## Clint Black: Mostly Hits & the Mrs.

With 22 #1 career singles, 30 top 10 singles, nearly two dozen gold and platinum awards, a Grammy Award, and numerous other awards, Clint Black has had one of the most storied careers in modern

music. It has been three decades since the release of his debut album, *Killin' Time*, which cemented the country music icon as one of the truest traditionalists in the game.

In early 2022, the seemingly unstoppable legend was out on tour with his wife, Lisa Hartman Black, and his daughter, Lily Pearl, for the "Mostly Hits & the Mrs." Tour. Their appearance at the Johnny Mercer Theatre in Savannah, Georgia, was recorded on February 12, 2022.

**Clint Black: Mostly Hits & the Mrs.** will be broadcast on 3-2 Monday, the 6th at 7:00 p.m. and Saturday, the 11th at 7:00 p.m. It can be seen on 3-1 Saturday, the 4th at 8:30 p.m.

## Prince and the Revolution

On March 30, 1985, Syracuse, New York's Carrier Dome was the site of Prince's Purple Rain Tour performance that was beamed to millions live via satellite and captured for posterity as a Grammy Award-nominated concert film. It has since gone down in history as one of the most iconic live recordings in pop and rock history.

Now, for the first time, this powerful performance by **Prince and the Revolution** has been entirely remixed from the original 2" multi-track master reels. The program features smash hits from the seminal Prince albums *Purple Rain* and *1999*, including "Let's Go Crazy," "1999," "Little Red Corvette," "When Doves Cry," and a mind-bending version of "Purple Rain."

**Prince and the Revolution** can be seen on 3-2 Thursday, the 9th at 8:30 p.m. Watch it on 3-1 Sunday, the 5th at 8:30 p.m.

## The Doo Wop Project

Featuring stars of Broadway's smash hits *Jersey Boys* and *Motown: The Musical*, **The Doo Wop Project** brings unparalleled authenticity of sound and vocal excellence to recreate some of the greatest music in American pop and rock history.

From the classic sound of five guys singing tight harmonies to the biggest hits on the radio today, this epic concert takes audiences on a journey from groups like the Crests, The Belmonts, and Flamingos through their influences on the sounds of Smokey Robinson, The Temptations, and The Four Seasons, all the way to "DooWopified" versions of modern musicians like Jason Mraz and Garth Brooks.

**The Doo Wop Project** airs on 3-2 Saturday, the 4th at 7:00 p.m. and Sunday, the 12th at 8:30 p.m. It airs on 3-1 Tuesday, the 7th at 7:00 p.m. and Saturday, the 11th at 8:30 p.m.

## Hotel Portofino

Set in the breathtakingly beautiful resort of Portofino, **Hotel Portofino**, a six-part series, is a heady historical drama about a British family who establish a hotel for upper class travelers on the magical Italian Riviera during the 'Roaring 20s.' The Hotel has only been

open a few weeks, but already the problems are mounting for its proprietor and moving spirit, Bella Ainsworth (at left, Natascha McElhone): she's short of staff and ready money; her guests are demanding and hard-to-please; and she's being targeted by a corrupt local politician who threatens to drag her into the red-hot political cauldron of Mussolini's Italy.

The Hotel demands all of Bella's resources, energy and focus, but she's being pulled in other directions, as she tries to coax her son, Lucian, and her widowed daughter, Alice, towards health and happiness. And then there's Bella's aristocratic but caddish husband, Cecil, who's obsessed with finding the money to pay for his dilettante lifestyle. Over the course of several weeks in the summer of 1926, Bella will discover exactly how far he's prepared to go to secure his wealth and status.

**Hotel Portofino** airs on 3-2 Sundays at 7:00 p.m./10:00 p.m. beginning the 19th. It airs on 3-1 Sundays at 6:00 p.m. beginning the 19th and Mondays at 12:00 noon beginning the 20th.

## Brian Wilson: Long Promised Road

The principal originator of the "California sound," musician, singer, songwriter, record producer and co-founder of The Beach Boys, Brian Wilson is known for his novel approach to composition and recording, and is widely acknowledged as one of the most innovative and significant musicians of the 20th century.

**American Masters** "Brian Wilson: Long Promised Road" follows Wilson on a drive through Los Angeles with his longtime friend and *Rolling Stone* editor Jason Fine as they revisit the places that helped to shape his career. The filmed road trip features memorable concert and studio footage as well as interviews with Bruce Springsteen, Elton John, Nick Jonas, Jakob Dylan, and others.

Wilson's professional career began in 1961 and by the mid-1960s, he had written or co-written more than two dozen U.S. Top 40 hits, including the number-ones "Surf City" (1963), "I Get Around" (1964), "Help Me, Rhonda" (1965), and "Good Vibrations" (1966).

Wilson also shares intensely personal glimpses into his struggles with mental illness and drug abuse.

**American Masters** "Brian Wilson: Long Promised Road" airs on 3-2 Tuesday, the 14th at 8:00 p.m. and Sunday, the 19th at 1:00 p.m. Watch it on 3-1 Monday, the 20th at 7:00 p.m.

## AMERICAN MASTERS

## Paul Anka: His Hits and a Tribute to Frank Sinatra

Paul Anka burst on the American music scene in the late 1950s with a string of hits

that almost instantly made him internationally famous. As a teen in the 1960s, Anka became Las Vegas' youngest headliner and found acceptance with the Rat Pack. He honed his work ethic

following Sinatra's perfectionism and commitment to rehearsal. Sinatra tasked Anka with writing a song for Sinatra's final album before he retired, which led Anka to pen "My Way."

In March 2022, Anka returned to the stage to croon tunes honoring his greatest mentor and also songs from his latest album, *Making Memories*, plus greatest hits from across his career.

**Paul Anka: His Hits and a Tribute to Frank Sinatra** airs on 3-2 Saturday, the 4th at 8:30 p.m. and Sunday, the 12th at 7:00 p.m. It airs on 3-1 Sunday, the 5th at 2:00 p.m. and Saturday, the 11th at 7:00 p.m.

## David Bowie: Serious Moonlight

In 1983, David Bowie embarked on The Serious Moonlight Tour, a worldwide concert tour to support the release of his new album, *Let's Dance*. Selling over 2.6 million tickets for 96 performances in 15 countries, it was Bowie's longest, largest and most successful concert tour to date. **David Bowie: Serious Moonlight** documents that unforgettable tour.

Recorded live in Vancouver on September 12, 1983, **David Bowie: Serious Moonlight** captures one of Bowie's most dramatic, charismatic and memorable performances—now in a restored, high-definition remaster. The concert features many of Bowie's greatest hits, including "Let's Dance," "Heroes," "Golden Years," "Life On Mars?," "China Girl" and "Space Oddity."

**David Bowie: Serious Moonlight** can be seen on 3-2 Thursday, the 9th at 7:00 p.m. Watch it on 3-1 Sunday, the 5th at 7:00 p.m.

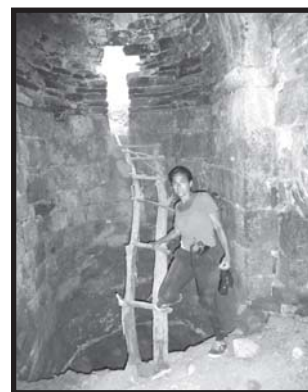

## The Hidden Map

**The Hidden Map** takes viewers beneath the surface of modern day Turkey where the forbidden Armenian past has been

awaiting discovery for more than a century. The story comes to life as Ani Hovannisian, an American-Armenian granddaughter of genocide survivors, ventures to their lost ancestral homeland in search of long-buried truths. A chance encounter with a Scottish explorer leads to a joint odyssey unearthing sacred relics, silenced voices, daring resilience, and the hidden map.

The result is a story of discovery, heartbreak, and hope that belongs to all of humanity.

**The Hidden Map** will be broadcast on 3-2 Sunday, the 5th at 5:00 p.m.

**Ani in the hidden chapel of Hokeats Armenian Monastery, Monastery of the Spirits, outside the city of Van.**

## Jon Stewart The Mark Twain Prize

Jon Stewart is this year's recipient of the Kennedy Center Mark Twain Prize for American Humor. A star-studded lineup, including Stephen Colbert, Bruce Springsteen, Pete Davidson, and Jimmy Kimmel, pays tribute to Stewart's humor and accomplishments.

Over his 16-year run as host of Comedy Central's *The Daily Show with Jon Stewart*, Stewart redefined political satire in American culture. His efforts in social activism have played an integral role in the passing of legislation such as the 9/11 Victim Compensation Fund Bill, which benefitted thousands of first responders and their families. Stewart also works on behalf of America's wounded veterans through initiatives led by organizations such as the Wounded Warrior Project and Team Rubicon.

**Jon Stewart: The Mark Twain Prize** airs on Tuesday the 21st at 8:00 p.m. and Sunday, the 26th at 1:00 p.m. Watch it on 3-1 Sunday, the 26th at 9:00 p.m.

## ALZHEIMER'S: What You Can Do

**Alzheimer's: What You Can Do** delves into the research that shows how our social interactions, diet, sleep patterns, exercise, stress levels, and other daily health habits have dramatic effects on our cognitive abilities as we age. With scientific data and personal stories about holistic treatment approaches, the documentary explores the discoveries that are changing the medical profession's view of dementia.

Neurologists around the world now understand the influence of genes on the formation of Alzheimer's and dementia. As a graduate student, Dr. Rudy Tanzi, Vice Chair of Neurology at Harvard, mapped chromosome 21. He correctly speculated the gene helped produce Alzheimer's, and specifically that it was the gene that created amyloid plaques, sticky boulder-like materials that accumulate around nerve cells in the brain of early onset Alzheimer's patients.

Only 2 or 3% of Alzheimer's is due to specific hardwired genes that cause early onset. In 97 to 98% of Alzheimer's cases,

Tanzi points out, "it's the interplay of genetic susceptibility...and your lifestyle."

Dr. Tanzi has developed the acronym S.H.I.E.L.D. (Sleep, Handling Stress, Interact with Others, Exercise, Learning New Things, Diet) to represent deficient areas where anyone using everyday methods can optimize program-mable genes for better cognitive health. Experts discuss the dramatic impact of these six areas on our cognitive abilities as we age, and offer specific strategies for implementing them in our own lives.

**Alzheimer's: What You Can Do** is the third program in a three-part dementia documentary series. Previous broadcasts were **Revolutionizing Dementia Care** and **The Caregiver's Perspective**.

**Alzheimer's: What You Can Do** airs on 3-2 Sunday, the 5th at 3:00 p.m., Tuesday, the 14th at 10:00 p.m. and Thursday, the 16th at 7:00 p.m. Watch it on 3-1 Monday, the 13th at 7:00 p.m.

**Dr. Tanzi (at right) is shown with researcher.**

## SummerFest

### Les Miserables 25th Anniversary Concert

In 2010, the legendary musical *Les Misérables* celebrated its 25th birthday, and to mark the occasion, an extraordinary concert was staged in London. First broadcast in 2011, the **Les Miserables 25th Anniversary Concert** has an encore broadcast during KENW-TV's "Summerfest."

With more than 500 actors and musicians, the four-hour concert includes the October 2010 cast of the long-running Original Production at London's Queen's Theatre and members of the original 1985 London cast.

The magnificent score includes the songs "I Dreamed a Dream," "On My Own," "Stars," "Bring Him Home," "Do You Hear the People Sing?," and many more.

**American Masters**

### Joe Papp in Five Acts

Ahead of the 60th Anniversary Season of Free Shakespeare in The Park at New York City's Delacorte Theater in Central Park, **American Masters** "Joe Papp in Five Acts" tells the story of this indomitable, street-wise champion of the arts. As founder of The Public Theater, Free Shakespeare in the Park and producer of groundbreaking plays like *Hair*, *A Chorus Line* and *For Colored Girls*..., Papp believed great art was for everyone, not just a privileged few. A cultural change agent for more than fifty years, Papp's stages held up a mirror to society with work that reflected the reality of people's lives. His goal was a "theater of inclusion" on-stage, backstage, and in the audience.

Featuring rare footage from the 50s to Papp's death in 1991 and up-close scenes from the performances themselves, "Joe Papp in Five Acts" tells his story without narration. His great accomplishments and his own, often tumultuous, personal history are told by the artists he helped create—and, in some cases, tried to destroy—including James Earl Jones, Kevin Kline, Mandy Patinkin, Martin Sheen, Meryl Streep, Christopher Walken and others.

**American Masters** "Joe Papp in Five Acts" airs on 3-2 Friday, the 3rd at 9:00 p.m. It airs on 3-1 Sunday, the 5th at 10:00 p.m.

Christopher Walken (back) as Iago and Raul Julia as Othello are shown in a scene from the NY Shakespeare Central Park production of the play *Othello*.

In some ways, sitting has gathered a negative reputation in recent decades. But if done skillfully, in moderation, and punctuated with well-designed exercise breaks, sitting can not only be comfortable and restful, but even therapeutic.

In **Secrets to Pain-Free Sitting with Esther Gokhale**, viewers learn how to heal their backs as they sit. Using Gokhale Method techniques, viewers discover how to use gentle traction to elongate their backs, and breathing to naturally massage their spines. Additionally, they learn special exercises that pair with sitting to keep them alert and burn a few calories—all of which leads to a new appreciation of sitting as a natural, healthy way for work or play.

**Secrets to Pain-Free Sitting with Esther Gokhale** can be seen on 3-2 Sunday, the 12th at 2:30 p.m. It airs on 3-1 Sunday, the 5th at 12:30 p.m. and Sunday, the 12th at 5:00 p.m.

**The Great American Recipe** is a new eight-part uplifting cooking competition that celebrates the multiculturalism that makes American food unique and iconic. The series gives talented home cooks from different regions of the country the opportunity to showcase their beloved signature dishes and compete to win the national search for "The Great American Recipe."

**The Great American Recipe** will be broadcast on 3-2 Fridays at 9:00 p.m. beginning the 24th. It can be seen on 3-1 Saturdays at 7:00 p.m. beginning the 25th and Sundays at 3:00 p.m. beginning the 26th.

**Broadchurch** is a gripping eight-part crime drama that “will break your heart and keep you guessing all the way through,” said *The Washington Post*. The death of 11-year-old Daniel “Danny” Latimer sparks an unwanted media frenzy in the calm and seemingly friendly seaside town of Broadchurch.

One by one the local residents are drawn into the police inquiry as DI Alec Hardy (David Tennant) and DS Ellie Miller (Olivia Colman), slowly unravel secrets and discover the truth.

Praised for its emotional depth and complex characters, **Broadchurch** explores the devastating effects of grief, mutual suspicion and the glare of the media spotlight.

### Who Killed Vincent Chin?

On a hot summer night in Detroit, Ronald Ebens, an autoworker, killed a young Chinese-American engineer with a baseball bat. Although he confessed, he never spent a day in jail.

“Who Killed Vincent Chin?” on **POV** is a gripping Academy Award-nominated film that relentlessly probes the implications of the murder in the streets of Detroit, for the families of those involved and for the American justice system.

“Who Killed Vincent Chin?” on **POV** can be seen on 3-2 Monday, the 20th at 9:00 p.m. It airs on 3-1 Friday, the 24th at 9:00 p.m.

## Cultura

In celebration of the Air Force's 75th birthday, the 49th Wing at Holloman Air Force Base hosted the 2022 Legacy of Liberty Air Show and Open House, where more than 22,000 guests visited from around the world, marking the largest gathering at Holloman in over a decade.

The show included aerial performances from the U.S. Air Force Air Demonstration Squadron, known as the Thunderbirds, F-35 Lightning II demonstration team, A-10C Thunderbolt II demonstration team, and several legacy aircraft, including the World War II hero, the P-51 Mustang. On the ground, a wide range of aircraft were set up as static displays and accompanied by aircrew to interact with spectators as they inquired about their jobs and the aircraft itself.

**F-35 Lightning II Demonstration Team prepares for take off.**

**Cultura** producers were able to sit down with the planners of the event and with the 49th wing commander, Col Ryan Keeney to understand the history and legacy of Holloman Air Force Base, as well as the importance behind strong air power.

**Cultura** airs on 3-2 Sunday, the 19th at 12:00 noon and Tuesday, the 21st at 9:30 p.m. Watch it on 3-1 Sunday, the 19th at 11:30 a.m. and Thursday, the 23rd at 8:00 p.m.

## Mona Lisa is Missing

**Mona Lisa is Missing** tells the tale of a 35-year long obsession to find the truth about why and how, in 1911, Vincenzo Peruggia, a simple Italian workman, stole the painting and had the Mona Lisa all to himself, hidden away in his squalid room in Paris for nearly two-and-a-half years.

The Backstory: Since 1976, Joe Medeiros, former head writer of *The Tonight Show* with Jay Leno, was fascinated with the story of Peruggia and the missing painting. But in 2008, it became more than an interest when Medeiros discovered that Peruggia's only child, 84-year-old Celestina, was living in the town where her father had

been born. Celestina, like Medeiros, also wanted to know the truth about her father's theft (he died when she was a toddler). That's when the idea for a documentary about the theft was born.

Ever since the Mona Lisa was stolen, there have been myths and misconceptions about the theft and the man who stole her. **Mona Lisa is Missing** separates fact from fiction to tell the story of the greatest little-known art theft in history.

**Mona Lisa is Missing** airs on 3-2 Saturday, the 11th at 11:00 p.m., Tuesday, the 21st at 10:00 p.m. and Thursday, the 23rd at 7:00 p.m. It airs on 3-1 Tuesday, the 21st at 8:00 p.m.

## Hiding in Plain Sight: Youth Mental Illness

**Hiding in Plain Sight: Youth Mental Illness** is a two-part, four-hour film about the mental health crisis among youth in America. The film is part of a national campaign to demystify and destigmatize our physical and mental health through storytelling.

It features first-person accounts from more than 20 young people, ranging in age from 11 to 27, who live with mental health conditions, as well as parents, teachers, friends, healthcare providers in their lives, and independent mental health experts.

The film presents an unvarnished window into daily life with mental health challenges, from seemingly insurmountable obstacles to stories of hope and resilience. Through the experiences of these young people, the film confronts the issues of stigma, discrimination, awareness, and silence, and, in doing so, helps advance a shift in the public perception of mental health issues today.

**Hiding in Plain Sight: Youth Mental Illness** airs on 3-2 Monday and Tuesday, 27th and 28th at 8:00 p.m. Watch it on 3-1 Monday and Tuesday, 27th and 28th at 7:00 p.m.

## ENMU-ROSWELL OPENS NEW DAVID GONZÁLEZ KENW-TV BROADCAST STUDIO

A large crowd gathered in the Instructional Technology Center on Thursday, May 5, as ENMU-Roswell celebrated the grand opening and dedication of the new David González KENW-TV (PBS) satellite studio on campus.

The studio is now named in honor of former local TV anchor and news director, David González, who passed away at the age 63 on May 6, 2019. After receiving approval from the ENMU-Roswell Community College Board and ENMU Board of Regents, Jacob and Angelica Rodriguez made a \$20,000 gift to the ENMU-Roswell Foundation in December of 2021 to name the studio in honor of David González, Angelica's father.

ENMU communication students from Portales conducted interviews and taped the ceremony, utilizing the studio for the first time. The produced segment

aired on May 6 as part of their final KENW-TV broadcast of the semester. *News 3 New Mexico* returns in the Fall on channels 3-1 and 3-2.

ENMU-Roswell collaborated with ENMU and KENW-TV staff in Portales to renovate and equip classroom and office space in the ITC for the new studio. In addition to broadcast programming, the studio space will be utilized by students to prepare them for careers in film technology, journalism, broadcast production, or communications.

González was a Goddard High School graduate and received a degree in broadcast journalism from ENMU. Known in the community as "The Golden Voice," he helped create and was the original host of the KENW-TV program, *Cultura, Orgullo, y Herencia*, now called *Cultura*. He was a reporter and anchor with KBIM/KRQE-TV for over 20 years and also served as news director and station manager. When he passed away, González was serving as the branch manager of Cable One, now called Sparklight.
