Iconic Erie HistERIE Week Walk & Screening
Saturday, June 10, 3:00 p.m., Hagen History Center

This year’s HistERIE Week celebration of history in Erie County is themed “History is Everywhere!” Ever notice those metal historical marker signs while you are out and about? You may be surprised to know there are over 200 in Erie County. They provide tidbits of the vast history of a location. The Erie County Public Library’s HistERIE Week 2023 has many events scheduled from June 5 through June 11. WQLN, in partnership with Our West Bayfront, is hosting a guided walk through African American history led by Johnny Johnson to celebrate Erie and its iconic locations. This (roughly) hour-and-a-half walk will start and end at Hagen History Center, making a handful of stops at places of note on Erie’s west side (murals, ballparks, churches, etc.) After the walk, refreshments will be provided as we watch excerpts from the new PBS series “Iconic America” and a short video about the backstory and unveiling of a new sign in the New Jerusalem neighborhood. The walk is free and open to the public, and registration is not required – just show up! More information about HistERIE Week can be found at www.WQLN.org/HistErieWeek. “Iconic America” returns to WQLN PBS July 11 at 10:00 p.m. Meanwhile, watch full episodes on WQLN PBS Passport

WQLN Education in the Warren Community

Warren families and their preschoolers participated in WQLN PBS Steps to Kindergarten, an interactive workshop that promotes family reading and viewing of PBS KIDS programming. Families were given various tools and strategies to ensure their preschoolers were well-equipped for a successful start to kindergarten.

And there’s more! The WQLN PBS STREAM Machine made a highly anticipated appearance in downtown Warren during their Children’s Interactive Festival on May 6. Children and their parents participated in interactive activities and received a STREAM Kit to further their learning and exploration. For more information about these programs, contact Kathy at (814) 217-6001.

WQLN’s Sounds Around Town

Every Friday in July

There are a lot of great reasons to love Erie in the summer. The weather is warm, the ice cream is cold, and the peninsula is spectacular. We also have a lot of great free concerts in the summer. Every night of the week, there is a free concert somewhere in Erieland. Friday nights belong to WQLN and our long-running Sounds Around Town music series. This summer, we’ll feature the Elle Taylor Band, Touch of Grey, Sunday at the Station, and the Josh Travis Band. And as we always do, we’ll offer Smith Dogs and craft beer samplings. The first concert is on July 7, 2023. Cheers to Summer!
The Last of “Endeavour”
Sunday, June 18, 9:00 p.m. on Masterpiece
“Endeavour,” PBS Masterpiece’s long-running Inspector Morse prequel series, premieres at the end of this summer on Sunday, June 18, at 9:00 p.m. The series is set in the ‘60s and ‘70s and follows the newly forged relationship between young DC Endeavour Morse and his senior partner, DI Fred Thursday. “Endeavour” is one of the most beloved Masterpiece series, and we hate to see it end. You’ll want to take advantage of witnessing this last thrilling adventure!

“The Great American Recipe” Returns!
Mondays, June 19-Aug. 7, 9:00 p.m.
“The Great American Recipe” is a beautiful blend of food and family, highlighting the traditions and roots of America’s diverse cuisine. The popular series is back on Mondays, June 19-Aug. 7, at 9:00 p.m. on PBS and the WQLN app. The eight-part series introduces a new group of inventive home cooks who compete to wow the judges with their signature dishes. Alejandra Ramos returns as host, and renowned chefs Leah Cohen, Tiffany Derry, and Graham Elliot are back as judges and mentors.

“Bohemian Rhapsody”
Saturday, June 10, 1:30 p.m., H. O. Hirt Auditorium
“Bohemian Rhapsody” celebrates the band Queen, their music, and their extraordinary lead singer Freddie Mercury, who defied stereotypes and convention to become one of history’s most beloved entertainers. Following Queen’s meteoric rise, their revolutionary sound, and Freddie’s solo career, the film also chronicles one of the most outstanding performances in rock history. WQLN, in partnership with The Blasco Library, presents this free film screening open to the public with no registration required. Questions? Call (814) 451-6927.

“In A Word FY2023 Was . . .
June is the official end of WQLN’s fiscal year, and what a year it was. WQLN was named Nonprofit of the Year. The WQLN STREAM Machine hit the road delivering educational enrichment to where it’s needed most. We premiered our weekly local history series Chronicles. We aired concerts from the Erie Phil and released our mobile app. Something else happened – WE ARE NOMINATED FOR SEVEN EMMYS! It’s all thanks to the unwavering support of our members! If you could see it in your heart and budget to help us reach our goals, I would be forever grateful.

State government funding comes through an annual appropriation by Pennsylvania’s General Assembly and from the National Endowment for the Arts, a federal agency. PPA is administered in this region by Erie Arts & Culture.

Support for this program is provided in part from an Erie Arts & Culture Ignite Arts Grant, made possible by community contributions to the United Arts Fund and the Erie Arts Endowment.
