Darren, (and everyone else) feel free to call me next time, I am having regular
Here's a few answers to your questions:

Construction location is still up in the air, but slated to be east of palo marsh ro
north of bear creek. (not on solar ground, no map to share)

Infrastructure needs are being discussed. Accommodations will need to be ma
Google/Nextera helping Palo expand water and waste water. Nothing has been

Thank you,

Eric Van Kerckhove

Mayor

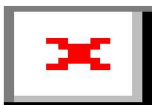

City of Palo

2800 Hollenbeck Road

Palo, IA 52324

319-851-2731

Fax: 319-851-2734
