

BUT WHY

A Learning Guide

Kindergarten to Grade 3

But Why is a podcast led by you, kids! It's a big interesting world out there. Kids all over the world send us questions, and we find the answers. We've created these learning guides to be used in a classroom setting or at home. Listen to each episode and use this guide to deepen your understanding of what you've heard.

Why does my voice sound weird when it's recorded?

BIG QUESTION: How does our body make our voice?

Take a breath in. Then, when push air out it goes through your vocal cord to create the sound we hear as our voice.

RECORD YOUR VOICE AND LISTEN BACK

What did it sounds like?

Try this!

What other questions do you have about this topic? How will you find the answer?

Ask an expert. Who?

Find a safe source. Where?

What will you ask?
