HOW WE SERVE

The needs of our communities are changing. Trustworthy news is in great demand. Classical and jazz music are reaching new audiences. Digital content consumption only keeps growing.

Over the next three years, Ideastream Public Media will meet these needs and EXPAND its services to communities across Northeast Ohio and throughout all of Ohio.

WHO WE SERVE

Ideastream Public Media is indispensable and highly valued for its unique ability to enrich our communities.

MISSION

Ideastream Public Media is a trustworthy and dynamic multimedia source for illuminating the world around us.

CORE VALUES and GUIDING PRINCIPLES

Diversity, Equity, and Belonging: We seek and incorporate the myriad diverse perspectives and lived experiences of our users, staff, board, and communities into all aspects of our work.

Collaboration: We can accomplish more by working effectively together internally and with our strategic partners to best meet the needs and interests of the communities we serve.

Excellence: With a commitment to continuous improvement, we aspire for the highest standards in everything we do.

Agility: We innovate solutions and iterate adaptive approaches to successfully evolve amidst our ever changing internal and external environments.

Stewardship: We provide strong oversight by managing the information and resources shared by our users, staff and supporters with the utmost integrity and responsibility.
