INDEPENDENT AUDITOR'S REPORT

Page 1 of 3

Board of Directors WUNC Public Radio, LLC

Opinion

We have audited the accompanying financial statements of WUNC Public Radio, LLC, a public telecommunications entity operated by The University of North Carolina at Chapel Hill, which comprise the statements of financial position as of June 30, 2023 and 2022, and the related statements of activities and changes in net assets, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of WUNC Public Radio, LLC, as of June 30, 2023 and 2022, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of WUNC Public Radio, LLC, and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about WUNC Public Radio, LLC's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures
 that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the
 effectiveness of WUNC Public Radio, LLC's internal control. Accordingly, no such opinion is
 expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about WUNC Public Radio, LLC's ability to continue as a going concern for a reasonable period of time.

Other Matter

Management's discussion and analysis on pages five through nine is presented to supplement the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. We have applied certain limited procedures to this supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Chapel Hill, North Carolina October 31, 2023

A Public Telecommunications Entity Operated by The University of North Carolina at Chapel Hill MANAGEMENT'S DISCUSSION AND ANALYSIS

Page 1 of 5

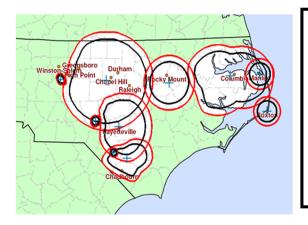

The Organization

North Carolina Public Radio – WUNC creates, acquires, and distributes programming that enhances and reflects the diverse communities it serves. Through a blend of newscasts, feature radio, digital reports, and podcasts, WUNC provides balanced information in a manner designed to help listeners make informed decisions as citizens. WUNC also produces culturally rich music programming that celebrates the diverse musical community in North Carolina. WUNC continues to be one of the most listened to radio stations of any kind in the Raleigh Metro Market. As an NPR affiliate, the station provides a 24 hours-a-day, 7-days-a-week news and public affairs service to listeners throughout the state of North Carolina. WUNC serves a wide geographic area with broadcasts that reach into more than half of North Carolina's 100 counties. For this reason, WUNC strives to produce news stories for a statewide audience and that represent the communities served.

On May 8, 2015, WUNC Public Radio became a limited liability company (LLC) organized pursuant to the North Carolina Limited Liability Company Act. WUNC (91.5 FM) is licensed to WUNC Public Radio, LLC, which is owned by the University of North Carolina at Chapel Hill. WUNC Public Radio, LLC, works to further the University's efforts to extend knowledge-based and educational services to the citizens of North Carolina and to enhance the quality of life for the people of the state.

Over the last forty-seven years, WUNC's mission has been to provide high-quality news, cultural and entertainment content to create a more informed and engaged community. This includes producing award-winning journalism from local reporters and broadcasting national programming, such as *Morning Edition* and *All Things Considered* from NPR. WUNC has multiple reporters focused on education, military and veterans' issues, and state government. In addition, WUNC has one of the largest public radio newsrooms in the southeast with reporters regularly covering race and southern culture, health, the environment, and local music. WUNC reporters are regularly featured on NPR network news magazines such as *All Things Considered* and *Morning Edition*. The station is also a member of the Here & Now Contributors Network and the BBC Hub Station Project.

North Carolina Public Radio – WUNC consists of 9 radio stations:

- WUNC 91.5 FM (flagship station: Triangle & Triad)
- WFSS 91.9 FM (Fayetteville & Sandhills region)
- WRQM 90.9 FM (Rocky Mount/Wilson)
- WUND 88.9 FM (northeastern NC & Outer Banks)
- WURI 90.9 FM (Manteo)
- WBUX 90.5 FM (Buxton)
- WUNW 91.1 FM (Welcome)
- W231.AB 94.1 (Lumberton)
- WZCO 89.9 FM (Chadbourn)

Page 2 of 5

This discussion and analysis of North Carolina Public Radio - WUNC (the Station) is designed to (a) assist the reader in focusing on significant financial issues; (b) provide an overview of the Station's financial activities; and (c) identify changes in the Station's financial position (i.e., its ability to address the next year's challenges). Since the Management's Discussion and Analysis (MD&A) is designed to focus on the current year's activities, resulting changes, and currently known facts, it should be read in conjunction with the Station's financial statements (beginning on page 10).

Financial Statements

The Statement of Financial Position provides a snapshot of the Station's financial position as of the end of the fiscal year.

The Statement of Activities and Changes in Net Assets describes the results of operating and other non-operating revenues and expenses for the fiscal year and shows how those results increase or decrease net assets for the Station as a whole.

The Statement of Cash Flows describes the sources of cash and the expense categories to which those funds were directed. The statement includes cash acquired during the current year, and funds that have been held in reserve from operating surpluses in previous years.

The Statement of Functional Expenses provides an overview of spending by category in Program Services (i.e., the direct expenses of providing programming that is broadcast on the Station) and Supporting Services (i.e., the expenses associated with management, fundraising, and other services required for the professional operation of the Station.)

Overview of the Station's Financial Activities

In fiscal year 2022-2023, North Carolina Public Radio - WUNC maintained its commitment to provide quality news and programming in a cost-effective manner. The station's overall cash increased by \$169,223 from \$21,832,018 to \$22,001,241. This reserve allows the station to maintain and protect critical functions during difficult economic times, such as COVID and economic downturns.

Expenses for the year totaled \$14,375,648, which includes \$508,835 of donated in-kind expenses. These expenses support purchased programming, such as programming from NPR, and locally produced programming. WUNC produced three highly regarded local shows in fiscal year 2022-2023, Embodied, The People's Pharmacy, and Back Porch Music, and supported a new local show, The Poetry Café. Each show serves a unique audience and provides informative local content. WUNC also expanded its digital content offerings, including more in-depth digital features and producing additional episodes of podcasts such as The Politics Podcast, Me & My Muslim Friends, The Story Stables, Great Grief, and Dating While Gray. WUNC is also the lead station for the American Homefront national reporting collaborative. The collaborative of five public radio stations from around the country focuses on breaking through stereotypes to tell in-depth stories about military life and what it means to be a veteran in the 21st century.

Page 3 of 5

Overview of the Station's Financial Activities (Continued)

Revenue raised in fiscal year 2022-2023 totaled \$15,606,659. Ninety percent (90%) of WUNC's revenue was raised through contributions to the station. WUNC Public Radio, LLC's assets exceeded liabilities by \$32,683,143 (total net assets) as of June 30, 2023. The total net assets without donor restrictions, excluding capital assets, increased to \$22,945,782. WUNC receives strong community support from listeners, donors, and underwriters, which helped the Station exceed its annual fundraising goal. Furthermore, WUNC staff tracks expenditures closely in order to keep expenses within budget and to build and maintain a reserve for continuity during difficult times, as well as plan for future expenses and projects.

Condensed Statements of Financial Position as of June 30, 2023 and 2022:

Page 5 of 5

Changes in the Station's Financial Position

WUNC's support from its loyal audience allows the Station to move forward on new projects and opportunities. In fiscal year 2022-2023, the total net assets without donor restrictions, excluding capital assets, increased by \$503,278 to a total of \$22,945,782. The station's overall cash increased by \$169,223 from \$21,832,018 to \$22,001,241. These funds are used to cover emergency operating expenses and support future expenses such as facility and transmitter upgrades and expanding digital offerings. Additionally, these reserves allow the station to maintain a continuity of service, provide increased financial stability, and have the ability to respond to unforeseen circumstances without causing disruption to general operations. This allows the Station to concentrate on its mission of creating a more informed and engaged community and to continue to produce award winning reporting and content.

NATURE OF ACTIVITIES

WUNC Public Radio, LLC (the "Station") is operated by The University of North Carolina at Chapel Hill. Administrative offices and studio facilities are located in the Goodmon Building on the Friday Continuing Education Center campus. Studio facilities are also located in Raleigh, Durham, and Greensboro, North Carolina. Additional broadcasting equipment is located in Chatham County, Rocky Mount, Columbia, and Welcome, North Carolina. WUNC Public Radio, LLC, was formed in May 2015. The Station still operates under the name "North Carolina Public Radio-WUNC".

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting.

The accompanying financial statements are presented in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"). Accordingly, revenues are recognized when earned, and expenses are recognized when the obligation is incurred.

The Station reports gifts of cash and other assets as support with donor restrictions if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends, or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions.

B. Cash and Cash Equivalents.

Cash and cash equivalents consist of monies on deposit with the University of North Carolina at Chapel Hill Temporary Investment Pool, which is a governmental external investment pool. The pool is uninsured under FDIC, but is invested in highly liquid securities including, but not limited to, U.S. Government securities.

C. Investments.

Investments are stated at their fair value. Donated securities and real estate are recorded at their fair value at the date of gift.

D. Accounts Receivable.

Accounts receivable are recorded at net realizable value. The Station uses the reserve method to account for bad debts on accounts receivable. No allowance has been provided given that management of the Station considers accounts receivable fully collectible based on composition and historical collection experience.

A Public Telecommunications Entity Operated by The University of North Carolina at Chapel Hill

NOTES TO FINANCIAL STATEMENTS

Page 2 of 13

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

E. Promises to Give.

Unconditional promises to give are recognized as support and assets in the period received. Conditional promises to give are recognized when the conditions on which they depend are substantially met. Unconditional promises to give that are expected to be collected within one year are recorded at net realizable value. Unconditional promises to give that are expected to be collected in future years are recorded at the present value of their estimated future cash flows. An allowance for uncollectible promises to give is based on management's estimates and historical collection experience.

F. Capital Assets.

Capital assets are recorded at cost, and donated capital assets are recorded at fair value at the date of the gift. Property and equipment are capitalized if their life is expected to be greater than one year and their cost is \$5,000 or more. Depreciation is computed over estimated useful asset lives ranging from three to forty years using the straight-line method. Maintenance, repairs, and small equipment purchases are charged to expense when incurred.

G. Broadcasting Licenses.

Broadcast licenses are recorded at cost, are not subject to amortization, and are tested for impairment at least annually. At June 30, 2023 and 2022, management determined no impairment loss was required.

H. Classification of Net Assets.

Net assets, support and revenue, gains, and losses are classified based on the existence or absence of donor or grantor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Without Donor Restrictions - Resources of the Station that are not restricted by donors or grantors as to use or purpose. These resources include amounts generated from operations and undesignated gifts, and investments in property and equipment.

With Donor Restrictions - Resources that carry donor-imposed restrictions. Donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

A Public Telecommunications Entity Operated by The University of North Carolina at Chapel Hill

NOTES TO FINANCIAL STATEMENTS

Page 3 of 13

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

I. Revenue Recognition.

The Station recognizes revenue from contracts with customers under Accounting Standards Codification Topic 606, *Revenue from Contracts with Customers*. Revenue is recognized as performance obligations with customers are satisfied, which can be at a point in time, or over time, depending on the contract.

J. Leases.

The Station determines if an arrangement is a lease at inception and reassesses if there are changes in terms and conditions of the contract. Operating leases are included in right-of-use assets - operating leases, and operating lease liabilities on the statements of financial position. Lease assets and liabilities are recognized based on the present value of the future minimum lease payments over the lease term at commencement date. As most of the Station's leases do not provide an implicit rate, the Station uses its incremental borrowing rate based on the information available at commencement date in determining the present value of future payments. Lease assets also include any lease payments made before lease commencement and initial direct costs and reduced for any lease incentives. In determining the lease term at lease commencement, the Station includes the noncancellable term and the periods which the Station deems it is reasonably certain to exercise or not to exercise a renewal or cancellation option. Operating lease expense for minimum lease payments is recognized on a straight-line basis over the lease term.

K. Income Taxes.

The Station is a single-member limited liability company, owned by The University of North Carolina at Chapel Hill, which is a branch of the North Carolina state government. It is a disregarded entity for tax purposes, and therefore exempt from federal and state income taxes except for taxes associated with unrelated business income.

L. Advertising Costs.

Advertising costs are charged to operations when incurred. Advertising costs for the years ended June 30, 2023 and 2022, were \$314,237 and \$289,463, respectively.

M. Estimates.

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates, and those differences can be material.

A Public Telecommunications Entity Operated by The University of North Carolina at Chapel Hill

NOTES TO FINANCIAL STATEMENTS

Page 4 of 13

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

N. New Accounting Pronouncement.

In February 2016, the Financial Standards Accounting Board ("FASB") issued Accounting Standards Update ("ASU") 2016-02, Leases (Topic 842). The guidance in this ASU supersedes the leasing guidance in Topic 840, Leases. Under the new guidance, lessees are required to recognize lease assets and lease liabilities on the statements of financial position for all leases with terms longer than twelve months. Leases will be classified as either finance or operating, with classification affecting the pattern of expense recognition in the statements of activities and changes in net assets. The new standard was effective July 1, 2022. The Station adopted this ASU using the effective date transition method. The Station elected the following practical expedients upon transition: 1) no need to reassess whether any expired or existing contracts are or contain leases, 2) no need to reassess the lease classification for any expired or existing leases, and 3) no need to reassess initial direct costs for any existing leases.

O. Future Accounting Pronouncement.

In June 2016, FASB issued ASU 2016-13, *Financial Instruments – Credit Losses*. The standard requires credit impairment to be recognized as an allowance for credit losses, rather than as a direct write-down of the financial asset. This standard will be effective for the year ending June 30, 2024. The Station is currently in the process of evaluating the impact of adoption of this ASU on the financial statements.

LIQUIDITY AND AVAILABILITY

The following represents the Station's current financial assets at June 30, 2023 and 2022:

| | 2023 | 2022 |
|---|---------------|---------------|
| Cash and cash equivalents | \$ 22,001,241 | \$ 21,832,018 |
| Investments | 46,752 | 51,922 |
| Accounts receivable | 388,085 | 425,633 |
| Other receivables | - | 3,750 |
| Promises to give, net | 6,847,772 | 6,504,155 |
| | 29,283,850 | 28,817,478 |
| Less amounts unavailable for general expenditures within | | |
| one year, due to restrictions by donor | (10,000) | (31,652) |
| Financial assets available to meet cash needs for general | | |
| expenditures within one year | \$ 29,273,850 | \$ 28,785,826 |

A Public Telecommunications Entity Operated by The University of North Carolina at Chapel Hill

NOTES TO FINANCIAL STATEMENTS

Page 5 of 13

LIQUIDITY AND AVAILABILITY (CONTINUED)

The Station's programs are supported both by contributions with and without donor restrictions. Donors include individuals, corporations, and foundations. Because a donor's restriction requires resources to be used in a particular manner or in a future period, the Station must maintain sufficient resources to meet those responsibilities to its donors. Thus, financial assets may not be available for general expenditure within one year. As part of the Station's liquidity management, it has a policy to structure its financial assets to be available as its general expenditures, liabilities, and other obligations come due.

PROMISES TO GIVE

Promises to give for the years ended June 30, 2023 and 2022, are as follows:

| | 2023 | 2022 |
|-------------------------------------|-----------------|-----------------|
| Receivable in less than one year | \$ 7,616,498 | \$ 7,483,470 |
| Allowance for uncollectible pledges | (768,726) | (979,315) |
| | \$ 6,847,772 | \$ 6,504,155 |

INVESTMENTS

All investments are invested in The University of North Carolina at Chapel Hill Foundation Investment Fund, Inc. ("CHIF"). All investments of CHIF are comprised solely of shares in an external investment pool, UNC Investment Fund, LLC (the "Fund"). CHIF is not registered with the Securities and Exchange Commission and is not subject to formal oversight other than that provided by its Board. The Fund's Board approves the Fund's investment objectives and policies and the hiring of investment managers, and monitors its policy implementation and investment performance. Within the Fund, the fair value of all debt and equity securities with readily determinable fair values are based on quoted market prices. Investments for which a readily determinable fair value does not exist may include investments in private equity, hedge funds, and limited partnerships. These investments are carried at estimated fair values as provided by the respective fund managers of these investments. UNC Management Company, Inc., the manager of the Fund, reviews and evaluates the fair values provided by the respective fund managers as well as the valuation methods and assumptions used in determining the fair value of such investments. Those estimated fair values may differ significantly from the values that would have been used had a ready market for these investments existed. Such differences could be material.

A derivative is a financial instrument created from, or whose value is derived from, the value of one or more underlying assets, reference rates, indexes, or asset values. These instruments may include forwards, futures, options, and currency and interest rate swaps. The Fund utilizes various external investment managers to identify specific investment funds and limited partnerships that meet asset allocation and investment management objectives. These managers and related funds are used to increase the yield and return on the investment portfolio given the available alternative investment opportunities and to diversify its asset holdings. Certain of these investments expose the Fund to market risk by trading or holding direct and indirect derivative securities and by leveraging the securities in the Fund. This risk is mitigated by the Fund's requirement that leveraged securities must be fully collateralized.

A Public Telecommunications Entity Operated by The University of North Carolina at Chapel Hill

NOTES TO FINANCIAL STATEMENTS

Page 6 of 13

INVESTMENTS (CONTINUED)

Indirect derivatives held by the Fund, (i.e. derivatives held by external investment managers) are primarily used to manage portfolio risk. The Fund's managers use indirect derivatives primarily to hedge underlying positions or to gain exposure to specific markets in an efficient, inexpensive, liquid, and diversified manner. By holding indirect derivatives, the Fund could be exposed to interest rate risk, credit risk, concentration of credit risk, and foreign currency risk. The Fund considers the risk associated with these holdings to be prudent and within acceptable bounds. Investments in the Fund at June 30 consist of following:

| | 2023 | | 2022 |
|--------------------------------------|--------------|----|--------|
| Fair Value | \$ 46,752 | \$ | 51,922 |
| Cost | 37,041 | | 40,281 |
| Accumulated net change in fair value | \$ 9,711 | \$ | 11,641 |

At June 30, 2023 and 2022, the investment allocation of the Fund consists of the following:

| | 2023 | 2022 |
|------------------------------|--------|--------|
| Long Biased Equity | 25.5% | 23.4% |
| Long / Short Equity | 14.2% | 14.2% |
| Diversifying Strategies | 9.2% | 8.2% |
| Fixed Income | 6.0% | 7.0% |
| Private Equity | 32.0% | 34.3% |
| Real Estate | 8.1% | 7.0% |
| Energy and Natural Resources | 4.6% | 4.8% |
| Cash | 0.2% | 0.9% |
| Other | 0.2% | 0.2% |
| | 100.0% | 100.0% |

FAIR VALUE MEASUREMENT

Investments are presented in the financial statements at fair value determined in accordance with FASB Accounting Standards Codification Topic 820 ("ASC 820"), *Fair Value Measurement*. ASC 820 permits reporting entities, as a practical expedient, to estimate the fair value of their investments in certain entities that calculate net asset value ("NAV") per share, by using NAV if the net asset value per share of the investment is calculated in a manner consistent with the measurement principles of FASB ASC Topic 946 ("ASC 946"), *Financial Services-Investment Companies*, as of the reporting entity's measurement date.

The Station elects to use NAV as a practical expedient to estimate the fair value of its investments in CHIF. CHIF's manager calculates NAV using fair value estimates of the underlying securities and other financial instruments. The estimated fair values of these underlying investments, which may include private placements and other securities for which prices are not readily available, may not reflect amounts that could be realized upon immediate sale, nor amounts that ultimately may be realized.

A Public Telecommunications Entity Operated by The University of North Carolina at Chapel Hill

NOTES TO FINANCIAL STATEMENTS

Page 7 of 13

FAIR VALUE MEASUREMENT (CONTINUED)

Accordingly, the estimated fair values may differ significantly from the values that would have been used had a ready market existed for these investments. The fair value of the Station's investments in CHIF generally represents the amount the Station would expect to receive if it were to liquidate its investment excluding any redemption charges that may apply.

Determining whether CHIF's manager has calculated NAV in a manner consistent with ASC 946 requires the Station to independently evaluate the fair value measurement process utilized to calculate the NAV. Such an evaluation is a matter of professional judgment and includes determining that CHIF's manager has an effective process and related internal controls in place to estimate the fair value of its investments that are included in the calculation of NAV. The Station's evaluation of the process used by the CHIF's manager includes initial due diligence, ongoing due diligence, and financial reporting controls.

There were no changes during the years ending June 30, 2023 and 2022, to the Station's valuation techniques used to measure asset values on a recurring basis.

CAPITAL ASSETS

Capital assets activity for the year ended June 30, 2023, is as follows:

| | 2022 | | | 2023 |
|------------------------|--------------|------------|-------------|--------------|

COMMUNITY SERVICE GRANTS

The Corporation for Public Broadcasting ("CPB") is a private, nonprofit corporation, funded by federal appropriations authorized by the United States Congress and other sources. CPB distributes annual Community Service Grants to qualifying public communications entities. These grants are used to augment the financial resources of public radio stations and thereby to enhance the quality of programming and expand the scope of public radio services. Each grant may be expended over one or two federal fiscal years as described in the Communications Act 47, United States Code Annotated Section 396(k)(7), (1983) Supplement, and within two years of the initial grant authorization.

The Station uses these funds for purposes relating primarily to production and acquisition of programming. Also, the grants may be used to sustain activities started with Community Service Grants awarded in prior years.

NOTES TO FINANCIAL STATEMENTS

Page 9 of 13

COMMUNITY SERVICE GRANTS (CONTINUED)

The grants are reported in the accompanying financial statements as operating revenue; however, certain guidelines must be satisfied in connection with application for and use of the grants to maintain eligibility and compliance requirements. These guidelines pertain to the use of grant funds, recordkeeping, audits, financial reporting, and licensee status with the Federal Communications Commission. For the years ended June 30, 2023 and 2022, \$702,243 and \$657,268, was received and expended under these grants, respectively.

INCOME TAX EXPENSE

The Station is subject to income tax on unrelated business income. Unrelated business income is any income generated by a trade or business that is not substantially related to the exercise of the Station's exempt purpose. When applicable, the Station is liable for unrelated business income tax on revenue generated from user fees charged to private companies renting space on broadcast towers. For the years ended June 30, 2023 and 2022, the Station was liable for unrelated income tax in the amount of \$44,285 and \$45,997, respectively.

NET ASSETS WITH DONOR RESTRICTIONS

Net assets with donor restrictions at June 30, 2023 and 2022, consist of the following:

| | 2023 | 2022 |
|---|--------------|--------------|
| Time restricted: | | |
| Promises to give without donor restrictions | \$ 6,847,772 | \$ 6,504,155 |
| | | |
| Purpose restricted: | | |
| Education Grant | - | 21,652 |
| Perpetuity restricted | 10,000 | 10,000 |
| | 10,000 | 31,652 |
| | | _ |
| Net assets with donor restrictions | \$ 6,857,772 | \$ 6,535,807 |

RETIREMENT PLAN

Each permanent full-time employee, as a condition of employment, is a member of either the Teacher's and State Employees Retirement System of North Carolina (the "System") or the Optional Retirement Program (the "Program"). The System is a cost sharing, multiple-employer defined benefit pension plan established by the North Carolina General Statutes and administered by the State. The policy of the Station is to fund its portion of pension costs accrued for this System as determined by the State. Contributions to the System plan are based on a percentage of the employee's salary. The contributions to the System plan totaled \$630,385 and \$488,104, for the years ended June 30, 2023 and 2022, respectively. The Program is a defined contribution retirement plan that provides retirement benefits with options for payments to beneficiaries in the event of the participant's death. Employer and member contributions are set each year by the North Carolina General Assembly. Contributions to the Program plan totaled \$354,758 and \$264,095, for the years ended June 30, 2023 and 2022, respectively.

CONTRIBUTION OF NONFINANCIAL ASSETS

The Station recognizes contributions that create or enhance nonfinancial assets or that require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation. During the year, the Station received significant amounts of professional services in exchange for underwriting recognition on air. For the years ended June 30, 2023 and 2022, contributed nonfinancial assets recognized within the statements of activities and changes in net assets included:

| | 2023 | | 2022 |
|------------------------------------|---------------|---|---------------|
| Facilities rent | \$ 162,201 | - | \$ 165,804 |
| Advertising | 98,790 | | 112,783 |
| Operating and fundraising supplies | 94,978 | | 68,212 |
| Contract services | 101,298 | | 43,555 |
| Utilities | 35,294 | | 29,079 |
| Printing | 8,964 | | 9,464 |
| Dues | 7,310 | | 2,900 |
| | | | |
| | \$ 508,835 | ; | \$ 431,797 |
| | | | |

All contributed nonfinancial assets were utilized during the year they were received for various programs, as well as general management and fundraising purposes. There were no donor-imposed restrictions associated with the contributed nonfinancial assets. Contributed services are valued and are reported at the estimated fair value in the financial statements based on current rates for similar services.

During the years ended June 30, 2023 and 2022, the Station received significant amounts of personal services from volunteers that did not meet the requirements above for recognition in the financial statements.

UNIVERSITY OF NORTH CAROLINA SUPPORT

The University of North Carolina at Chapel Hill (the "University") provides indirect administrative support to the Station. This support is in the form of assistance, guidance, and service in areas of management, accounting, budget, legal, purchasing, and physical plant operations. The Station paid the University \$22,000 for these services for each year ended June 30, 2023 and 2022. The University also provides electrical services at no cost that totaled \$35,294 and \$29,079, for the years ended June 30, 2023 and 2022, respectively.

LEASES

The Station is obligated under six lease agreements for office and studio space, and ground space for towers in various parts of North Carolina. The agreements are non-cancellable and accounted for as operating leases, many of which contain renewal and rent escalation clauses. The leases expire at various dates through December 2042, which includes the optional renewal periods. Other information related to the leases is as follows:

| | 2023 |
|---|-----------------|
| Cash paid for amounts included in the measurement of lease liabilities: Operating cash flows from operating leases | \$ 132,690 |
| Right-of-use assets obtained in exchange for lease obligations upon adoption: Operating leases | \$ 1,190,901 |
| Weighted-average remaining lease term (in years): Operating leases: | 13.91 |
| Weighted-average discount rate: Operating leases: | 4.00% |

The Station received partial rent credit for two locations for office and studio space, in exchange for underwriting recognition on air. This credit amount was \$162,201 and \$165,804, for the years ended June 30, 2023 and 2022, respectively.

LEASES (CONTINUED)

Minimum future payments for all leases as of June 30, 2023 were as follows:

| Year ending June 30, | |
|-------------------------------------|-----------------|
| 2024 | \$ 96,738 |
| 2025 | 80,772 |
| 2026 | 112,906 |
| 2027 | 129,627 |
| 2028 | 138,664 |
| Thereafter | 933,135 |
| Total future minimum lease payments | 1,491,842 |
| Less present value discount | (387,890) |
| Total lease liability | \$ 1,103,952 |
| Reported as of June 30, 2023: | |
| Current lease liability | \$ 54,122 |
| Other lease liability | 1,049,830 |
| Total lease liability | \$ 1,103,952 |

Lease costs for the years ended June 30, 2023 and 2022 were as follows:

| 2023 | | 2022 | |
|---------------|--|--|--|
| | | | |
| \$ 187,282 | \$ | 130,349 | |
| 10,005 | | 6,000 | |
| 111,607 | | 107,524 | |
| 162,201 | | 165,804 | |
| \$ 471,095 | \$ | 409,677 | |
| \$ | \$ 187,282 10,005 111,607 162,201 | \$ 187,282 \$ 10,005 111,607 162,201 | |

TOWER RENTAL

The Station leases tower space to various cell phone companies for their equipment. Lease agreements expire at various times between 2027 and 2037, including automatic renewal period. Future minimum lease receipts are as follows:

| Year ending June 30, | |
|----------------------|-----------------|
| 2024 | \$ 183,016 |
| 2025 | 189,312 |
| 2026 | 189,312 |
| 2027 | 165,391 |
| 2028 | 133,061 |
| Thereafter | 1,040,799 |
| | \$ 1,900,891 |

PROGRAMMING COSTS

Programming costs consist of the following for the years ended June 30, 2023 and 2022:

| | 2023 | 2022 |
|-----------------------|--------------|--------------|
| National Public Radio | \$ 1,478,232 | \$ 1,364,446 |
| American Public Media | 185,624 | 156,240 |
| PRX | 75,945 | 72,330 |
| Other | 145,455 | 167,833 |
| | \$ 1,885,256 | \$ 1,760,849 |

FUNCTIONAL ALLOCATION OF EXPENSES

The costs of providing various programs and other activities have been summarized on a functional basis in the statements of activities and changes in net assets. The statements of functional expenses present the natural classification detail of expense by function. Costs have been directly coded to program and supporting services as incurred.

SUBSEQUENT EVENTS

In August 2023, the Station purchased the FCC license and equipment of FM Radio Station WZCO for \$50,000.

Management has evaluated subsequent events for recognition or disclosure through October 31, 2023, which was the date that the financial statements were available to be issued. Management did not identify any other subsequent events that require disclosure.
