1. Describe your program concept in detail. Use as much space as necessary so that we have a complete understanding of the type of program you are proposing.

Include proposed topics, guests, etc.

2. What is special about the program you propose? Who will it interest or serve in the community? What about it will help fulfill the mission of KZYX & Z?

3. What resources will you draw on for materials? For public affairs, what sort of contacts and resource materials will you use?

4. Please list any publications, periodicals or web sites that you regularly read or subscribe to.
5. Do you have any prior broadcasting experience? If so, please give details, including the name and phone number of a reference and an air check of at least one program.
6. What programs do you regularly listen to on KZYX & Z. How will your proposed program enhance our overall programming?
7. In what other areas could you volunteer for KZYX & Z? (e.g. pledge drive phones, committees or board, tabling at events, helping others with production)
