1.1 Employment of Full-Time Radio Employees

Please enter the gender and ethnicity of each person with disabilities listed above (e.g. 1 African American female).

White Non-Hispanic Male

1.2 Major Programming Decision Makers

Please report by gender and ethnic or racial group the headcount of full-time employees having responsibility for making major programming decisions. Include the station general manager if appropriate. Major programming decisions include decisions about program acquisition and production, program development, on-air program scheduling, etc. This item should result in a double-counting of some full-time employees; employees having the responsibility for making major programming decisions should be included in the counts for this item and again, by job category above, in the full-time employee Question 1.1.

1.2 Major Programming Decision Makers

Of the full-time employees reported in Question 1.1, how many, including the station general manager, have responsibility for making major programming decisions?

1.3 Employment of Part-Time Radio Employees

Please enter the number of PART-TIME employees in the grids below. The first grid includes all female employees, the second grid includes all male employees, and the last grid includes all persons with disabilities.

### 1.6 Full-Time and Part-Time Job Openings

Enter the total number of full-time and part-time openings that occurred during the fiscal year. Include both vacancies in previously filled positions and newly created positions. Include all positions that became available during the fiscal year, regardless of whether they were filled during the year, include it regardless of whether it was filled by an internal or an external candidate. Do not include as job openings any positions created through the promotion of an employee who stays in essentially the same job but has a different title (i.e. where there was no vacancy or newly created position to be filled). If no full-time or part-time job openings occurred, please enter zero.
