Public radio listeners

value companies and organizations that show an interest in their community and that support the public radio station they rely on.

83% take action in response to something heard on NPR

88% more likely to buy from companies that support public radio than from companies that advertise on commercial radio

71% have a more positive opinion of sponsors that support NPR

"It really is truly effortless to partner with WFDD. They are tireless in their efforts in helping us meet our needs to create awareness of our programs"

— Dr. Sandy Vannoy, Associate Dean for Graduate Programs and Research for the Walker College of Business at Appalachian State University

"As a law firm, our relationship with our clients, colleagues, and the community, is critically important. So, it's the relationship that we have with the community through WFDD, it is reinforced over, and over, and over again when people say 'I heard you on WFDD' almost as a 'Thank you. Thank you for supporting WFDD.'"

— Kevin G. Williams, President of Bell, Davis, and Pitt Law Firm

"By underwriting for WFDD we're supporting our local public radio station, and, as a non-profit, of course we have limited funds. Knowing that I can partner with WFDD and my [messages] are getting to our supporters, this is why we choose to partner with WFDD."

— Sheila Cauthen, Director of Marketing at the Greensboro Symphony
