He looked all over
the house for it.
on and under the
furniture.

In the kitchen
drawers and
cupboards.

In his high + stand
and under the sheets
and blankets in the
bedroom.

NOPE

Where could it be?
He wondered. He had just
used it last night.
He watched TV while
he made good bags for his friend
Thumpbrey's birthday
Party.

After looking for the
remote without any luck
Mr Moo chops became
sad. He was afraid
that he was going to
miss it.

To cheer himself up
he thought about
how happy ~~he~~ ^{Humphrey}
and his ^{friends} will be
when they see the goody
bags. Mr Moo chops picked
up the goody bags and suddenly
the TV turned on! I was
like magic.

Mr Moochops opened
the goody bag and there
it was: The remote
control! He quickly changed
the channel just in time
for **Marvelous Mustaches**
to Start!

Hoordy! Said Mr Moo
chops as he sat down
to watch his favorite
Show.
