MANAGEMENT'S DISCUSSION AND ANALYSIS
(Unaudited)

For the Years Ended June 30, 2021, 2020 and 2019

Iowa Public Radio, Inc. ("IPR") provides this Management's Discussion and Analysis as a narrative overview of the financial performance of IPR as of and for the three years ended June 30, 2021, 2020 and 2019. This discussion has been prepared by management and should be read in conjunction with the financial statements and footnotes that follow.

The Board of Regents, State of Iowa, established Iowa Public Radio, Inc. to manage the day-to-day operations including management, programming and technical support of the public radio operations at the three Regents' universities. This includes the stations of the KUNI Radio Group ("KUNI") owned by the University of Northern Iowa, the stations of the WOI Radio Group ("WOI") owned by Iowa State University and the stations of WSUI Radio Group ("WSUI") owned by the University of Iowa. IPR is governed by a board of directors consisting of eighteen appointees. The President of the Board of Regents appoints fifteen community directors to represent the interests of Iowa's communities. The president at each of the Regents' universities appoints a university director to represent the interests of each respective university.

The audited financial statements and footnotes of IPR should be read in conjunction with the audited financial statements and footnotes of each of the radio stations.

Iowa Public Radio enriches the civic and cultural life in Iowa through high quality news and cultural programming. IPR delivers three streams of programming statewide, bringing Iowans award-winning national programming and producing local programs that reflect Iowa's sense of place. IPR's mission will be accomplished by focusing on its goals – strengthen the impact, reach and performance of the organization in order to better serve Iowans; grow and engage audience; deliver national, international and local news and cultural programming and develop a sustainable funding model that allows the network to thrive.

Using the Audited Financial Statements

This analysis is intended to introduce the basic financial statements of IPR which consist of the Statements of Net Position, the Statements of Revenues, Expenses and Changes in Net Position and the Statements of Cash Flows. IPR prepares its financial statements in accordance with Governmental Accounting Standards Board ("GASB") standards. These financial statements provide information on IPR as a whole and present both a short-term and long-term view of IPR's financial position. The basic financial statements also include the Notes to the Financial Statements which further explain and provide detail about the financial statements.

The Statements of Net Position

The Statements of Net Position present the assets, liabilities and net position of IPR using the economic resources measurement focus and accrual basis of accounting. The Statements of Net Position represent the financial position at the end of each fiscal year. The difference between assets and liabilities – or net position – is one indicator of the current financial condition. The change in net position shown on the Statement of Revenues, Expenses and Changes in Net Position indicates whether the overall financial condition has improved during the fiscal year.

for the year ended June 30, 2019. This increase was due to increases in contributions, major gifts and grants, and underwriting revenue offset by decreases in online ad revenue and revenue from special events and projects.

Total operating expenses for the year ended June 30, 2021 increased 1.9% to \$7,055,950 compared to \$6,924,360 for the year ended June 30, 2020. Major components of operating expenses include:

- Broadcasting and engineering related expenses increased operating expenses by \$204,312 primarily due to increases in supplies, repairs and maintenance and salaries, wages and benefits offset by decreases in travel and telecommunications;
- Programming and production related expenses increased operating expenses by \$12,930 primarily due to an increase in salaries, wages and benefits offset by decreases in programming fees, travel, professional services, supplies and professional development;
- Depreciation expense increased operating expenses by \$9,424;
- Management and general related expenses decreased operating expenses by \$59,680 primarily due to decreases in salaries, wages and benefits, contribution expense, travel, postage, supplies, professional development and printing offset by increases in professional services and repairs and maintenance;
- Fundraising and membership development related expenses decreased operating expenses by \$20,416 primarily due to decreases in professional services, printing, professional development and postage offset by increases in salaries, wages and benefits and supplies; and
- Program information and promotion related expenses decreased operating expenses by \$14,980 primarily due to decreases in professional services, salaries, wages and benefits and travel.

Total operating expenses for the year ended June 30, 2020 increased 4.5% to \$6,924,360 compared to \$6,627,037 for the year ended June 30, 2019. This increase was primarily due to increases in salaries, wages and benefits, professional services, depreciation, repairs and maintenance, facilities and telecommunications offset by decreases in contribution expense, supplies, travel and programming fees.

Non-operating revenues (expenses) for the year ended June 30, 2021 increased 82.3% to \$646,640 compared to \$354,630 for the year ended June 30, 2020. This increase is primarily due to an increase in investment return offset by decreases in rental revenue and state appropriation.

Non-operating revenues (expenses) for the year ended June 30, 2020 decreased 7.8% to \$354,630 compared to \$384,837 for the year ended June 30, 2019. This decrease was primarily due to a decrease in investment return offset by an increase in rental revenue.

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of
Iowa Public Radio, Inc.:

We have audited the accompanying financial statements of Iowa Public Radio, Inc. (a nonprofit organization), as of and for the years ended June 30, 2021 and 2020, and the related notes to the financial statements, which collectively comprise Iowa Public Radio, Inc.'s basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to an express opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risk of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the net position of Iowa Public Radio, Inc. as of June 30, 2021 and 2020, and the changes in its net position and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matter

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis on pages 1 - 6 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

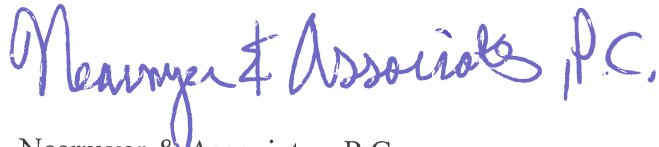

Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the financial statements that collectively comprise Iowa Public Radio, Inc.'s basic financial statements. The schedules of functional expenses on pages 23 - 24 are presented for the purpose of additional analysis and are not a required part of the basic financial statements.

The schedules of functional expenses are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedules of functional expenses are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated November 30, 2021 on our consideration of Iowa Public Radio, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Iowa Public Radio, Inc.'s internal control over financial reporting and compliance.

IOWA PUBLIC RADIO, INC.

NOTES TO FINANCIAL STATEMENTS

June 30, 2021

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Reporting Entity

Iowa Public Radio, Inc. (the "Organization") is organized as a public benefit corporation under the Revised Iowa Non-Profit Corporation Act, Chapter 504 of the Code of Iowa. The Organization was formed to support the welfare and growth of the network of public radio stations in the State of Iowa, including, but not limited to, the public radio stations currently owned and licensed to the University of Northern Iowa, Iowa State University and the University of Iowa. The state universities are divisions of the State of Iowa, governed by the Board of Regents, State of Iowa ("Board of Regents"). The Organization is governed by an eighteen member board, with one licensee director appointed by each university president to represent the interest of the station licensee. Upon dissolution of the Corporation, the Organization shall distribute all of the assets of the Corporation to the Board of Regents or at the direction of the Board of Regents, the Organization shall distribute all of the assets of the Corporation to one or more non-profit organizations which are operated exclusively for charitable or educational purposes.

The Organization has been determined to be a component unit of the State of Iowa. The Organization's financial statements are included in the State's Comprehensive Annual Financial Report.

Financial Statement Presentation

The Organization's financial statements are prepared in accordance with accounting principles generally accepted in the United States of America as prescribed by the Governmental Accounting Standards Board ("GASB").

Basis of Accounting

For financial reporting purposes, the Organization is considered a special-purpose government engaged only in business-type activities. Accordingly, the financial statements of the Organization have been prepared using the economic resources measurement focus and the accrual basis of accounting. As a result, revenues are recognized when earned and expenses are recorded when an obligation has been incurred.

Nature of Activities

The Organization is operated exclusively for charitable and educational purposes. The Organization's mission is to inform, enrich and engage Iowans through high quality news and cultural programming. The Organization delivers three streams of programming statewide, bringing Iowans award-winning national programming and producing local programs that reflect Iowa's sense of place. The Organization is primarily supported by contributions from the public.

Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles

("GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Unconditional Promises to Give

Unconditional promises to give are periodically evaluated for collectability based on payment history with the donor, time elapsed since the pledge was received and the number of collection attempts the Organization has made. Based on these criteria, management determines an appropriate allowance for doubtful accounts. The allowance for doubtful accounts totaled \$198 and \$1,940 as of June 30, 2021 and 2020, respectively.

Underwriting Receivables

Underwriting receivables are carried at original invoice amount less an estimate made for doubtful accounts based on a review of all outstanding amounts. Management determines an appropriate allowance for doubtful accounts by identifying past due accounts and by using historical experience applied to an aging of accounts. Underwriting receivables are written off when deemed uncollectible. Recoveries of trade receivables previously written off are recorded when received. The allowance for doubtful accounts totaled \$6,408 and \$7,691 as of June 30, 2021 and 2020, respectively.

Inventory

Inventory is carried at the lower of cost or market. Item costs are determined using the first-in, first-out method. Inventory, which is reported as a current asset in the Statements of Net Position, consists of merchandise held for sale and premiums. Inventory totaled \$47,320 and \$40,132 as of June 30, 2021 and 2020, respectively.

Fair Value of Financial Instruments

The carrying amounts of cash, promises to give, underwriting receivable, accounts receivable, grants receivable, prepaid expenses, inventory, accounts payable, advance payments on underwriting agreements, accrued expenses and unearned revenue approximate fair value because of the short maturity of those financial instruments.

The Organization holds certain investments that are required to be measured at fair value on a recurring basis. The financial instruments reported at fair value are classified based on the inputs used to determine the value, as follows:

- Level 1: Valuation is based upon quoted prices for identical instruments traded in active markets.
- Level 2: Valuation is based upon quoted prices for similar instruments in active markets, quoted prices for identical or similar instruments in markets that are not active, and model based valuation techniques for which all significant assumptions are observable in the market.
- Level 3: Valuations that require inputs that are both significant to the fair value measurement and unobservable in the market.

The Organization has the following recurring fair value measurements as of June 30, 2021:

- Long-term growth portfolio fund of \$1,131,526 is recorded at fair value based on market price obtained from an external investment manager (Level 2).

The Organization has the following recurring fair value measurements as of June 30, 2020:

- Long-term growth portfolio fund of \$777,651 is recorded at fair value based on market price obtained from an external investment manager (Level 2).

Capital Assets

Capital assets are recorded at cost at the date of acquisition or at acquisition value at the date of donation. The Organization's capitalization policy for furniture and fixtures and equipment includes all items with a unit cost of at least \$1,000 and an estimated useful life of greater than one year. Improvements to leased property are charged to operations in the year in which the expense is incurred unless the improvements are significant and determined to meet the Organization's capitalization policy.

Depreciation is calculated using the straight-line method over the estimated useful lives of the assets, generally 5-10 years for furniture and fixtures, 3-10 years for equipment and 3-20 years for leasehold improvements. Depreciation expense charged to operations for the years ended June 30, 2021 and 2020 totaled \$78,731 and \$69,307, respectively.

Program Underwriting and Advance Payments on Underwriting Agreements

The Organization assumes all billing and collection activities of program underwriting for the radio stations licensed to the state universities. Underwriting support is treated as conditional contributions, and recognized when the conditions are met, based on the terms of the underwriting agreements, and are recognized primarily on a pro rata basis as the underwriters are acknowledged.

Net Position

The Organization's net position is classified as follows:

Investment in capital assets - Capital assets, net of accumulated depreciation attributable to the acquisition, construction, or improvement of those assets.

Restricted, expendable - Net position subject to externally imposed restrictions on use of resources either legally or contractually.

Restricted, non-expendable - Net position subject to externally imposed restrictions in which the donors or other outside sources have stipulated the principal is to be maintained inviolate and retained in perpetuity and invested for the purpose of producing income which will either be expended or added to principal.

Unrestricted - Net position not subject to externally imposed restrictions and which may be used to meet current obligations for any purpose or designated for specific purposes by action of management.

When an expense is incurred for which both restricted and unrestricted net position is available, the Organization's policy is to first apply the expense against the restricted and then toward the unrestricted asset.

Revenue Recognition

Unconditional promises to give are recognized as revenue in the period the unconditional promise is made. Sustaining pledges are recognized as revenue when payment is received. Contributions of assets other than cash are recorded at their estimated fair value. Grants are recognized as revenue in the period the grant is

awarded. Grants and contributions are considered available for unrestricted use, unless specifically restricted by the grantor or donor.

Contributed Services

Contributed services are recognized as contributions if the services received, created or enhanced a long-lived asset or required specialized skills provided by individuals possessing those skills and would typically need to be purchased if not provided by donation. Volunteers provide a variety of tasks that assist the Organization throughout the year that have not been recognized as contributions in the financial statements because the criteria for recognition was not met.

Functional Allocation of Expenses

The cost of providing program services, support services and depreciation are summarized on a functional basis in the Statements of Revenues, Expenses and Changes in Net Position and in the Schedules of Functional Expenses. Accordingly, certain costs have been allocated between program and support services on the basis of benefits received.

Advertising

Advertising expenses are charged to operations in the period in which they are incurred. Advertising expense charged to operations for the years ended June 30, 2021 and 2020 totaled \$16,951 and \$24,120, respectively.

Income Taxes

The Organization is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code. The Organization is also exempt from State of Iowa income taxes; therefore, there is no provision for either federal or state income taxes.

The Organization has evaluated their material tax positions and determined no income tax effects with respect to the financial statements. The years from June 30, 2018 through current are subject to U.S. federal income tax examinations by tax authorities. The Organization has not been notified of any impending examinations by tax authorities, and no examinations are in process.

Operating and Non-Operating Activities

Operating activities generally result from the management, programming, technical support and fundraising for the radio stations licensed to the state universities. Revenues restricted by donors for the use of capital improvements and revenues and expenses that result from financing and investing activities are recorded as non-operating revenues.

Reclassification

Certain prior year amounts have been reclassified to conform to current year presentations.

2. TRANSACTIONS WITH STATE UNIVERSITIES

In May, 2007, the Organization entered into a Public Service Operating Agreement ("PSOA") to manage the day-to-day operations of the radio stations on behalf of the Board of Regents and the universities consistent with Federal Communications Commission ("FCC") requirements for licensee control. The PSOA expired June 30, 2013 and was renewed by the Board of Regents through June 30, 2019 and was extended through

June 30, 2020. The Organization is currently operating under the automatic 3-year renewal provision in the 2019 agreement. The Organization provides services to each of the universities including management, programming and technical support and serves as the primary fundraising entity. Contribution expense for operating activity for the years ended June 30, 2021 and 2020 is as follows:

	<u>2021</u>	<u>2020</u>
Contribution expense		
University of Northern Iowa (Licensee: KUNI)	\$ 830,000	\$ 750,000
Iowa State University (Licensee: WOI)	470,000	598,381

Total contribution expense	<u>\$ 1,875,000</u>	<u>\$ 1,923,381</u>

There were no contributions payable as of June 30, 2021 and 2020.

Financial statements for the universities can be obtained from the University of Northern Iowa's Office of Business Operations, 103 Gilchrist Hall, Cedar Falls, IA 50614-0008, Iowa State University's Controller's Department, 1640 Administrative Services Building, 2221 Wanda Daley Drive, Ames, IA 50011-1004 and the University of Iowa's Controller's Office, Jessup Hall, 5 West Jefferson Street, Iowa City, IA 52242.

3. CASH, CASH EQUIVALENTS AND INVESTMENTS

Cash and cash equivalents of the Organization are held by Iowa State University (the "University") and Iowa State University Foundation (the "Foundation") and consist of restricted and unrestricted cash on hand, in checking, savings, and money market accounts, and highly liquid investments with original maturities of less than three months. Cash equivalents are readily convertible to known amounts of cash.

Investments are made in accordance with Chapter 12B.10 of the Code of Iowa and Board of Regents policy. Investments contributed to the Organization include donated securities and a life insurance policy. The donated securities are recorded at fair value on the date of the gift. The Organization sells the donated securities upon receipt and held no securities as of June 30, 2021 and 2020. The life insurance policy is recorded at the cash surrender value.

Investments managed by the Organization include the Iowa Public Radio Operating Endowment Fund and the Second Century Fund at the Foundation and the Iowa Public Radio Fund at the Community Foundation of Greater Des Moines. Investments held by the Foundation are invested in the long-term pool. Investments held by the Community Foundation of Greater Des Moines are invested in a long-term growth portfolio.

Investments were comprised of the following as of June 30, 2021 and 2020:

	<u>2021</u>	<u>2020</u>
Investments		
Iowa Public Radio Operating Endowment	\$ 663,010	\$ 498,548

Other investments		
Cash surrender value of life insurance policy	12,899	12,499
Total investments	<u>\$ 1,144,425</u>	<u>\$ 790,150</u>

Investment return for the years ended June 30, 2021 and 2020 is summarized as follows:

	<u>2021</u>	<u>2020</u>
Investment return		
Dividends and interest	\$ 32,679	\$ 29,473
Management fees	(272)	(265)
Net realized and unrealized gains (losses)	268,564	(30,876)
Total investment return	<u>\$ 300,971</u>	<u>\$ (1,668)</u>

The Organization's cash and cash equivalents and investments are subject to the following risks:

Interest Rate Risk

Interest rate risk is the risk that changes in interest rates will adversely affect the fair value of an investment.

Credit Risk

Credit risk is the risk that an issuer or other counterparty to an investment will not fulfill its obligations. The Foundation manages credit risk by diversification to multiple counterparties.

Concentration of Credit Risk

Concentration of credit risk is the risk of loss attributed to the magnitude of an investment in a single issuer. As of June 30, 2021, the Organization's cash and cash equivalents were highly concentrated in the University and Foundation cash accounts.

Custodial Credit Risk

Custodial credit risk is the risk that in the event of failure of a depository financial institution, the Organization may not be able to recover deposits or collateral securities. The cash accounts of the University are FDIC insured or covered by the State of Iowa Sinking Fund.

As of June 30, 2021 and 2020, the carrying amount of deposits with the Foundation totaled \$2,331,223 and \$2,256,421, respectively.

The Foundation maintains deposits in various financial institutions. Deposits in excess of the Federal Deposit Insurance Corporation ("FDIC") insured limit per bank are swept into a collateralized overnight repurchase

account with the same institution, eliminating the risk of uninsured cash balance. Therefore, there were no uncollateralized amounts in excess of the FDIC insured limit as of June 30, 2021 or 2020. The Foundation has not experienced any losses in such accounts and Foundation management believes it is not exposed to any significant credit risk.

Financial statements for the Foundation can be obtained from the Iowa State University Foundation at 2505 University Boulevard, Ames, IA 50010-2230.

4. UNCONDITIONAL PROMISES TO GIVE

Unconditional promises to give are pledges made to the Organization and consisted of the following as of June 30, 2021 and 2020:

	<u>2021</u>	<u>2020</u>
Unconditional promises to give		
Receivable in less than one year	\$ 1,980	\$ 19,402
Less allowance for uncollectible promises to give	(198)	(1,940)
Net unconditional promises to give	<u>\$ 1,782</u>	<u>\$ 17,462</u>

5. ENDOWMENTS

For donor restricted endowments, Chapter 540A of the Code of Iowa permits the Organization to appropriate an amount of realized and unrealized appreciation as the Organization determines to be prudent.

The Organization's spending policy provides for quarterly distributions to the Organization limited to the spending percentage multiplied by the deemed pool value which is the greater of \$500,000 or the average market value for the prior twelve quarters. The current spending policy provides a spending percentage of 4.25%.

Net appreciation (depreciation) of permanent endowment funds, which totaled \$156,185 and (\$3,324) at June 30, 2021 and 2020, respectively, is recorded in restricted non-expendable net position.

6. CAPITAL ASSETS

A summary of capital assets at June 30, 2021 is as follows:

	<u>June 30, 2020</u>	<u>Additions</u>	<u>Reductions</u>	<u>June 30, 2021</u>

Net investment in capital assets	<u>\$ 227,417</u>	<u>\$ 51,528</u>	<u>\$ -</u>	<u>\$ 278,945</u>

7. LEASE COMMITMENTS

The Organization had two leases for studio and administrative space in Des Moines. The leases have been classified as operating leases and, accordingly, rent is charged to expense as incurred. The first lease has a monthly base rent of \$7,400. The second lease expired December 31, 2019 and required a minimum monthly base rent of \$2,122. The Organization terminated the lease agreement effective October 31, 2019.

Lease expense charged to operations for base rent for the years ended June 30, 2021 and 2020 totaled \$88,800 and \$89,459, respectively. Expenses charges to operations for pass-through charges, utilities and property taxes for the years ended June 30, 2021 and 2020 totaled \$36,765 and \$33,410, respectively.

Future minimum lease payments under all non-cancellable operating leases for the next five years and beyond are as follows:

<u>Year Ending June 30,</u>	<u>Amount</u>
2022	\$ 88,800
2023	88,800
2024	88,800
2025	96,800
2026	98,400
2027-2030	<u>311,600</u>
	<u>\$ 773,200</u>

8. COMPENSATED ABSENCES

Employees of the Organization are paid through Oasis, a Paychex Company, and accumulate vacation and sick leave. Accumulated leave, or compensated absences, is included in accrued compensation. It is the policy of the Organization to liquidate these accrued benefits under specific circumstances. Accrued vacation is paid at 100% of the employees' hourly rate upon retirement, death or termination. As of June 30, 2021 and 2020, the amount to liquidate accrued vacation leave is approximately \$375,615 and \$412,639, respectively.

9. EMPLOYEE BENEFITS

Employees of the Organization participate in the Iowa Public Radio Defined Contribution Plan administered by Teachers Insurance and Annuity Association ("TIAA"). The defined contribution retirement plan provides individual annuities for each plan participant. The Board of Directors establishes and amends the plan's provisions and contribution requirements. As required by IPR's policy, all eligible employees must participate in a retirement plan from the date they are employed. Contributions made by both employer and employee vest immediately. As specified by the contract with TIAA for years 2021 and 2020, each employee through the fifth year of employment contributed 3 1/3% of the first \$4,800 of earnings and 5% on the balance of earnings. The Organization, through the fifth year of employment, contributed 6 2/3% of the first \$4,800 of earnings and 10% on earnings above the \$4,800. Upon completion of five years of service, the participant contributed 5% and the Organization contributed 10% on all earnings.

The Organization's required and actual contributions totaled \$257,161 and \$245,284 respectively for the years ended June 30, 2021 and 2020. The required and actual contributions of the employees totaled \$128,615 and \$122,543, respectively for the years ended June 30, 2021 and 2020.

10. RISK MANAGEMENT AND UNCERTAINTIES

The Organization is exposed to various risks of loss related to property loss, liability under tort, theft, damage to or the destruction of assets, errors and omissions, injuries to employees and natural disasters. These risks are subject to insurance coverage of catastrophic property, general liability, employee dishonesty, worker's compensation, multi-media liability and director and officers' policies. The COVID-19 outbreak of 2020 has caused business disruption. As COVID-19 continues, the related long-term financial impact and duration cannot be reasonably estimated at this time.

11. OTHER MATTERS

The Organization entered into a letter of intent dated October 1, 2020 with the Board of Regents, State of Iowa, to pursue a possible transfer of the FCC licenses and certain assets related to the radio operations owned by Iowa State University, the University of Northern Iowa and the University of Iowa.

12. SUBSEQUENT EVENTS

The Organization has evaluated events and transactions for possible adjustment or disclosure through November 30, 2021 which is the date the financial statements were available to be issued.

As of the date of this report, the Organization does not have any outstanding construction commitments.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL
OVER FINANCIAL REPORTING AND ON COMPLIANCE AND
OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL
STATEMENTS PERFORMED IN ACCORDANCE WITH
GOVERNMENT AUDITING STANDARDS

To the Board of Directors of
Iowa Public Radio, Inc.

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Iowa Public Radio, Inc. (a nonprofit), which comprise the statement of net position as of June 30, 2021, and the related statements of revenues, and the changes in its net position and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated November 30, 2021.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Organization's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Organization's financial statements will not be prevented, or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Organization's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
