We're looking for voices for our audio diary on both topics. If you have any to share from your experience of wearing face masks in one hour and the realities of unemployment in the other.

Our COVID-19 talk show seeks voices for audio diaries in Spanish. NHPR announced this on their Spanish site with a link.

We now have a page featuring "Voices of the Pandemic" around public media. We're Engaged!

Register for our Friday webinar!

TODAY'S TIP:

Get more of us on social!

Register for our Friday webinar! Our reporters either live in these communities or will continue to engage and listen to them. By using voice memos, sending soundbites, or creating audio stories, you can add to the rich tapestry of reporting across the country.

Looking for inspiration? Our "Voices of the Pandemic" page features stories from across the country by our reporters. With a simple list of resources provided by our reporters, you can start listening to the stories of the pandemic and find inspiration for your own reporting.

TODAY'S TIP:
