TODAY'S TIP:

Add a new tab folder in Chrome to be more organized and you can have more than 27 tabs open in your browser.

1. Click the three dots in your browser.
2. Select “New Tab Folder.”
3. Click “New Tab Folder” again.
4. Enter a name for your folder.
5. Click “Done.”

You'll see an option for the new group (like a folder) to consolidate tabs.

How to shut up and listen in a meeting:

1. Listen to speakers before you talk.
2. Stay quiet in meetings.
3. Don't interrupt.
4. Ask questions before you answer.
5. Be silent unless asked to talk.

We’re Engaged!

She is right: The ultimate goal of engagement is not just the story but the nurturing and strengthening of a new relationship. It is a two-way street.

We believe that the cycle gets stronger with continued practice.

We are also developing handy guides and graphics, like this one on how we envision the community engagement cycle.

We will be updating our Community Engagement playbook and refreshing our website.
