### KHAU-SA (NOODLES WITH YELLOW KADHI AND BEEF)

#### INGREDIENTS

##### For the Tomato Beef

- 1/3 cup oil
- 1 tbs whole cumin
- 1 tbs whole fennel
- 4-6 whole black pepper cloves
- 1 tbs ginger garlic paste
- 2.5 pounds beef/stew meat (meat should be cut into small pieces)
- 2 small tomatoes
- 8 oz tomato sauce
- 2 tbs red chili powder
- 2 tbs crushed coriander
- 1/2 cup of full fat yogurt (not Greek yogurt)

##### For the Khurry/Khadi

- 1 tsp salt
- 1/2 tsp ground turmeric
- 1 tsp ground garam masala
- 1 tsp ginger garlic paste
- 1 big jalapeño (or 2 small ones)
- 4 heaping tablespoons of gram/besan flour
- 1 cup of full fat yogurt (not Greek yogurt)
- 2-3 cups of water
- 1 tablespoon fenugreek seeds

##### For the Assembly

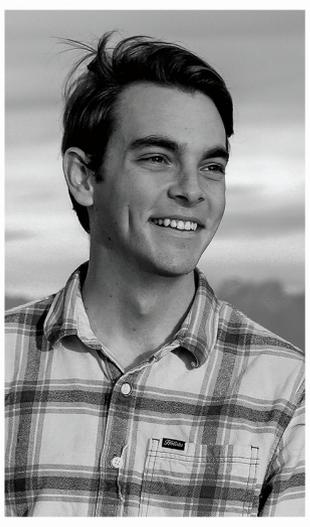

- 1 pound of spaghetti (cooked)
- Lemon
- Chopped cilantro
- Fried onions, home fired or bag
- Chaat masala
- Crushed potato chips (sour cream and onion flavor)

#### INSTRUCTIONS

1. **Make** the Tomato Beef: Cut beef into small pieces the size of a large quarter.
2. **Add** 1/2 of the oil into the pan, toast ginger garlic paste, black pepper, cumin, and fennel for 30 seconds.
3. **Add** beef and combine. Let it cook together at medium heat for 10 minutes.
4. **After 10 minutes**, add the remaining oil, tomatoes, chili powder, and crushed coriander. Adjust spice as needed.
5. **Add** a 1/2 cup of water to submerge most of the meat pieces. Let it cook at medium low heat for 15 minutes.

6. **Add** yogurt and tomato sauce and let it cook for 30-45 minutes or until tender. You want to easily break the meat with your hands.
7. **The dish should** have a thick gravy but should be more meat than gravy.
8. **Make** the Khurry/Khadi: Put all of that in a blender and blend. Put two cups of water and blend again.
9. **In a pot**, put about half cup of oil to warm up. In that, put one teaspoon of fenugreek seeds.
10. **When oil is warm and fenugreek seeds starts to crackle**, pour the blender mixture on top (have the cover ready so you can cover right away).
11. **Mix** it, wait for it to come to a boil, and put on low heat and let it cook. Then check the thickness and add water to adjust thickness to your liking (typically like a cup and half to thin it a bit).
12. **Let** it simmer for another 10 minutes after putting in water and it's done.
13. **Assemble** the dish: Break in half and boil one pound of spaghetti with a little bit of oil. Overcook it by 3-4 minutes. It should be soft.
14. **To serve**, let everyone assemble the bowl as they like.
15. **My recommendation:** In a bowl, add a serving of spaghetti. Top it with a ladle of Khurry and add the tomato beef. Top it off with a squeeze of lemon, cilantro, fried onions, chaat masala, and crushed potato chips.

## Meet Multimedia Journalist **Noah Raess** to learn about his passion for journalism and KRWG Public Media.

***You started at KRWG as an intern from Centennial High School, what was your experience like?***

Thanks to the people at KRWG, I got a chance to work on a documentary about the many different struggles high school students were experiencing during the COVID-19 pandemic — a story that hit close to home after my senior year of high school was held mostly online.

***While attending NMSU, you were a KRWG Public Media Scholar, what important lessons did you learn from that?***

I was able to learn what it means to be a reporter and how to do the job right. I also credit the scholar position for helping me get an internship with Searchlight New Mexico where I learned many of my investigative skills while working on stories that looked into problems with the horse racing industry and safety concerns at the labs in Los Alamos.

***What would you tell a student that is interested in the world of journalism?***

The biggest piece of advice I would give to a student interested in journalism is to get started. If you have a phone, you have access to all the tools you need to start writing stories. Getting practice finding stories, reporting on them and writing them will set you apart in the long run. Another tip that I learned from a professor is to find your niche and excel at it. I fell in love with investigative reporting, so that is where I try to focus my growth as a reporter to give myself a unique skillset that others may not have.

### CALL THE MIDWIFE, SEASON 15

The new season kicks off in 1971 as several of the ladies embrace Women's Lib and burn their bras outside Nonnatus House. Over the year, the team handles challenging cases including premature birth, placenta previa, kidney cancer, tuberculosis, and slavery. With cast including Jenny Agutter, Judy Parfitt, Helen George, Laura Main, Stephen McGann, Cliff Parisi, Linda Bassett, and Georgie Glen. **Sundays at 7pm, March 22 – May 10.**

### HENRY DAVID THOREAU

Henry David Thoreau helped define modern environmentalism and nonviolent resistance, yet his life has been obscured by myth. The author of Walden and Civil Disobedience, he was brilliant but flawed, idealistic but opinionated. A writer, scientist and activist, his words resonate urgently with today's challenges as humanity looks for ways to live in harmony with nature—and each other. **Premieres Monday at 8pm, March 30.**
