

**April - June 2025 Quarterly Issues and Program Reports for WMKY,
Morehead State Public Radio**

The top issues covered by WMKY News during the last three months include a total of 566 stories with sound. By category, those story totals include:

| | |
|-------------------|----------------------|
| Agriculture – 15 | Human Services – 32 |
| Arts/Culture – 29 | Legal/Courts – 27 |
| Economic – 47 | Minority/Women – 4 |
| Education – 84 | Police/Fire – 16 |
| Environment – 39 | Transportation – 20 |
| Government – 108 | War/Terror – 1 |
| Health – 87 | Weather/Climate – 38 |
| Housing – 14 | Sports – 5 |

The above totals include all aired content with associated sound produced in the WMKY Newsroom. In the Spring 2025 Quarter, WMKY produced a high number of government, education, and weather stories. As the state experiences more severe weather events, this trend will likely continue. Executive orders from the Trump administration have had sweeping effects at the state and local level that required attention.

In the next quarter, WMKY will continue to examine the impacts that federal legislation moving through congress will have on sectors including education, healthcare, and the economy.
