# Philadelphia Flower Show

WITH **Garden Ambassador Sally Cunningham**

Since 2010, the **Buffalo Toronto Public Media Travel Club (BTPM)** has been delighting its members with inspired and sophisticated travel locally and abroad. Each trip, planned in partnership with longstanding licensed tour companies, is carefully curated with WNED and WBFO's audiences in mind. In keeping with its mission of engaging the Western New York and Southern Ontario communities through exploration and entertainment, BTPM presents an array of PBS, NPR and locally produced streaming content that enriches and educates our audiences. Our programs include national series, such as *Masterpiece*, *Antiques*

*Roadshow*, *NOVA*, *Morning Edition*, *All Things Considered*, and local productions like *Compact Science*, *Shakespeare's Greatest Hits*, *Now We're Cooking LIVE*, and *The War of 1812*. BTPM's programs are accessible on multiple media platforms. The BTPM Travel Club connects like-minded travelers and public media fans for once-in-a-lifetime experiences. Partial proceeds from each trip registration benefit BTPM's six stations, which means you get to travel the world and support local public broadcasting at the same time!
