

ARTIST: **Madelyn P.**

SCHOOL: **Fairview High School**

GRADE: **9**

TITLE: **Tigerlilies**

STATEMENT: I created this piece using acrylic paints and white and brown sharpies. My father never picks favorites on anything, other than flowers. His favorite flowers are tigerlilies, the brilliant orange shades that surround our house in the summer always make him happy. I captured this late summer joy in the warm colors that make up the tigerlilies, the white rays representing the joy and peace they provide our family.
