The Adventure of Lulu

By: Mara Evans
On Plant Planet everyone was at Lulu’s party!
Lulu and her sister, Sprout, went to bed. Lulu woke up and heard a **CRASH**! Lulu was so scared, she forgot to brush her leaves.
She asked her grandpa, Wiseman Willow, “What is going on?”

He said, “I don’t know.”
Lulu went outside to see what was going on. She did not like what she saw. She saw a bad guy! His ship crashed on the planet and his name was Chopper. Chopper stole Lulu’s friend, Plumeria. Lulu was sad.
Lulu knew what to do. She told Sprout that they needed to save Plumeria. Lulu and Sprout said, “Goodbye!”
They walked for an hour but they got hungry. So they got out some photosynthesis from their lunch bags and set up camp.
Lulu asked Sprout if she could help gather rocks. Sprout went looking for rocks then got lost.
Lulu went looking for Sprout and found her near a cave. They could see Chopper in the cave. He had an evil plan!
When Chopper was looking away, Lulu went in the cave. But that was part of his evil plan!
Lulu remembered that she had a bottle of acid hidden in her leaves. She poured it on the cages. Soon they were free!

Lulu thought, “Wait, where did Plumeria get that boom box?”
Lulu and Plumeria went outside to find Chopper. Chopper and Lulu were about to fight. Lulu noticed that there was smoke coming out of Chopper! It was from the crash.

She asked, “Do you want my grandpa to fix you?”

Chopper said, “Fine!”
Soon they got to Lulu’s house and Wiseman Willow got to work. He finished and Chopper felt better. He was nice again!
Lulu heard something outside. It was the whole town.

They said, “Thank you!”
Then they had a big party, again!
