Gods of Tennis

Begins Tuesday, July 23, at 9:00 pm

A new 3-part series relives matches of some of the greatest tennis players who elevated the sport on the court while breaking barriers away from it. Framed through the world-famous Wimbledon tournament, these incredible athletes changed the sport and drove significant change away from the tennis courts. The series begins in 1975 when Billie Jean King and Arthur Ashe fought to become Wimbledon champions, and in their own ways, they also battled social change for equality on a global level. In 1980 and ’81, Bjorn Borg and John McEnroe brought glamour and celebrity to what many consider the fiercest rivalry in men’s tennis history. In the last hour, Martina Navratilova dominated Wimbledon in 1990, yet struggled to be as adored as her rival, Chris Evert.

Experience, Volume 18, Issue 1, is published monthly by the Maine Public Broadcasting Corporation, doing business as Maine Public, a non-profit corporation, founded by the University of Maine System and Colby, Bates and Bowdoin Colleges. It is published at 63 Texas Avenue, Bangor, Maine 04401-4324. A membership in Maine Public is $35 or more annually, of which $6 is designated for subscription of 12 issues of Experience. Printed by Alliance Press. Printed on Sappi Somerset Gloss, 70# Text, manufactured in Skowhegan, Maine, with soy oil based color inks.
Take in a show in Portsmouth

Maine Public is very pleased to be a Media Sponsor of *Legally Blonde The Musical* taking place this summer at Prescott Park and 105 Marcy Street in Portsmouth, New Hampshire. Harvard’s beloved blonde takes the Wilcox Main Stage by pink storm in this fun, upbeat story of self-discovery. A fabulously fun award-winning musical based on the adored movie, *Legally Blonde The Musical* follows the transformation of Elle Woods as she tackles stereotypes and scandal in pursuit of her dreams.

*Legally Blonde* opened Friday, June 21, and is running most Thursdays to Sundays through Sunday, August 11. Dates and times are subject to change. All performances of *Legally Blonde The Musical* have an optional, recommended donation of $8. Tables in the VIP Seating Area can be reserved, in addition to limited blanket reservations, in front of the Wilcox Main Stage. Call their box office to reserve your seats at 603-436-2848.

**Funny Girl** at the Maine State Music Theatre

Maine State Music Theatre’s production of *Funny Girl* runs through July 13 and promises to be an exceptional show! Performances are at the Pickard Theater on Bowdoin’s campus in Brunswick. Maine Public members do receive a special discount. Go to Maine Public’s website, mainepublic.org, and click on the Community tab for all the details including a “Behind the Scenes” preview with Curt Dale Clark, MSMT’s Artistic Director. *Funny Girl* is a must-see experience. In the Ziegfeld Follies, in Hollywood films, and on the radio, Fanny Brice was one of the most celebrated entertainers of her time. With humor, talent, and chutzpah, young Fanny, an awkward girl who “isn’t pretty,” defies the odds and becomes one of the greatest stars of her generation. Fanny’s rise to super-stardom and her turbulent romance with gambler Nick Arnstein are explored through Bob Merrill and Jule Styne’s unforgettable score, which includes “People,” “Don’t Rain on My Parade,” “I’m the Greatest Star,” “The Music That Makes Me Dance,” and “You Are Woman, I Am Man.” We hope to see you there!

It’s Maine International Film Festival time!

The 2024 *Maine International Film Festival* (MIFF) is ON!, and once again, Maine Public is excited to be a Media Sponsor of this seminal event. MIFF showcases the best of American and international cinema with world premieres, classic revivals, inspiring performances, and exhibitions. MIFF highlights some of Maine and New England’s most innovative filmmakers. Running from July 12 to July 21, 100 films will be featured over 10 days. The festival is held at two wonderful venues in Waterville: the Maine Film Center and the Waterville Opera House. Maine Public members do receive a special discount when tickets are reserved online. Go to Maine Public’s website, mainepublic.org, and click on the Community tab for all the details.

Maine Public’s instrument drive powers on!

We are now in the second month of our annual instrument drive, and the number of donations that came in during June was inspiring! Cellos, flutes, and tubas have led the way so far! But we need more! This is Maine Public’s 7th instrument drive, and each year we turn these instruments around and get them into the hands of students across Maine. Purchasing or even renting an instrument is a tall order for many families, and we hope our instrument drive makes a difference in the lives of aspiring performers. Once again, we’ve partnered with Music and Magic in this endeavor. You will find drop-off bins set up in the foyers of each of our studios and they are accessible during regular business hours. These drop-off locations are: 323 Marginal Way in Portland, 1450 Lisbon Street in Lewiston, and 63 Texas Avenue in Bangor. Every type of musical instrument is accepted, except for pianos and large drum sets. Donation forms are available at each location that you can use to self-report your donation and its value for tax purposes.
Sea Change
A NOVA Special Examines the Gulf of Maine
Wednesdays, July 24-August 7, 9:00 pm

A SPECTACULAR PLACE, the Gulf of Maine is 7,500 miles long and as much as a thousand feet deep, a marine treasure of some 36,000 square miles. From the tip of Cape Cod to Nova Scotia, it courses with cold, nutrient-rich, deep-sea water, artfully mixed by the world’s biggest tides. This rich environment feeds a web of 3,000 species ranging from microscopic plankton to seals and massive right whales. Millions of people have lived along its rising edge, drawing their sustenance, fame, and fortune from its plentiful depths.

For all its storied bounty, and because of it, the Gulf is also in peril, its fish stocks now depleted to possibly irreversible levels. A new three-part series looks at the history of the Gulf, its current state, and its future.

A NOVA Special. Sea Change blends science, exploration, stunning natural history and stories of human experience past and future together providing a fascinating tale about a regional location with profound global implications. Scientists, Native Americans, fishers, and entrepreneurs are all working to reveal its complex history, in understanding what role the ocean plays in our lives, that ocean health equals human health.

With the Gulf warming faster than 99 percent of the global ocean, wildlife and people are adapting to rapid change. What happens here, for the animals in the water, for the jobs dependent upon it and for the millions of people along its shores, is likely to happen worldwide. We are at a crossroads for the future of the Gulf – and our oceans. Does it retain enough of its biodiversity and regenerative strength to weather the human-induced storm?

The first episode of Sea Change (July 24) explains how the bounty in the Gulf was forever affected by European settlers and how wildlife and people adapted to its changes. In the second hour (July 31), scientists investigate how the Gulf came to be and how its cold waters, unique tides, and even geologic shape powers a web of thousands of species. The last episode (August 7) explores the future of the Gulf. Indigenous peoples and scholars practice climate resilience and adaptation, scientists track developments, and entrepreneurs find new ways to make a living from the sea. (All photos: ©Brian Skerry.)

Is There Anybody Out There?
airs on POV, Monday, July 8, at 10:00 p.m. Born with a rare disability, filmmaker Ella Glendining wonders if there is anyone who can share the experience of living in a body like hers. This simple question leads her on an unexpected journey of discovery. (Credit: Annemarie Lean-Vercoe.)
What is your My ME Place?

Perhaps you haven’t heard, but Maine Public is holding a fun summer campaign centered around you and your love of Maine! We are asking people to share their favorite summertime spots to explore, and we are posting these recommendations up on our website, mainepublic.org, for others to peruse as they plan their own Maine adventures.

And every recommendation made counts as an entry into a drawing to score two E-Bikes compliments of Gorham Bike and Ski! How can you participate? It takes a few steps, but they are super easy.

Download the free Maine Public VoxPop App (from the Apple App Store or Google Play) and follow the simple prompts. Then, in a 45-second or less soundbite, share the name of your favorite place, the town it’s in, and why your place is a must-go destination!

My ME Place is made possible through the generous support of major sponsor the Maine Office of Tourism and our presenting sponsors, The Nature Conservancy in Maine and Gorham Bike and Ski. Special thanks to the Maine Turnpike Authority for their help with this campaign.

July Maine Public Book Club Selection

Next up for our book club is a really interesting work centered around the town of Lewiston and the changes taking place there with the arrival of some 6,000 Somali immigrants. Home Now: How 6000 Refugees Transformed an American Town by Cynthia “CB” Anderson tells the story of a resilient community grappling with change and thriving in a new era.

Host Bill Nemitz will virtually meet with the author on Thursday, July 25, at 7:00 p.m. on Maine Public’s YouTube Channel. If you have a question or two for the author, send us a note to fun@mainepublic.org or call our Audience Services Team at 1-800-884-1717. You can pick up a copy of July’s selection at any Bull Moose location or at any of our bookstore partner spots listed on our website, mainepublic.org. Thanks to our two Maine Public Book Club sponsors – Bull Moose and Coffee by Design – for their support of the club!

Tee off on Maine Public!

All right… we know it’s a bit far-fetched, but what tops this idea as a way to get out the message that Maine Public should be your first thought when you are considering donating an unneeded car or truck? What are we talking about? We’ve placed three “wrecks” as targets at driving ranges across the state and created a game that golfers can play when aiming for one of our target vehicles. We are at Tabers on the Lake in Auburn, Poland Spring Resort in Poland, and Fogg Brook Resort in Palmyra. Each of these businesses has generously offered us up a patch of grass at their ranges – THANK YOU! – as we encourage golfers to consider there is a better use for their old car than be a target for high velocity golf balls… donate it to Maine Public! Proceeds from our vehicle donation program go a long way to helping Maine Public do the work we do each day. Can’t get to the range, BUT have a car or truck that deserves a better fate than being a driving range target? Call 877-672-6644 to get started (it’s a super easy process, we tow your vehicle away for free, and you may get a tax deduction!).
“Supporting Maine Public Classical in recognition of the valuable and lasting impact of the pleasure of classical music in Maine.”

John Wasileski, Owner – OceanView at Falmouth, Maine Public Classical’s Premier Sponsor
