Dear Public Radio Members,

Thank you for doing more than listening to Public Radio 90, thank you for joining together to help make sure everyone across our upper Great Lakes region can continue enjoying the unique blend of local and national programming offered on WNUM-FM.

Thank you to everyone for your contributions during our February Friendraiser. Your support is critical to the operation of Public Radio 90 and we value each and every person who lends their support to this important public service – in many different ways. A very special thank you to our anonymous donor from Munising who generously gave us a \$15,000 challenge grant, which we reached! We are so very grateful! We are also thankful for each of our volunteers that came in early in the morning and late afternoon to answer your phone calls. Lastly, we must thank our food vendors that donate to keep us in coffee, donuts, pizza, and more – thank you Main Street Pizza, Huron Mountain Bread Company, and Fieras at NMU. We appreciate everyone’s time and contributions!

We are living through challenging times, but we want to assure you that we are working diligently on researching and securing new sources of funding and programming options from major gifts, grants, our Michigan Public Media partners, our partners from Public Media stations across the United States, and we continue to reach out to our legislative liaisons to make sure that they understand the impact the recession has had on local public media stations. That being said, you are still our number one funding source and we need your involvement in this partnership long into the future.

The road ahead is not going to be easy, but nothing worth having ever is. We hope you feel that Public Radio 90’s distinguished record of local service is worth preserving for future generations.

Tammy Wixtrom Johnson

PS. Keep listening (coming soon) for details about our 2027 Collette and Holiday Travel trip: Shades of Ireland! It is going to be amazing and Nicole Walton will be joining the travelers!

The Hidden Economics of Remarkable Women HERO Training Africa's New Female Leaders

Monday, March 30 at 11 am

Learn about two efforts to increase the number of women politicians in Africa. We begin with a surprising reality TV show in Kenya called "Ms President," where millions of weekly viewers watched dozens of women compete to be the country's next "head of state," so to speak. Then, we hear about Nigerian efforts to get more women on the ballot in last year's election and why they largely failed.

Chapter-A-Day on WNNMU-FM

Monday, February 23 through Friday, March 13, Norman Gilliland reads *The Great Gatsby* by F. Scott Fitzgerald, which stands as the supreme achievement of his career. The story of the mysteriously wealthy Jay Gatsby and his love for the beautiful Daisy Buchanan, of lavish parties on Long Island at a time when The New York Times noted "gin was the national drink and sex the national obsession," it is an exquisitely crafted tale of America in the 1920s.

Monday, March 16 through Friday, April 10, Michele Good reads *Agnes Sharp and The Trip of A Lifetime* by Leonie Swann. This highly anticipated follow-up to "The Sunset Years of Agnes Sharp" (Chapter A Day November 2024) finds Agnes and her octogenarian friends face-to-face with a killer after winning a trip to a beautiful hotel. Will it be an early checkout for anyone in the gang?

Chapter a Day from Wisconsin Public Radio has been airing since 1927. Episodes are available online one week after they air:

Barnes-Hecker Mine

Digitization Days

Saturday, March 7 from 10 am-3 pm

Wednesday, March 25 from 10 am-8 pm

The Barnes-Hecker mine disaster occurred on November 3, 1926 west of Ishpeming. Fifty-one men lost their lives; forty-one of them are still buried at the site of the cave in. To commemorate the 100th anniversary, the Marquette Regional History Center will host Digitization Days, where community members can receive free digital scans of their documents and photographs pertaining to the mine, employees, family members, and friends. These scans will be added to the Longyear Research Library's digital collections for future generations to learn from.

Digitization Days will also be held at the Ishpeming Carnegie Public Library on March 13 from 11-3. Appointments are required. To schedule, please email mrhc@marquettehistory.org or call 906-226-3571.
