Students and Central Ohioans, join Ohio Youth for Climate Justice and our partners at the Board of Trustees' Finance and Investments meeting this Thursday to say **DIVEST FROM DEATH!**

\*\*Please arrive at the Alumni Association House at 9:45 am. We will wait outside the building and enter as a group. Note that it is very likely that the committee may meet privately before they allow us into the room. This is normal and we intend to be respectful and patient as we await the public portion of the committee meeting.
