WARNING
The following content may be too awesome for many persons. Those who cannot handle the awesome-ness should put this book down. Because it is awesome.

Introduction
The Cambridge dictionary defines a cryptid as this:
Cryptid-noun-Krip-tid
A creature that is found in stories and that some people believe exists or say they have seen, but that has never been proven to exist.

So knowing this, some in this book might exist, and some might not.
So read on!
