

### Liberty Reexamined: The Declaration of Independence Today

**Jan. 18, 6 p.m., Yehl Ballroom, Gannon University**

WQLN PBS and Gannon University's CHESS Speaker Series Find Your Voice, presented by the College of Humanities, Education, and Social Sciences, invite you to an evening celebrating our freedoms! We'll start with appetizers and a screening of "We Hold These Truths," a film exploring the promise and enduring influence of America's Declaration of Independence at home and worldwide. This promissory note for liberty inspired over 100 nations to seek their independence. In the United States, it influenced the abolitionist movement, the women's suffrage movement, and iconic civil rights figures Frederick Douglass and Dr. Martin Luther King, Jr.

Following the film, local artist Antonio Howard will reveal his design of Erie County's "Bells Across PA" fiberglass replica of the Liberty Bell set to be installed in 2026 during the celebration of America's 250th Anniversary. We'll end the evening with a panel discussion surrounding the film's theme. This event is free and open to the public, but seating is limited. Register today at [www.WQLN.org/Declaration](http://www.WQLN.org/Declaration). *Presented in partnership with Gannon University and America250PA.*

## Be My Neighbor Day Celebration

It was an evening of community spirit at the Boston Store as hundreds of families visited Daniel Tiger for Be My Neighbor Day during Downtown d'Lights! Kids enjoyed hands-on activities, made custom greetings for first responders and service personnel, and took STREAM kits and Daniel Tiger books home. People from around the community ensured that our mitten drive would warm little hands this winter. Thank you to everyone who helped start the holiday season with warmth and generosity! *Thanks to PNC Grow Up Great, Fred Rogers Productions, and Werner Books & Coffee for supporting Be My Neighbor Day.*
