Thank you for the clarification. After further review, here are the revisions required:

Both TV and Radio:

1. Schedule B:
- a. Step 1 – Please enter the correct physical plant support amount (\$172,380,013) for the IAS calculation. Please ensure that the total IAS matches the amount in the station’s AFS after making this revision.

For you to revise the AFRs, after this e-mail I will "disapprove" the AFRs previously submitted. Taking the action to disapprove the AFRs will trigger automatic emails from our Integrated Station Information System to each of these security groups: Grants Administrator, Head of Grantee, and Independent Accountant. Please inform these individuals of this pending action by providing each a copy of this email. Once you make your corrections you will be required to complete all the steps of submitting the AFRs as you did initially, including revisiting each Schedule to indicate that it is completed.

Thanks,
