PLAY IMAGINARY RESTAURANT

Play make-believe with your child by opening an imaginary restaurant. Your child can create a menu and take your food order. **TIP** Talk over strategies to help them remember each food order.

CREATE AN INDOOR OBSTACLE COURSE

Create an indoor obstacle course by giving your child physical obstacles to complete before reaching the finish line. **TIP:** Lead toddlers through the course for extra practice.

MAKE A SLIDE FOR A STUFFIE

Encourage your child to create a playground slide using household materials for a stuffed animal of their choice.

STACK CUPS AS A TEAM

Practice teamwork by stacking cups without using your hands! Tie a rubber band around pipe cleaners and using it as your "arms." Work together to stack plastic cups on top of each other.

BAKE AND BUILD PANCAKE PATTERNS

Spend some time as a family making pancakes then create growing patterned pancake stacks using pancake toppings. **TIP:** Practice creating growing patterns using everyday items like blocks or beads.

FAMILY RELAY RACE

Organize a family relay race using a household object like a spoon. Add fun challenges like hopping on one leg or walking backwards to make it more fun.
