2. You will be brought to a “Setup” screen. This is where you can link your desired podcast(s) to a supporting app on your mobile device or desktop application. If you prefer to listen online through a web browser, simply click on “Latest Episodes” and you can find your podcast by filtering or searching where it says “More Episodes.”

**Please bookmark https://wusf.plus.npr.org/listen to easily return to your podcasts at any time**
1. If you ever find yourself logged out of your account, go to https://wusf.plus.npr.org/ and click on “Login” in the upper right-hand corner of the screen.

2. Enter your email address and click “Submit.”
3. You will receive an email from help@supportingcast.fm. Open the email and click on the “Sign In” button in the middle of the screen (no password required).
4. After clicking on the “Sign In” button, you should be taken to the main “Setup” screen where you can click on “Latest Episodes” in the top left if you would like to listen to your podcasts in a web browser.
How to Access Through NPR App on Mobile Device

1. Open your NPR App and select the gear icon in the top left to log into your account. Please use the same email address you received to access NPR+ to log into the NPR app or the two will not link.
2. Click on “Sign in Now.”
3. Enter your log in information. Note: email address should be the same as the one in which you received the NPR+ get started email.
4. Now you can search for your preferred podcasts by clicking on the search icon in the upper righthand corner of the home page.
5. Now you’re all set to listen! You can follow this podcast by selecting “follow” or setup notifications by clicking on the bell icon in the upright.
How to Link NPR+ Podcasts to Supporting App on Mobile Device

1. Click on “Setup” on the top left of your screen and then select the “set up” button next to your desired podcast. You can scroll through this page to find all the NPR+ podcast offerings.
2. Enter your phone number.
3. You will receive a text message that looks like this. (Please note that this image was taken on an Android phone, and yours may look a little different).

Tap to load preview
4. Clicking on the link will take you to this page. For this example, Spotify will be used.
5. Log into your account.
6. Agree to allow access from Supporting Cast.
7. You should now be able to access all your podcasts from the Spotify App!
8. Clicking on the desired podcast should lead you to the corresponding page. You will notice a green “subscriber” at the top of the page. (Please note, if you are currently paying for a Spotify Premium account, the word “subscriber” may not appear since you are already paying for ad-free content on the app).
