Membership at Spokane Public Radio

We would like to take this opportunity to THANK YOU for supporting SPR! We would not be able to do what we do without your support. Unlike many other public radio stations, we receive no support from a university—we are truly Listener-Member supported. Members in our listening area provide more than half of our operating budget. Your ongoing support of SPR is vital to the health of this station. Your support allows SPR to continue to bring you the programming and events you have come to expect.
