FEBRUARY PASSPORT HIGHLIGHT

2/5: In the Bubble with Jaime. In South Carolina, African American candidate Jaime Harrison faces incumbent Lindsey Graham for U.S. Senate. As COVID-19 disrupts, Harrison confronts not only the pandemic but deep-rooted racial prejudice. But, in a state with a significant African American population, his campaign against Graham becomes a symbol of hope in a time of crisis, intertwining politics, and race and health challenges.

2/12: Firsthand: Segregation. In Chicago, segregation has a profound impact. From disparities in housing, education and healthcare to economic inequality, Firsthand: Segregation illustrates the high cost of division, not just in dollars, but in lives lost and unrealized potential. Through stories, witness the power of individuals to effect positive change as residents strive for a more integrated and equitable community.

2/19: HBCU NOW. Explore the vibrancy of HBCUs - Historically Black Colleges and Universities - in an all-new episode of 'Local, USA,' presented in partnership with Maryland Public Television. Featuring four unique short films from WHUT, PBS North Carolina, SCETV, and Louisiana Public Broadcasting, this special presentation shines a light on the diverse experiences, challenges, and triumphs of HBCU communities.

- MONDAYS AT 7:00PM. *NOTE: LOCAL, USA WILL AIR AT 6:00PM ET ON 2/5*

RECIPE OF THE MONTH

Recipe Courtesy of **A Chef's Life**. Tune in on **KRWG TV** to learn to create the finest desserts and goodies in your own home.

GRILLED CORN WITH GINGER BACON BUTTER

INGREDIENTS

- 1/2 lb salted butter (softened)
- 1/2 cup bacon fat
- 1/3 cup grated ginger (use a microplane)
- 3 garlic cloves (grated on the microplane)
- zest of 3 limes (taken off with a microplane)
- juice of 3 limes
- 1/2 cup chopped cilantro
- Fresh corn (in the husk)

DIRECTIONS

1. For the Butter: Combine all seven ingredients in a mixer fitted with the paddle attachment. Mix until it is evenly blended. Using a spatula, turn the butter onto wax or parchment paper and mold it into a log. Chill.

2. For the Corn: Shuck the corn removing all of the husk and silk. Preheat a grill (charcoal creates better flavor). Brush the corn on all sides with olive oil. Using tongs grill the corn on all sides until golden in some spots. The corn may pop so be careful. Once it looks delicious, transfer the corn to a platter, season it with a little salt and rub it all over with the ginger bacon butter.
