

# Bird Count Sheet

Put a checkmark in the box next to the bird species each time a bird visits your bird feeder.  
Use the back of this sheet to help you identify the birds. Count how many of each bird visit your feeder.  
Which type of bird visits your feeder the most? Are there birds that are not on the list?

Bird Species (Name)	Bird Count	Totals	Bird Species (Name)	Bird Count	Totals
<b>EXAMPLE: Blue Jay</b>	✓✓✓	3	Northern Shrike		
Evening Grosbeak			Common Redpoll		
Dark-eyed Junco			American Robin		
American Goldfinch			Mourning Dove		
White-throated Sparrow			Northern Cardinal		
Purple Finch			Blue Jay		
Black-capped Chickadee			Red-winged Blackbird		
Red-breasted Nuthatch			Northern Mockingbird		
Song Sparrow			Northern Flicker		
House Sparrow			Red-headed Woodpecker		
European Starling			Cedar Waxwing		
Pine Siskin			Rose-breasted Grosbeak		
House Finch			Baltimore Oriole		
Hairy Woodpecker			Indigo Bunting		

Learn. Dream. Grow.
