Are Seeds Alive?

BIG QUESTION: What is it in seeds that makes plants grow? - Rishab, 8

Think about places you might plant seeds. In your drawing or story, remember to include details about your seeds along with the conditions that they might need to grow?

Ask an expert. Who?

Find a safe source. Where?

What will you ask?

But Why is a podcast led by you, kids! It's a big interesting world out there. Kids all over the world send us questions, and we find the answers. We’ve created these learning guides to be used in a classroom setting or at home. Listen to each episode and use this guide to deepen your understanding of what you’ve heard.
