KRWG 3
Lucy Worsley Investigates

Summer 1962: London is swinging with new music, hip fashions, and an irresistible hedonistic spirit. It's also seething with antisemitic violence incited by homegrown neo-Nazis. MASTERPIECE presents a riveting four-part drama set in this colorful but tumultuous time on Ridley Road, based on Jo Bloom’s acclaimed novel. Inspired by true events, Ridley Road stars newcomer Agnes O’Casey as Vivien Epstein, a young Jewish hairdresser who fits right into London’s mod scene while secretly infiltrating the British neo-Nazi hierarchy on behalf of Jewish anti-fascists; Rory Kinnear as Colin Jordan, the real-life leader of Britain’s post-World War II Nazi movement; and Tom Varey as Jack, Vivien’s true love.

Exploring each location’s environment, culture and current events, host David Yetman experiences the Americas in a whole new way. Saturdays at 7pm beginning May 21.

Pocket Sketching with Kath Macaulay. POCKET SKETCHING is designed for both beginners and the advanced artist. Beginners can follow each episode and enjoy the fun of success, while the advanced artist finds a fast, totally portable, compact technique that goes anywhere. Each episode demonstrates a new skill. Nothing is threatening: the supplies are few, and everything’s compact and portable with no clean-up. Saturdays at 9:30am beginning May 28.

**Ingredients**

- 11.5 ounces (326 grams) Japanese short-grain rice
- 1 ½ cups cold water
- 3 tablespoons white balsamic vinegar
- 1 teaspoon salt
- 1 tablespoon fruity olive oil
- 0.2 ounces (6 grams) basil, julienned
- 0.07 ounces (2 grams) fennel leaves, trimmed from stems
- 3.9 ounces (110 grams, or about 15) cherry tomatoes
- 0.07 ounces (2 grams) flat-leaf parsley, leaves only
- 2.1 ounces (60 grams) prosciutto di Parma

**Directions**

1. Put the rice in a fine mesh sieve over a bowl and rinse with cold water until the water in the bowl is mostly clear. Drain the rice and add it to a heavy bottomed pot with a tight fitting lid along with 1 ½ cups of cold water.

2. Bring the water to a boil, lower the heat to low and cover with a lid. Set a timer for 15 minutes (do not open the lid during this time). When the timer goes off, turn off the heat and let the rice steam undisturbed for another 10 minutes.

3. While you’re waiting for the rice to cook, dissolve the salt in the white balsamic vinegar (you can heat it for a few seconds in the microwave to make this easier). Once the salt is dissolved, add the olive oil and whisk to combine.

4. When the rice is done, dump it into a large bowl and pour the vinegar mixture over the rice. Use a spatula to fold the vinegar in without mashing the grains of rice. Use a fan to quickly cool the rice while you’re mixing it. This is the key to getting sushi rice that is very shiny.

5. When the rice is at room temperature, fold in the basil and fennel leaves.

6. To plate, mound the rice on a large platter, and then top with the cherry tomatoes, parsley and prosciutto.
