

ROCKY
GOT
STUCK

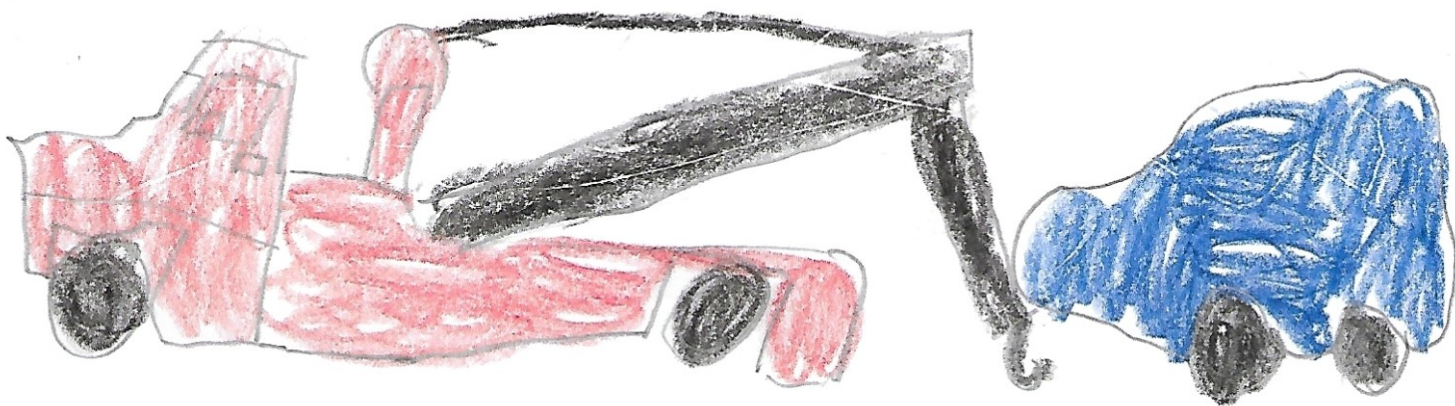

by: Atlas A

Rocky the car broke
down on the
highway because he
hit a pothole.

Rocky's driver had to
call a tow truck.

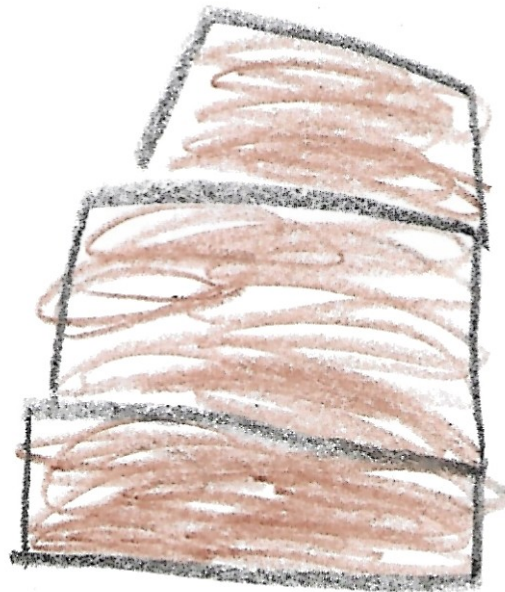

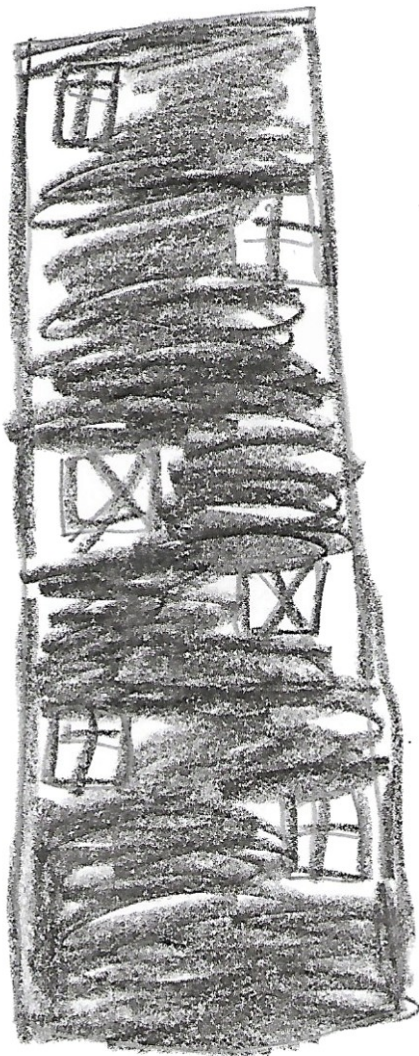

The tow truck came
really fast and towed
Rocky to the repair
shop.

The mechanic had
to change Rocky's
tires.

When the mechanic
was done, Rocky went
back on the highway
to take his driver
to work at his
construction site.

He got there in
record time!
