What is underwriting you might ask? As a public radio station, we don’t carry conventional advertisements. Instead, we offer sponsorship opportunities in the form of underwriting. Underwriting consists of brief radio announcements, or “credits,” that inform our listeners about what products, services, or events a business or organization offers. The objective, unbiased approach of underwriting strips away the clutter and loaded language of other advertising.

We are extremely grateful to work with hundreds of businesses throughout our listening area. These organizations opt to use their marketing and advertising dollars to share their message with our listeners, all while supporting the station at the same time. We truly appreciate their support and ask you take a moment to support them! View our Underwriting Directory highlighting all of our underwriters from various industries.

Interested in becoming an underwriter? It’s quick and simple! Visit wamcunderwriting.org/contact-us to get the ball rolling and we’ll take it from there.
