### Transparency Policy

KISU-FM provides the following information for transparency in our finances and governance.

### Governance and Open Meetings

KISU-FM is governed by the Idaho State Board of Education. Further information about the current board members, committees, and meeting times can be found on the Public File page of our website or at <https://boardofed.idaho.gov/board-facts/board-members/>. KISU-FM certifies that it complies with the State of Idaho's Open Meeting requirements. Information about past and upcoming Open Meetings can be found at <https://boardofed.idaho.gov/board-meetings/>

### Public File

All KISU quarterly issues files are filed at [fcc.gov](http://fcc.gov) and can be accessed at [KISU-FM FCC Public File and Local Issues Reports](#)

### Financial Statement Information

Current KISU financial reports, policies pertaining to donors, and financial compliance can be found on the KISU Transparency webpage <https://www.kisu.org/kisu-fm-public-file>

### Local Content and Service Report

KISU's Local Content and Service Report, found on the KISU website Public File page, provides an overview and examples of local content, services, and partner organizations.

### Diversity

Idaho State University (ISU) focuses its diversity efforts on ensuring a learning and working environment free from discrimination, while navigating state-level restrictions on Diversity, Equity, and Inclusion (DEI) programming.

### Procedures to Meet Transparency Requirements

KISU regularly posts new versions of reports, documents, board members, and information about public meetings whenever applicable. Responsibility for updating these materials falls on the coordinated effort of the General Manager and the Digital Content Coordinator.
