Re: Alaskan Endorsement Tribe

Dear Ms. M. Peltola

The Organized Village of Kwethluk, Kwethluk Indian Reorganization Act Council, the governing body for the Kwethluk Yupik Tribe Supports and Endorses you as a candidate to fill the Alaska Congressional Seat previously held by the late Congressman Don Young.

The Kwethluk Yupik Tribe has ties to you through your mother who is originally from Kwethluk and its tribe. For a period of time, you also have resided in Kwethluk and understand the issues affecting small rural communities in Alaska in areas of Public Safety, Health and Social Services, Subsistence, among other important rural community issues.

You have, in previously held membership, in the Alaska State Legislature worked for the entire State of Alaska and your District in addressing and working on issues affecting everyone regardless of their party affiliation and ethnicity. Your representation to this region is always appreciated as you understand the issues we all face.

With that, the Kwethluk Indian Reorganization Act Council and the Organized Village of Kwethluk provides its Endorsement in your pursuit to fill the one and only Alaska Congressional Seat in the U. S. Congress.

Respectfully,

Boris L. Epchook, President
KIRAC, Organized Village of Kwethluk
