We're Engaged!

If this Week Night Show

America Amplified features National Top Story Highlight: The Story Behind the Story, a weekly series that highlights the people behind the journalism that's illuminating a crucial conversation or issue. Join host Farai Chideya and a range of special guests for engaging discussions on a broad range of issues. The series airs on the third Thursday of each month at 9 p.m. ET.

Farai Chideya -- formerly of NPR, WNYC and FiveThirtyEight -- has written a provocative and revealing essay about her experiences with racism and discrimination in journalism. Read her essay here.

What is "neutrality" in journalism? How do journalists tell stories that root out racism in society?

"Just….listen. Listen to America.
