# A LETTER FROM KEVIN MARTIN, PRESIDENT AND CEO

**KEVIN E. MARTIN**  
President and CEO  
Ideastream Public Media

Dear Friends,

As fall approaches, September provides a last chance to enjoy the outdoors before summer's warmth fades away. I hope you make the most of these final summer weeks and have a safe Labor Day to start the month.

The transition to fall brings changes, but Ideastream remains your source of information and inspiration, keeping you connected with your community. And, as the weather cools and the fall breeze sets in, WCLV and JazzNEO provide a perfect accompaniment to your cozy nights with relaxing classical music and delightful jazz.

In the spirit of beginnings and endings, we conclude our fiscal year in September on a positive note. October marks the start of our new fiscal year, which is the first month we will operate without the federal funds that previously accounted for 10% of our revenue.

Rest assured, Ideastream isn't going anywhere. We remain dedicated to serving the public. **We invite you to be the bridge to the future of Ideastream.** If you believe in the power of public media, support accessible, quality media for Northeast Ohio by visiting [ideastream.org/donate](http://ideastream.org/donate) or calling 800-473-2525.

Warm regards,

## AMERICAN RAILROAD

**Monday, September 1 at 9 a.m.**

Embark on *American Railroad*, which highlights the untold stories and unheard voices from the diverse communities that built America's railway systems. We head to California and Utah, where historians detail the contributions of Japanese and Chinese railroad laborers. We'll also hear special music created to capture the spirit of laborers dedicated to the rail.

## WHAT'S WRONG WITH WORK?

**Monday, September 1 at 9 p.m.**

It's not easy in America today to find work that matters, that's meaningful, and that pays enough to live on. Which is the one thing we don't talk about. What's wrong with work — and how do we fix it?

## WITH GOOD REASON: MAPPING SEGREGATION

**Tuesday, September 9 at 8 p.m.**

When Johnny Finn's urban planning students arrive at the mostly white campus of Christopher Newport University, they often warn each other to stay away from the number streets in the nearby city because those are dangerous. Finn says the "number streets" represent a century of deliberate segregation and redlining that have cost African American families across America billions in lost wealth.

## ON PILGRIMAGE WITH DOROTHY DAY

**Tuesday, September 16 at 8 p.m.**

How does someone become an official saint? Meet Dorothy Day: Journalist, radical activist, mother and lay minister to the poor who died in 1980. She is now being considered for sainthood by the Catholic Church.
