ON THE COVER

25 Years with Lidia: A Culinary Jubilee

The much beloved James Beard and Emmy award-winning chef, Lidia Bastianich is celebrating twenty-five years on public television. With one of the longest running cooking shows on PBS, Lidia is also a lifetime restaurateur and a bestselling cookbook author who has a compelling backstory as an immigrant personifying what it means to be living the "American Dream." In honor of her 25th anniversary, 25 YEARS WITH LIDIA: A Culinary Jubilee is a prime-time PBS documentary special that will -- with the help of family and some celebrity friends -- roll back the years and take a very intimate look at the trajectory of Lidia's life both on and off the screen.

DECEMBER PASSPORT HIGHLIGHT

A Christmas Carol Goes Wrong

The Cornley Polytechnic Drama Society is back after having been blacklisted by the BBC after ruining Peter Pan! They are not taking their ban lying down and force themselves back on the BBC by hijacking the jewel of the Christmas schedule, a 'live' production of "A Christmas Carol."

With a little help from Sandra's aunt, Dame Diana Rigg (All Creatures Great and Small), the Cornley gang tries to make the show work but soon realizes they are completely out of their depth. Special guest star Sir Derek Jacobi (Last Tango in Halifax) tries to keep up!

RECIPE OF THE MONTH

Recipe Courtesy of **The Great American Recipe**. Tune in on **KRWG TV** to learn to create the finest desserts and goodies in your own home.

DRY-AGED RIB STEAK WITH FRIED POTATO WEDGES AND STRING BEANS | MAKES 6 SERVINGS

INGREDIENTS

Steaks

- 6 prime-grade, well-marbled, dry-aged bone-in steaks [1½–2 inches thick]
- Kosher salt and ground black pepper to taste
- Vegetable oil, for coating
- 3 tablespoons nondairy butter
- 3–4 garlic cloves, minced
- 1 small bunch thyme, leaves chopped
- 1 small bunch rosemary, leaves chopped

Potato Wedges

- Kosher salt and ground black pepper to taste
- 2 tablespoons white vinegar
- 4 pounds russet potatoes, cut into wedges
- 1 tablespoon paprika
- ¾ cup cornstarch
- ¼ cup baking powder
- Vegetable oil, for frying
- 2 bunches parsley, chopped
- 1 small bunch rosemary, leaves chopped

String Beans

- Vegetable oil, for coating
- 3 shallots, sliced
- 5 garlic cloves, minced
- 2 pounds string beans
- ¼ cup water
- Kosher salt and ground black pepper to taste

DIRECTIONS

1. **Preheat** the oven to 200 degrees F. Set a wire rack over a rimmed baking sheet.
2. **Pat** the steaks dry and season generously with salt and pepper. Place the steaks on the rack and bake until the internal temperature is 5 degrees less than your desired doneness [medium rare is 130–140 degrees F; medium is 140–150 degrees F]. Remove from the oven and let rest while you make the potatoes and string beans. The steak will continue to cook as it rests.
3. **Bring** a large pot of salted water to a boil. Add the vinegar and potatoes and boil until

- fork-tender, about 15 minutes. Drain the potatoes and pat dry with paper towels.
4. **In a large bowl, combine** the paprika, cornstarch, and baking powder. Coat the potatoes with the cornstarch mixture.
 5. **Pour** ½ cup oil into another large, heavy pot and heat over medium-high heat to 375 degrees F. Working in batches if necessary, add the potato wedges to the hot oil and fry until crispy, about 3 minutes. Transfer to paper towels. Season with salt and chopped parsley and rosemary.
 6. **To make the string beans, coat** the bottom of a sauté pan with oil and heat over medium heat. Add the shallots and garlic and cook until softened, 8–10 minutes. Add the string beans and water and season with salt and pepper. Cover and simmer for 5 minutes. Uncover and continue to cook until the water evaporates and the beans are cooked through, about 5 minutes.
 7. **Coat** the bottom of a large cast iron skillet or grill pan with oil and heat over medium-high heat until you see it just starting to smoke. Add the steaks and sear until nicely browned, about 90 seconds per side. In the last minute of cooking, add the nondairy butter, garlic, thyme, and rosemary and constantly baste the steaks with the butter.
 8. **Serve** the steaks with the potato wedges and string beans.

WORLD CHANNEL 22.2: DECEMBER HIGHLIGHT

**AMERICA
REFRAMED**

BY WATER

By Water is the first animated experimental film to appear on *America ReFramed*. The story follows an unlikely hero's journey into his own memories, which transform into a vehicle for reconciliation and healing for himself and his sibling. Based

on a true story, the film was written and inspired by Iyabo Kwayana's personal experience with her brother. Upon receiving an unexpected voicemail from him three years after his disappearance, filmmaker Kwayana heeded her brother's message and created this film as a way to "complete" his story.
