Based on my investigation at the scene, I determined that probable cause existed to arrest Daniel for one (1) count of simple Battery FSS 784.03. Domestic related as per F.S.S 741.28. Records show that he has had a previous charge of battery; therefore, the charge displays BATTERY-2ND OR SUBSQ OFF, per F.S.S 784.03 (2). Due to the complaint's statement/ injuries probable cause exist. The defendant intentionally touched or struck the victim against his/her will, causing bodily harm to the victim.
