Hi! I'm Nena. I Love Mermaids
and I want to know are Mermaids
I tell my sister, "are Mermaids real?"
real? She says, "no, no, no, no!" I say to
my self, are they real?

So, I went to the beach to find one. I tried!

But I did not find one. So, I went to the Cave.

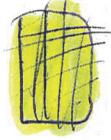

"Here I go!"

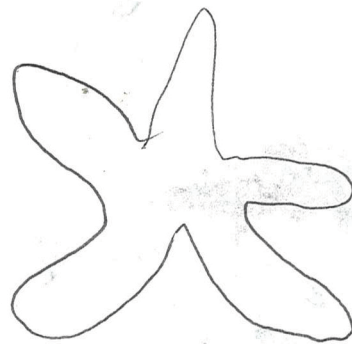

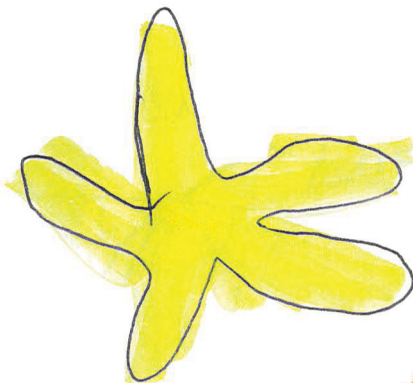

And, I did not find
one, and it was getting
late! So, I Went home.

The cave was  cool, but I did not find
any mermaids.

So, I went to sleep
and there was a note that
said

I wrote this
for a mermaid
to read.

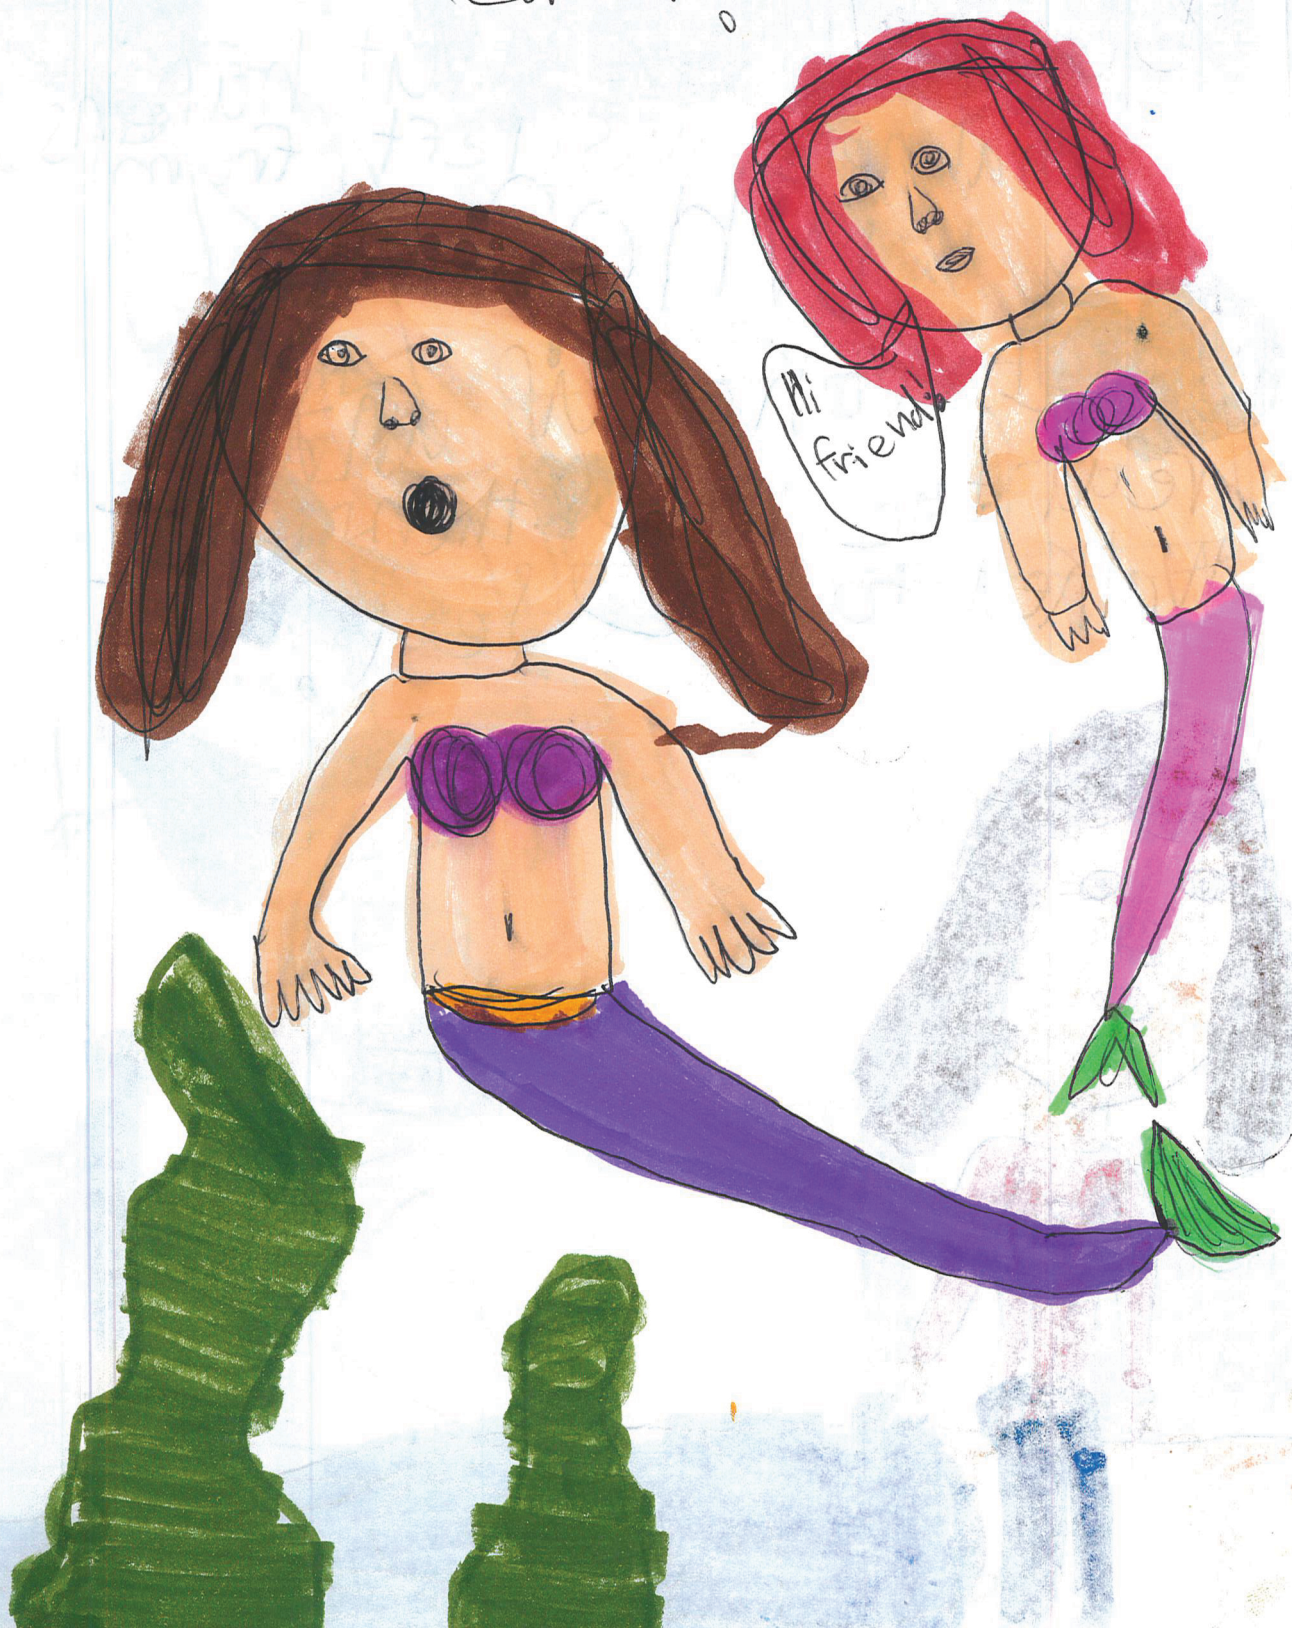

The next note said
Jump in the Sea and
You will see what happens!
That note was left from
WHO?

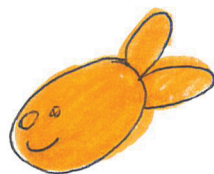

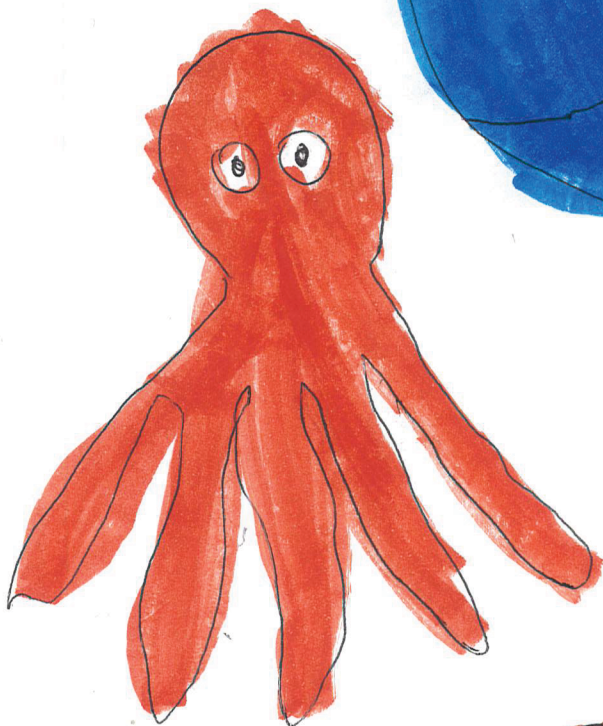

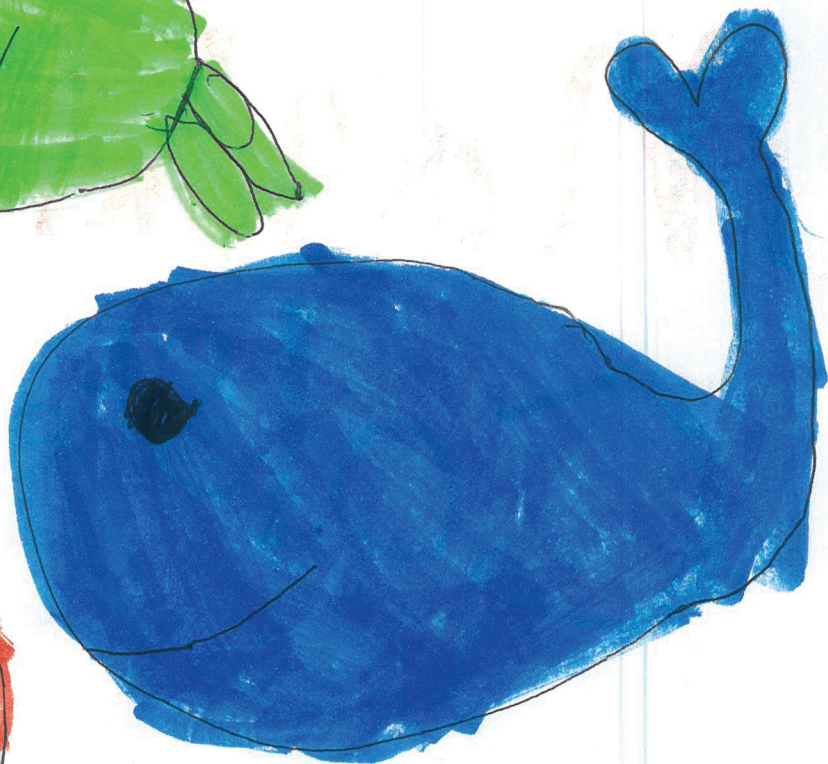

I woke up and
read the note then
walked to the sea.

and turned in to
a Mermaid Wen
I jumped in!
