work day requirements of a Child and Adolescent Therapist?
- 11) What are the typical working hours of a Child and Adolescent Therapist?
