Assignments will be finalized on or shortly after July 1st. You will be contacted either by phone, or email at that time, and we will try to accommodate everyone's preferences as much as possible. Volunteers largely drive this event, and we strive to never forget that!

If at all possible, complete and bring this to the station during regular business hours. If you prefer, email the information to josh@kbbi.org with the subject line "COTL Volunteer Application". The form itself is not required, but the information is.

Thank you so much!
