

BUT WHY

A Learning Guide

Kindergarten to Grade 3

But Why is a podcast led by you, kids! It's a big interesting world out there. Kids all over the world send us questions, and we find the answers. We've created these learning guides to be used in a classroom setting or at home. Listen to each episode and use this guide to deepen your understanding of what you've heard.

When did volcanoes start existing?

BIG QUESTION: How do volcanoes form?

In this episode, we hear about the ways volcanoes are formed and ways their energy is harnessed Iceland.

Share or map your idea. How might you use a volcano's heat?

Use this free Mind Map Creator to see you ideas mapped! [Miro](https://miro.com)

Ask an expert. Who?

What other questions do you have about this topic? How will you find the answer?
